Letter of Transmittal

To the Honorable Selectmen and Citizens of the Town of Norway:

It is my pleasure to present this, my third annual report as your Town Manager.

Included in this report are the financial transactions of all town departments, detailed reports of the activities of the various departments, and the Auditor's report in full.

I wish to express to the Board of Selectmen, all town employees, and the citizens of Norway my grateful appreciation for their assistance and cooperation.

Respectfully submitted,

DONALD F. McALLISTER
Town Manager

STATE OF MAINE

AuditAugusta

January 29, 1960

Board of Selectmen

Norway,

Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Norway for the fiscal year ended December 31, 1959.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and was conducted by Auditor C. G. Hawes of the State Department of Audit.

The audit analysis was on a basis consistent with that of the preceding year, and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectively submitted,

MICHAEL A. NAPOLITANO,
State Auditor

MAN/dt

TOWN OF NORWAY

Comments

JANUARY 1, 1959 TO DECEMBER 31, 1959

An audit of the financial records of the Town of Norway has been completed for the fiscal year ended December 31, 1959. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and other municipal officials.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

The operations of the town showed a gain of \$24,346.41 for the year which was accounted for as follows:

Actual Income Over Estimate	\$10,599 42
Departmental Balances Lapsed	13,746 99
Gain for Year	\$24,346 41

The actual income received was \$35,599.42 as compared with an estimate of \$25,000.00 for the year. The additional income was lapsed to surplus.

The overlay and unexpended balances in various operating accounts, more particularly in the town poor, fire department and tar accounts, were the major factors contributing to the net unexpended departmental balances lapsed.

ASSETS The general fund cash balance of \$42,423.84 was verified by reconciliation of a statement furnished by the Norway National Bank, Norway, Maine.

Accounts receivable amounted to \$3,722.95 of which \$2,531.68 is reimbursable for the Pleasant Street Sewer. Other receivables included charity cases, rentals and sidewalk assessments.

Taxes receivable totaling \$10,383.46 consisted of unpaid current year accounts.

Tax liens and tax acquired property amounted to \$1,472.99 and \$132.76 respectively.

Unpaid sewer assessments totaled \$4,110.25 and are summarized as follows:

Greenleaf Avenue Sewer	\$ 134 90
Spring Street and Dean Avenue Sewer	2,882 46
Lower Main Street Sewer	1,092 89
Total	\$4,110 25

LIABILITIES The general fund note liability of \$6,000.00 represents a loan made during the current year that matures in 1960. The proceeds from this loan were used to finance repairs at the Norway Lake School.

RESERVES The appropriation accounts showed a net unexpended balance of \$26,323.47 representing various operating account balances and an overdraft that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an overdraft of \$1,674.54, a reduction of \$161.58 as compared with the preceding year.

SURPLUS The unappropriated surplus amounted to \$31,597.32, a decrease of \$1,653.59 for the year. This change was occasioned by a transfer to the estimated income account and the issuance of a short term loan, less the net unexpended departmental balances lapsed and the excess of actual income over estimate.

DEBT FUND The debt fund, incorporated in the balance sheet as a separate fund, reflects an outstanding Opera House note of \$11,000.00 and high school bonds of \$4,000.00. Cash amounting to \$4,607.45 is on deposit in the Norway National Bank, Norway, Maine for the retirement of bonds and accrued interest. The note matures \$1,000.00 annually with interest at 2%.

WORKING CAPITAL FUND The cash balance of the working capital fund totalling \$2,688.10 was verified by reconciliation of a statement furnished by the Norway National Bank, Norway, Maine.

Current operations showed an increase of expenditures over receipts of \$4,587.51. Receipts totaled \$32,436.84 and represented for the most part departmental use of equipment. Expenditures amounted to \$37,024.35 of which maintenance expense and the purchase of new equipment were the principal items.

RESERVE AND TRUST FUNDS The capital reserve fund, which was established for the purchase of land and/or new school buildings, amounted to \$5,235.40 and is on deposit in the Norway National Bank, Norway, Maine.

The total amount of trust fund principals was \$3,782.00 and unexpended income amounted to \$2,621.15. These funds are on deposit in the Norway Savings and Norway National Banks. The decrease in the unexpended income account was occasioned for the most part by the transfer of accumulated income in the Sanborn Fund to the estimated income account as authorized at a special town meeting.

DEPARTMENTAL ACCOUNTS The departmental operating accounts showed an increase of \$29,171.20 in funds raised by taxation, as compared with the preceding year. Larger appropriations for protection, highways and education accounts were the major factors contributing to the change.

The departmental balances carried forward to the ensuing year increased \$10,898.75, as compared with the balances at the start of the year. The increase appeared principally in the highway

and unclassified accounts. However, a decrease in education account balances carried was also a factor.

GENERAL The townspeople authorized the transfer of \$20,000.00 from surplus to the estimated income account and the application of estimated income to reduce the 1959 tax levy. The issuance of a school repair note was also voter authorized.

SCOPE OF AUDIT

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

The cash accounts were verified by reconciliation of statements furnished by the depository or by direct confirmation. External verifications were utilized on a test basis to determine the correctness of recorded assets and liabilities.

Debt, working fund capital, capital reserve and trust fund transactions were examined and balances were verified by direct bank confirmation.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and cancelled checks were examined for a selected period. Excise tax collections were verified with the copies of the receipts retained by the collector. Education account balances were checked with the superintendent of Schools. Surety bond coverage was reviewed.

In our opinion, subject to the foregoing comments, the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1959, and the results of its operations for the year then ended.

NOTICE TO TAXPAYERS

ALL TAXPAYERS SHOULD READ THE FOLLOWING REQUIREMENTS AND COMPLY WITH THEM:

"Sec. 34, Ch. 91A, Revised Statutes of Maine, 1957. Assessors to give notice to bring in lists of taxable property; if no lists are brought in, no claim for abatement. Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is thereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayers."

Annual Report of Public Health Nursing Services

NORWAY—1959

Conferences have been held with the Superintendent of Schools and teachers regarding the school health program. When indicated, home visits have been made to discuss with the parents the health problems of their children and to offer suggestions and clinic help when indicated.

Some school children who have been referred by the teachers for a hearing test have been checked with the Puretone Audiometer. Testing will continue after the Christmas vacation. If any are found to have a hearing loss they will be referred to their own family doctor. After his examination, if further follow-up is desired by a specialist, the child may be referred by his physician to the State Hard-of-Hearing Clinic.

The usual home visits have been made to expectant mothers, infants and pre-school children to give assistance according to the apparent need. This includes stressing the importance of physical examinations; the interpretation of medical recommendations; advice regarding nutrition and diet; urging correction of known physical defects and explaining facilities available for correction.

Since the last school Polio clinic in January of 1959, National Authorities have advised a fourth polio inoculation. It is hoped your town will provide funds so this may be offered to the children of your community in 1960.

Your public health nurse wishes to take this opportunity to express sincere appreciation to everyone who has been so generous with assistance to the public health nursing program. A special thank you to the Superintendent of Schools, teachers and volunteers, for without your cooperation progress would be limited.

Respectfully submitted,

RUTH M. CHOATE, R. N.

Public Health Nurse

LIBRARY ACTIVITIES

A course of four lessons in Investments began in January with Mr. Leroy Luce and Mr. Carrell Pierce as lecturers. These were well attended.

Special displays during the winter included Arts and Crafts, Civil War mementoes in honor of the 150th anniversary of the birth of Abraham Lincoln, and the report of the Planning Board just prior to Town Meeting. This last display was accompanied by a display of old pictures showing Norway Village just after the fire of 1894.

National Library Week, April 11-18, opened with a reception for Mrs. Charles Huff, whose book "Forty Years Too Late" had just been published. Station WKTQ again co-operated with the library by broadcasting interviews about local authors. Those speaking in person were Avis Huff, "Reg" Dinsmore, and J. Nes-bit Lello. Milan Bennett spoke about Dr. C. A. Stephens, Judge A. J. Stearns for Arthur C. Bartlett, and Faunce Pendexter for his father, Hugh Pendexter. A contest to find the oldest book in Norway was won by Mrs. Chesley Nelson. On the last day of the week a story hour for children was well attended. Mrs. Mary Sloanaker told the stories.

Special displays of memorial books were made in May, also

the award winning books of the Spring Book Festival. This display included not only the N. Y. Herald Tribune Festival Awards, but also the Newberry, Caldecott and other outstanding awards.

Summer activities included three story hours for the children and four lectures for adults. The first of these was a talk on antiques by Mr. Neal Allen of F. O. Bailey's in Portland. The other three were on Maine minerals and mineral collecting by Mr. Stanley Perham of West Paris.

Book Week in November proved so popular that it had to be extended into the next week to accommodate all the classes that made reservations for library visits. A total of 1329 books were checked out during this time. Discussion of library procedure and book reviews and stories by the librarian furnished the program for the classes.

A special display in honor of "Mellie" Dunham featured a large picture of him which has been presented to the library by Mr. Clarence Morton, a large scrapbook collected by Walter Starbird presented by Mrs. Grace and Glenna Starbird, one of Mellie's violins lent by Mary Brill Parker, and a pair of snowshoes the property of Raymond Edwards. With these were Henry Ford's book of the revival of old dances and a new biography of Robert Peary.

A large display of Christmas books and a tiny tree occupied the center table during the Christmas Season. The wreath for the door was presented by the Paris-Norway Garden Club. Wood for a fire in the fireplace was the gift of Mr. and Mrs. Edwin Cummings.

Respectfully submitted,

WINIFRED M. BICKFORD,
Librarian

Report of Treasurer of Norway Memorial Library

Norway, Maine
January 13, 1960

To the Trustees of Norway Memorial Library:

Report of the Superintending School Committee

To the Citizens of Norway:

The financial statement for 1959 has been shown on the preceding pages and clearly shows the receipts and expenditures. The small unexpended balances are a result of careful planning of the 1959 budget and a reduction of about \$4000 in State Subsidy as a result of action by the last Legislature.

A recent survey studied by your committee indicates that in thirty-six towns with a population of 2500 to 4999, the percentage of total town budget allocated in 1959 for education in these towns runs from a high of 69.4% to a low of 38.1%. Norway was thirty-fourth on this list, allocating 43.7% of the tax dollar for education. The report also indicated that on the basis of State valuation the tax rate, as a result of money raised for all municipal purposes, was higher than Norway's in only four of the thirty-six towns and lower in thirty-one of these same thirty-six towns. This shows that the cost of education in Norway is in a very favorable position in comparison with the other towns used in the

survey. Your committee feels that on the basis of this report its attempts to be conservative have at least been successful.

As a result of the ever increasing inflationary spiral, your committee has felt it necessary to revise the existing Teachers Salary Schedule effective next September. The revision will bring our starting salaries for new teachers in line with the minimum starting salaries that college and normal school graduates will be receiving. More important, it will result in increases to our present teachers to help offset their increased Cost of Living expenses. It is believed that the value of keeping our experienced teachers cannot be over-stressed and without this increase several might be attracted to other towns and cities operating with more attractive Teachers Salary Schedules.

The committee presents the following budget for your approval.

1960 BUDGET

Elementary teachers	\$ 88,674 09
Secondary teachers	66,453 50
Education of handicapped children	600 00
Janitors	7,900 00

Respectfully submitted,

MARITA C. ANDREWS, Chairman

ROSCOE A. DOWNING,

GORDON F. GRANT,

Superintending School Committee.

Report of the Superintendent of Schools

To the Superintending School Committee and the Citizens of Norway:

I herewith submit to you my annual report of the Norway schools for the year ending December 31, 1959.

Schools opened in September with two new teachers in the high school. Mr. John Theriault replaced Mr. Daniel Kimball; and Mr. Clifford Jordan, a substitute teacher for the last half of last year, was elected to fill the vacancy in the science department. In the junior high grades, Mrs. Record resigned, and Miss Poland was transferred from social studies to reading and health. There were no vacancies in the grade building. Mrs. Pauline Conley retired in June and Miss Abbott in September. Mrs. Florence Young was elected to fill the vacancy at Norway Lake, and Mrs. Faye Bean will complete the year at the Tucker Street School.

ACCREDITATION

Nineteen sixty is the year that the State Department of Education has designated when high schools should be accredited. This has not been accomplished at Norway. We have made the minor improvements suggested but have not completed the major items such as expansion of the library, adding a half-time librarian, a half-time secretary for the principals, a guidance teacher and rooms for guidance, and an auditorium and gymnasium.

Accreditation is not mandatory. It is to be hoped that all communities in Maine will want their high schools accredited. For the moment it seems to be inadvisable to seek accreditation because of the study being made by citizen groups relative to the forming of an administrative district. After the citizens' committee makes a report of its findings, we shall have some basis on which to decide what to do about the problem of accreditation.

SAFETY

At the annual meeting, the town appropriated five thousand dollars for materials and labor to make alterations on school buildings to provide the maximum of safety for children and school personnel. The money was spent according to the recommendation of the office of the Insurance Commissioner, Division of State Fire Prevention. The appropriation was not sufficient to complete the safety program, so the balance was taken out of the repairs account.

In the elementary grade building, panic bars were installed on all exit doors. The school committee, after consultation with state fire prevention officials, decided not to install fire doors in the stair wells in the grade building. In place of these they had a door cut through the partition separating the two fifth grade rooms and another door cut through the outside wall leading to a fire escape which was added to the building. These changes pro-

vide a maximum of safety. The children are able to evacuate the building in less than two minutes.

At the Lower Primary School the oil-burning heating unit was removed from the classroom, installed in the shed, and sealed off from the classroom. A second exit was cut through the wall leading to steps onto the playground. All doors swing outward and are equipped with panic bars.

At the Middle Primary the same procedure was carried out as at the Lower Primary School, namely, removing the oil burner to the shed, providing a second exit, and installing panic bars on exit doors.

At the Upper Primary, the oil burner was removed to the shed and panic bars installed on the exit doors. It was not necessary to provide the second exit as the building already had two exits.

The Norway Lake Primary was provided with a new oil burner which was placed in the shed and sealed from the toilet rooms and classroom. All doors were provided with panic bars.

With these changes in the heating and the installation of safety hardware on the exit doors, the buildings are as safe as it is possible to make them.

NORWAY LAKE SCHOOL

In March the town made an appropriation of six thousand dollars for the Norway Lake School to provide modern toilet rooms, sanitary waste disposal, a well, a pump room, and a pump and foundation for the building.

The well is a dug well located on a vein of water which should provide an ample water supply under ordinary conditions. The capacity of the well is around three thousand gallons. If the well should fail during a period of drouth, the system is provided with an auxiliary line to the lake which may be cut in to provide water for the building. The water is made potable by the use of a chlorinator. At the present time the well is providing the water used in the building. It was necessary to take part of the cost for the foregoing alterations from the repairs account as the appropriation was not sufficient to cover the cost.

REPAIRS

At the Lower Primary and Middle Primary Schools the sheds were placed on cinder block foundations. The grade building was painted on the outside, the roof was repaired where the shingles were lifting, cellar windows were replaced, and some of the interior was painted. In the gymnasium the sheathing at the end of the building was replaced with veneer board.

At the shop, the rear of the agriculture room was partitioned off to provide a temporary classroom. Another large portion of the school yard was tarred and graveled, and the old black top was given a sealing coat of tar.

Tearing out and replacing the steps in front of the grade building was not done as originally planned, as the committee

decided to try to save expense by patching the old steps and thus to defer the expense of new steps until later.

The stoker on the coal-burning boiler was overhauled. This stoker dates from World War II when it replaced an oil burner. The firebox was completely rebuilt. The tube which feeds the coal into the hearth is getting worn and will have to be replaced in the near future.

The buildings are in good repair. Our repairs for next summer will be the painting of the trim and windows of the high school building and redecorating the inside of the high school building as the paint is peeling badly. A study is being made to ascertain the cause of the peeling. This must be corrected and the cause eliminated if possible. When the cause is known, we shall be able to redecorate those places where the peeling is occurring.

SCHOOL LUNCH

The school lunch is still operating under difficulties at the Firemen's Hall. The cooking space is very limited, as is the dining area. The state inspector was in, and we made the changes he indicated in his report, but he made it clear to me that the town should provide better facilities. The limitation of space and facilities creates many problems, one of which is sanitation.

The women who are working on the hot lunch program should be commended for the lunches they are serving. We hope that some day we shall have a cafeteria in which the town may take pride.

SPECIAL MILK PROGRAM

We are serving milk at recess to those children who wish it. Milk was not served in the high school building during the fall term. A milk vending machine was ordered at the close of school last summer for delivery before school opened in September, but, because of a change in the model and the steel strike, we did not receive it until the Christmas recess. It was installed, and the operation of it has been very satisfactory.

CONCLUSION

In conclusion, I would like to express my appreciation to the superintending school committee, the teaching staff, the town manager and his staff, and all other personnel for the splendid cooperation they have given.

Respectfully submitted,

LESTER B. HARRIMAN

Superintendent of Schools

Report of the High School Principal

To the Superintendent of Schools, the Superintending School Committee, and the Citizens of Norway:

I submit my annual report for your consideration.

Registration as of September was less than that of the last

few years. This is because a smaller than usual Freshman Class entered, and a large class of fifty-seven seniors graduated in June. The usual number of drop-outs and new enrollments since September leaves the enrollment as of January 1 at one hundred seven boys and one hundred twenty-seven girls, totalling two hundred thirty-four.

Reports from schools and colleges concerning our recent graduates are very good. No failures are evident at the present. Many boys entered the armed services for tours of duty all over the states, and others are employed in offices and factories.

The resignation of Mr. Daniel Kimball last spring caused a vacancy in the science and coaching departments. We were fortunate to be able to hire Mr. John Paul Theriault, a 1959 graduate of the University of Maine, to replace Mr. Kimball. Mr. Theriault has made a very good start in his classes and with his football team.

The dropping of the agriculture course because of the lack of interested students made a change in the assignments of Mr. Hacker. He is now teaching junior high school science, secondary mathematics, and driver education. Half of the agriculture shop has been converted into a temporary classroom to take care of these classes.

Norway is fortunate in being able to keep the veteran corps of teachers, as experience is a great factor in maintaining the standards of a school. Every teacher in the high school has a complete schedule of classes and activities which are being well supervised.

The financial report of all clubs and activities show a balance as of January 1.

Parents and friends of the school are urged and always welcome to visit the schools while they are in session. This is the only way that you can get a true picture of the schools in action so that you might understand them better.

Respectfully submitted,

G. E. ROWE

Principal

Report of The Elementary Principal

To the Superintendent of Schools, the Superintending School Committee, and the Citizens of Norway:

School opened in September, 1959, with an enrollment approximately the same as last year. There were four hundred sixty-one pupils in the elementary grades on January 5, 1960. During the first four months of the present school year, twenty-

three new pupils have entered and ten have transferred to other school systems.

At the beginning of the school year, the primary enrollment had to be redistributed in order to equalize the teacher load. The Lake School was bulging with forty-five pupils in attendance on the opening day. These children, for the most part, are bus children and, in order not to complicate the bus situation any more than necessary, it seemed advisable to arrange the enrollment so that all pupils transferred to another primary would be on the same bus.

In the elementary building we have a crowded and unsatisfactory condition. Our room memberships average thirty-three, with each fifth grade division having thirty-nine in attendance, and each third grade division thirty-six. Twenty years ago possibly a teacher could cope satisfactorily with this situation, but today, with our improved standards, the new emphasis placed on science, a broader and expanding curriculum, and many other changes, we are concerned about this "mass" education.

All available space is utilized to the fullest extent in this building. We even place classes of music in the attic where the usable floor space for pupils measures approximately fifteen feet by thirty feet. Some of these classes have fifty to sixty pupils in attendance. One group in music education is compelled to use the gymnasium because there are sixty-five participating. This period in the gymnasium is the only one available to Miss Klein because physical education classes are conducted there throughout the remainder of the day.

This year we approached the reading program in the fifth and sixth grades in a somewhat different manner. A one-hour period for reading is scheduled at 1 o'clock daily except Friday, and each pupil passes to his assigned group. These groups are selected according to the reading level of the pupil. The reading abilities of a group are now confined to a range which is more adaptable to efficient teaching.

This year an additional fire escape has been attached to the north side of the building, and this enables pupils to evacuate the building in approximately two minutes. Continued practice on the use of the fire escape eliminates the fear involved and tends to make the exit a more ordinary procedure.

We have a very good standardized testing program established in our schools, and an individual record of each pupil is kept in order to ascertain his or her progress. It is our intention and aim to notify any parent by the end of the third quarter or on completion of the yearly testing program if his child is not progressing sufficiently to warrant promotion. We hope to remedy as many difficulties as possible before a child reaches the fourth grade. Grades one, two, and three supply the basic foundations necessary to compete in the following years of school.

New textbooks have been supplied to replace old editions and also to supplement programs already established.

Forty new books have been added in our continuing effort to build up our school library. The profit realized from our book fair was used to supplement that of the school department. We wish to continue to create a desire for and an enjoyment of reading by having available for pupils materials both interesting and informational.

I urge all parents to visit school to get a first hand knowledge of conditions and to gain a better insight into the progress of your children.

Respectfully submitted,

WINONA Y. PALMER

Supervising Principal

Annual Report of the Health Officer

Free vaccination against small pox was offered the citizens of Norway during the month of May.

The following is a list of communicable diseases reported during the year:

Chicken pox, 59 cases.

Measles, 7 cases.

German Measles, 1 case.

Mumps, 3 cases.

Pertusis, 8 cases.

Streptococcal nasopharyngitis, 4 cases.

Respectfully submitted,

ROLAND L. McCORMACK, M. D..

Town Manager's Report

To the Board of Selectmen and Citizens of the Town of Norway:

I herewith submit to you my annual report on the municipal activities of the Town of Norway for the year 1959, it being the seventeenth year under the Selectmen-Town Manager form of government.

GENERAL GOVERNMENT

The Town of Norway closed the year with a cash balance of \$42,423.84 and the overall financial picture is good. The tax collector's account shows all 1957 and 1958 taxes paid. The 1959 tax commitment was \$287,664.27 and on December 31, 1959 there was \$10,383.48 in unpaid taxes, however since January 1, 1960 we have collected over \$3,000.00. The Treasurer's account shows that there is a balance of \$1,472.99 still due on 1958 tax liens which expire in December 1960. The expired 1957 tax liens totaled \$85.63 and have now become town-owned property.

In October, Mrs. Georgina G. Bryant resigned to accept a position in Danvers, Mass. Mrs. Bryant worked for the Town of Norway for over seventeen years as town clerk, assistant treasurer and deputy tax collector. The Town has lost a valued employee.

Mrs. Elizabeth Smith has taken over the work previously done by Mrs. Bryant and is doing an excellent job. Mrs. Isabelle Thorp was hired as office clerk.

The Selectmen have been very cooperative, and nearly all have 100% attendance record at their bi-weekly meetings. Mr. Henry Packard resigned as selectman and together with his family moved to California.

WINTER HIGHWAYS

Today we demand more and better service from the highway department and much credit should be given this department for a job well done. Foreman Donald Hunt and his crew have done excellent work.

In the winter of 1959 we used 250 tons of salt and 3000 yards of sand on the streets and roads of Norway. In the Fall of 1959 we stock-piled 2700 yards of sand fortified with salt to be used this winter.

BRIDGES

The wooden plank deck was replaced on the Beal Street bridge and the Greenleaf Avenue deck will be replaced in 1960.

SUMMER ROADS

Due to so much rain in June and again this fall, some of our outlying roads were neglected. We did rebuild about two miles of new road. The Edward Kahkonen road from the Oxford line to the Kahkonen farm was rebuilt and about one mile of the Upton Ridge road was rebuilt. The back side of Pike Hill road was graveled and tarred and numerous culverts were installed.

Again this year we had an extensive tarring program. The Yagger road from Hobbs Pond to Edwin Emerson's Sr. home and

part of the Pike Hill road were tarred for the first time. Sealing coats were applied to the Sodom road, Upper Pleasant Street, Old Greenwood road, Morse road, Upton road and Bridge road. The following streets were tarred: Horne, Elm, Bridge, Water, Lee, Whitman, Maple, Summer and part of Beal Street.

State aid money was held over to 1960 believing that if two units were expended at the same time, it would build more roads.

For the year 1960 the following streets should be rebuilt and tarred: Pine, Hazen, Fern, Skillings Avenue and Hayden Avenue. Pike Hill should be widened and a better drainage system established.

SIDEWALKS

Only repairs to present sidewalks were made in 1959. Money will have to be made available for the Water Street sidewalk which will be built by W. H. Hinman, Inc. in conjunction with the new State Highway. Costs not to exceed \$700. Beal Street should have a sidewalk from Marston Street to Winter Street. At the present time it is only a path.

WELFARE

We have made good progress in reducing the cost of this department. New settlements were found for two cases and those who were physically fit were made to work. The appropriation for this account can be cut \$5,000 for 1960.

SEWERS

Wright & Pierce, consulting engineers, were engaged to make the survey of our sanitary sewer system. It is hoped that their report will be ready for Town Meeting.

A. G. Blaquiere, Jr. resigned as Superintendent of Sewers as of January 1, 1959. Since that time the Town Manager and the highway department have looked after the sewers.

The Dean Avenue discharge line broke early in the spring. This was dug up and a new pipe was laid on a gravel base. Since that time the pump has functioned satisfactorily.

The Greenleaf Avenue sewer pump has been the source of a great deal of trouble for the town and for the people who live near it. It was planned to extend the Greenleaf Avenue sewer from Elm Street to Main Street but due to the fact that a power backhoe was not available and the November rains, it was deemed advisable to wait until Spring to complete this project. When completed it will eliminate the pump that is now in use.

The Edgewood Lane sewer was laid in November 1959 to the town's specifications and the voters at town meeting will be asked to reimburse Mr. Partridge and Mr. Detert for one-half the cost of this sewer.

TOWN DUMP

Charles Dodge has done a good job looking after the town dump. The sand and gravel taken from this land has already repaid the town the cost of the original investment.

PROTECTION

For the Fire Department report I refer you to Chief Homer R. Luck's report. I have enjoyed friendly relations with the men

in the department and the cooperation of Chief Luck and Engineer Robert Butters.

On July 1, 1959, Officer J. Emelien (Frank) Lafrance was retired. Frank was a faithful police officer and served the town well for over twenty years.

Earle Rogers was hired to take Frank's place and he has all the qualifications of making a good police officer.

Officers Guilford and Patton have as usual given a good account of themselves.

Norway has not had a fatal motor vehicle accident for several years and much credit goes to our small but efficient Police Department for this record.

Over 1200 cars were stopped, 653 warnings were issued and 154 arrests were made in 1959.

As in the past we have had the cooperation of both the Oxford County Sheriff's Department and the State Police.

To all town officials, employees and the citizens of Norway, thank you for your loyalty and cooperation, it has been my privilege to work with you and for you.

EQUIPMENT AND GARAGE ACCOUNT

This year a new Jenny steam cleaner was purchased to take the place of the old Verticale steam boiler.

A new 350 model G. M. C. truck was purchased and the Sargent snow plow was traded in for a new Frink one-way plow and wing.

The 1949 Hough payloader Model H. F. will have to be replaced this year.

The town garage should have additional space. Now that we have so many vehicles, it is a problem to house them.

The following is a list of vehicles and equipment at the town garage:

- 1959 G. M. C. 4-wheel drive truck one-way plow and wing.
- 1956 F. W. D. 4-wheel drive truck with plow and wing.
- 1956 G. M. C. 3-5 ton dump truck.
- 1953 G. M. C. 3-5 ton dump truck with plow and wing.
- 1952 G. M. C. 3-5 ton dump truck.
- 1948 Mack Tractor and Low Bed Trailer.
- 1946 Ford 2-ton 4-wheel drive to be used to push the snow loader.
- 1954 Chevrolet Pickup Truck.
- 1951 Gallion Grader, Model 104 with snow wing.
- 1954 Allis-Chalmers HD 9 Tractor.
- 1949 Hough Payloader Model HF.
- 1958 John Deere Tractor with sidewalk plow, sickle bar mower and sweeper.
- 1954 Scotchman Salt Spreader.
- 1955 Sicard Model BB Snowmaster Loader.
- 1955 York Stone Rake
- 1952 Le-Roi Model 105 Compressor.
- 1957 Litterbug.
- 1956 Flink Tailgate Sander.

1958 Flink Tailgate Sander.

1959 Jenny Steam Cleaner.

This year we spent \$3,237.66 on the HD 9 Tractor. This machine was completely overhauled and is now in excellent condition.

Don Hunt and his crew saved the town many hundreds of dollars by doing nearly all the repair work on our fleet of motor vehicles. Mechanics from Portland demand \$4.50 per hour plus traveling expenses.

Respectfully submitted,

DONALD F. McALLISTER

Town Manager

Attention Veterans

REVISED STATUTES, 1957, CHAPTER 91A SEC. 10 AN ACT RELATING TO EXEMPTIONS FROM TAXATION OF VETERANS

"Sub-Section III. The polls and estate of all persons who by reason of age, infirmity or poverty are in the judgment of the assessors unable to contribute toward the public charges; the estate up to the value of \$3,500 of all persons determined to be blind within the definition provided by sections 298 to 318, inclusive of chapter 25, who are receiving aid under the provisions of said sections; but no property conveyed to any persons for the purpose of obtaining exemption from taxation under this subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance, whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such person taxable in the state." (1953, c. 291, Sec. 1. 1954, c. 92, Sec. 10.)

"The polls of all soldiers, sailors and marines who served in the army or navy of the U. S. in the Philippine Insurrection or any federally recognized war period prior thereto, or who served in World Wars I or II or the Korean Campaign who receive state pension; the polls of all soldiers, sailors or marines who are receiving pension or retirement pay or compensation or vocational training from the United States government on account of disability incurred in or aggravated by service in said wars; and in the estates up to the value of \$3,500 of veterans who served in the armed forces of the United States during any federally

recognized war period, including the Korean campaign, who were honorably discharged or honorably separated and retired to the reserve, when they shall have reached the age of 62 years or are receiving any form of pension or compensation from the United States Government for total disability, service connected or non-service connected, as a veteran; and the estates up to the value of \$3,500 of the unremarried widow or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the federal government as the widow or minor child of a veteran: provided, however, that no person shall qualify for such exemption unless the veteran upon whose record the exemption is claimed was a legal resident of this state when he entered the military service of the United States or unless such veteran or his widow has been a legal resident of this state for at least 10 years prior to making the claim for exemption; and provided further that any person hereinbefore enumerated who desires to secure this exemption shall file written proof of entitlement on or before the first day of April with the assessors of the town in which he resides, whereupon the assessors shall grant such exemption to such person while so qualified or until notified of reason or desire for discontinuance; but no property conveyed to any person for the purpose of obtaining exemption from taxation under the subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such persons taxable in the state. — — —" (1947, c. 29. 1951, c. 1957, Sec. 3; c. 160. 1953, c. 265, Sec. 6; c. 291, Sec. 2 1954 c. 92—Sec. 10.)

Town Clerk's Report

DECEMBER 31, 1959

Mrs. Georgina G. Bryant, resigned after 18 years duty

To the Selectmen and Citizens of the Town of Norway:

The following returns of births, marriages and deaths have been made to this office for the year 1959:

BIRTHS

Number of births reported	318
Number of males	155
Number of females	163

Number of births occurring in town	289
Number of births occurring out of town	29

MARRIAGES

Number of marriages reported	70
Grooms:	
Number of widowers	4
Number of divorced	8
Oldest at marriage	69
Youngest at marriage	17
Brides:	
Number of widows	6
Number of divorced	10
Oldest at marriage	64
Youngest at marriage	16
Average age of groom at date of marriage	25
Average age of bride at date of marriage	23

DEATHS

Number of deaths reported	88
Number in town	71
Number out of town	17
Number of males	48
Number of females	40
Oldest at date of death	93
Youngest at date of death	35 min.
Average of at date of death	71

Respectfully submitted,

DONALD F. McALLISTER

Town Clerk

Civil Defense and Public Safety

I hereby submit my report of Civil Defense and Public Safety for the Town of Norway.

Civil Defense and Public Safety for the town of Norway is still functioning in nearly all departments. The housing survey, transportation, and Police are very well organized, as is feeding, public works and communications.

What the staff and I are really trying to do is to keep a nucleus of trained personnel in all departments so that in case of a local, state or federal disaster additional personnel can be obtained and trained.

We are doing this because it has been increasingly difficult to hold training meetings, etc., because everyone seems too busy when asked to participate in weekly or monthly meetings.

Our Police, under the able direction of Chief Leon Abbot, is one of the best in the State. Every man is fully trained by State and County law enforcement officers with whom we have had the best of cooperation.

I wish to thank the Town Manager, Donald F. McAllister, the Board of Selectmen and all the Civil Defense personnel for their able assistance this past year.

Respectfully submitted,

CARL SANDSTROM,

Director of Civil Defense and
Public Safety

Norway, Maine

Report of Sealer of Weights and Measures

To the Selectmen of the Town of Norway, Maine:

I herewith submit my report as Sealer of Weights and Measures for the Town of Norway for 1959.

Number of Scales tested	91
Number of Gas Pumps tested	40
Number of Oil Pumps tested	7

Respectfully submitted,

WILLIAM H. CARD

Sealer of Weights and Measures.

Perambulation and Survey of the Town Lines Separating Norway, Maine, and Greenwood, Maine

Agreeable to Mr. Donald F. McAllister, Town Manager of Norway, and Mr. Lester W. Cole, Greenwood Selectman, we met at 9:00 a. m., November 11, 1959, at the southern end of the line running to Furlong Pond, which marker is an iron rod in a ledge located about 30' westerly of the end of a stone wall, which is the Northwesterly corner of the Pelletier farm on the Hutchinson Pond Road.

With the assistance of Mr. Carroll Greenleaf, owner of land on the westerly side of this town line, as per deed, two trials were made to re-establish the line; one from the marker previously mentioned, running northerly; and one from Furlong Pond running southerly. There being no monuments found, and only scarfed trees near Furlong Pond, stone walls and wire fences for short distances, which were on different bearings ranging from N 18° W to N 13° W, the line was not definitely re-established. On December 18th, another perambulation of this line was made to locate monuments, markers or scarfed trees, but none were found which could be relied upon. On account of the lateness of the season it was decided not to run a traverse survey to re-establish this line but to perambulate the east-west line to the Paris line, which was done as follows.

Begin at iron rod in ledge, previously mentioned, at the N. W. corner of the Pelletier farm on the Hutchinson Pond Road, thence N 73° E along the northerly boundary of the Pelletier farm, crossing Herrick Brook; up a steep bank, then following a $\frac{1}{4}$ + or - mile stone wall; a section of scarfed trees; another stone wall to a "stone marker N-G" on the west side of Patch Mountain Road. Distance 1.1 + or - miles.

Continue across Patch Mountain Road, south of Happy Knoll Cottage N 73° E, short stone wall; new scarfed trees on line; passing two lot corner posts; following two stone walls with magnetic bearing of N 73° E to "split stone bound monument N-G" which is just west of the Hayes Road. Distance .65 + or - of a mile.

Continue across Hayes Road, magnetic bearing S 33° E, through a young pine growth, following the eastern side of the old County Road, passing a "pile of stones marker" and a lot corner post, to a stone wall with a "wooden post marker". Distance .3 + or - of a mile.

Continue from last named "wooden post marker" N 84° E following scarfed trees; passing lot corner wood post marker, scarfig trees to near sign marked "N-G" on the east side of Greenwood Road. Distance .4 + or - of a mile.

Continue to stone wall and old wire fence on East side of Greenwood Road to a brook; east of brook a stone wall continuing over "The Nubble" to the very large boulder, marked "Norway-Greenwood", on the east side of Upton Ridge or Richardson Hollow Road, on magnetic bearing N 83° E. Distance .6 + or - of a mile.

Continue from last named "large boulder marker" on magnetic bearing N 81° E, close to a wire fence and found "pile of stones marker" west of a brook, continue on scarfed line, bearing N 84° E to a "stone monument marked N-G" near a two-foot rock maple tree on the east side of an old discontinued county road. Distance .6 + or - of a mile.

Continue from old county road on stone wall and wire fence 200' + or - to opening at Old Packard Farm; across field and brook to "stone monument N-G" on east side of abandoned Shaw Ledge Road. Distance .5 + or - of a mile.

Continue N 86° E passing old scarfed trees over steep ledge hill. Thence N 83°-30' E through small birch and pine growth to "stone monument N-G" at stone wall on west side of Millettville Road, which road is discontinued here. Distance .65 + or - of a mile.

Continue N 85° E over a pasture knoll, intersecting a stone wall, which western end for a distance of 150' + or - is southerly of line; continuing on stone wall over a hill to an old abandoned road; thence across a swamp and brook, following the remains of an old sunken stone wall to a "stone monument at the Paris Line N-G-P", and which monument is at the intersection of a stone wall running N 4½° + or - W. (Paris line) Distance .7 + or - of a mile.

Where there were no walls or fences on line, tall wood stakes were set in sighting distances.

Perambulation and Survey of the Dividing Line Between the Town of Norway, Maine and Albany Plantation

Agreeable to a notice by Mr. Donald F. McAllister, Town Manager of Norway, and Mr. Arthur E. Wardwell, representing Albany Plantation, we met at the stone monument marked W-N-A, south of Hutchinson Pond in Albany, which is the intersection of the Norway, Waterford and Albany town lines, at 9 A. M., November 3rd, 1959.

With the magnetic bearing of North $71^{\circ} - 30'$ East the perambulation and survey was made. Some old scarfed trees were found until old clearings were reached about .1 (one tenth) of a mile westerly of the Hutchinson Pond Road. On the westerly side line of the Hutchinson Pond Road was found a split stone monument marked A-N on line and which monument is approximately .9 (nine tenths) of a mile from starting point. Continuing from said monument across Hutchinson Pond Road on the same course (N $71^{\circ} - 30'$ E), through a growth of small pines old scarfed trees were passed. Continued on said line to the intersection of the Greenwood line which is in the middle of the western part of Furlong Pond. The old wooden stake which formerly located this intersection in Furlong Pond had disappeared and could not be replaced without a boat. For the whole length of the line, approximately 1.52 miles, tall stakes were set at sighting intervals.

(Signed) C. E. DAVIS, C. E.

Report of the Fire Department

Homer R. Luck, retiring after 48 years duty

To the citizens of the Town of Norway, I herewith submit my report for the year 1959:

ALARMS		
Bells 3	Stills 54	Chief Car Calls 25
FIRE LOSSES		
Buildings		\$ 9,050
Contents		1,201
Total		<hr/> \$10,251

HOSE AND LADDER USED

2½" Hose	7,550 ft.
1½" Hose	6,050 ft.
¾" Hose	1,605 ft.
Ladders	585 ft.
Inspections 23	

BREAKDOWN OF CALLS RECEIVED

3 Box Alarms	January 22, Box 62
	April 21, Box 57
	June 1, Box 41

- 6 Chimneys
- 6 Rural
- 1 Funnel
- 1 Sprinkler
- 7 Oil Burner
- 2 Dump
- 3 Grass
- 3 Needless
- 1 Children Playing with Matches
- 15 Other Calls
- 34 Miscellaneous

You will notice there has been quite a decrease in calls received during the year 1959.

It is my opinion that the number of inspections over the last few years are being noticed at the time of this report.

It is my earnest hope that my successor will keep up the inspections. They pay off.

It has been a pleasure to serve this community for the past forty-eight years. My thanks to the people who have helped to make the work a little more pleasant since I took the oath of office as Chief in 1947.

HOMER R. LUCK, Chief

Report of the Norway Planning Board

To the Selectmen and Citizens of the Town of Norway:

The Norway Planning Board is pleased to submit its annual report for the year 1959.

Although application was made to the State of Maine and the Federal Government for the second phase of our Master Plan program late in 1958, approval did not come until June 1, 1959. This was due largely to the failure of Congress to appropriate the necessary funds. Consequently, it was necessary for us to amend the scope of our proposed \$5,600 program to a program that could be completed for \$4,790 and which would be approved by the federal authority.

WHY?

KEEP MAINE GREEN

Woodland fires are very risky.
So keep Maine green in 1960!

After much deliberation, a program was agreed upon and authorized which will give us most of the essentials of the original proposal with some of the details omitted. The program, when completed, will provide the following: Community Facilities Study (schools, library, police, fire, recreation, other town buildings and property); Circulation Plan (streets, parking); Utilities Plan (water system, sanitary and storm sewage systems); Land Use Plan; Comprehensive Plan (bringing together of all units); Codes and Ordinances; and a Capital Improvements Plan and Program.

A major portion of our efforts since the program was authorized have been directed to a proposed zoning ordinance. We are pleased to report that this is in the final stages and will be ready for presentation in the next few weeks. It had been hoped that it would be ready prior to Town Meeting, but the delay in authorization prevented this. Presentation will be in the form of preliminary hearings with the final disposition being determined at a special Town Meeting.

Work has also been done by the board on the Community Facilities Study. Along this line an investigation has been conducted of the present recreational facilities and future needs. In connection with this we have been in contact with the Central Maine Power Company, State Park Commission and the Department of Health and Welfare. Through the efforts of Senator Margaret Chase Smith, a reconnaissance of Pennesseewassee Lake and Bird Brook drainage areas was made by the Engineer Division, Department of the Army, from Boston in November 1959. It was hoped that funds might be available from this source for improvement of drainage in these areas; however, the minor flood control benefits to be derived prevent further assistance from this authority.

The Norway-South Paris sewage disposal survey being conducted by Wright and Pierce of Topsham will soon be completed and it is expected this will be of great assistance to our future planning.

It is being requested that the unexpended balance approximating \$365 of the 1959 appropriation of \$500 be reappropriated and an additional \$1,000 be appropriated in 1960. It is expected about \$500 will be necessary for printing of the Phase Two report and zoning ordinance. Preliminary studies in problem areas should be started and would require at least \$700. The balance will be needed for special meetings, legal notices and miscellaneous expenses.

The benefits of planning will soon become apparent. We urge every citizen to study the second report when it becomes

available. Serious thought must also be given to the proposed zoning ordinance. This will be your own ordinance and must be approved by you before it becomes enforceable.

Respectfully submitted,

NORWAY PLANNING BOARD

Members:

FRANK W. BJORKLUND,

NORMAN U. GREENLAW,

JAMES A. PHILLIPS,

ROY R. STROUT,

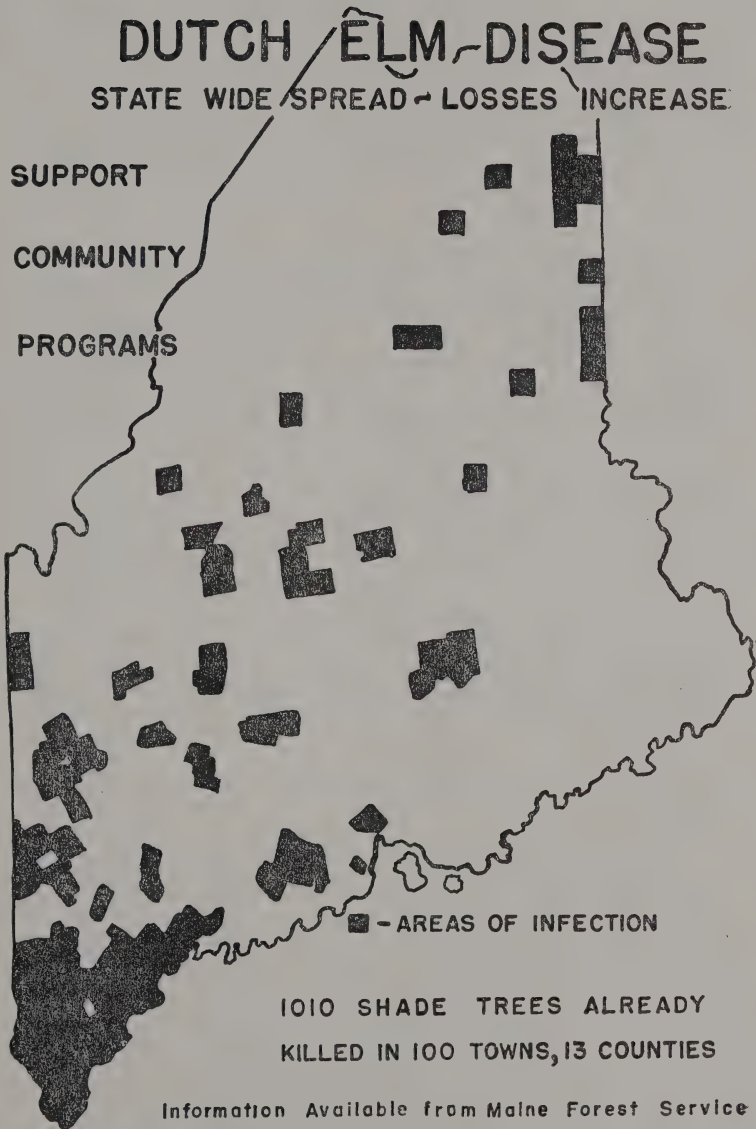

WINFIELD O. PARTRIDGE,

Chairman

CLAYTON E. HEATH, JR.

ALTON N. THURSTON.

Warrant for 1960 Town Meeting

State of Maine

County of Oxford, ss.

To Robert C. Sallies, a citizen of the Town of Norway, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Norway, in said County, qualified by law to vote in town affairs, to meet at the Norway Fire Station, in said town on (Monday) the 7th day of March, A. D. 1960, at 11:45 o'clock in the forenoon then and there to act on Articles numbered 1 and 2; And, to notify and warn said voters to meet at the Norway Opera House in said town, on (Monday) the 7th day of March, A. D. 1960, at 7:30 o'clock in the afternoon, then and there to act on Articles 3 through to 65; all of said Articles being set out below, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance of Town Meeting.

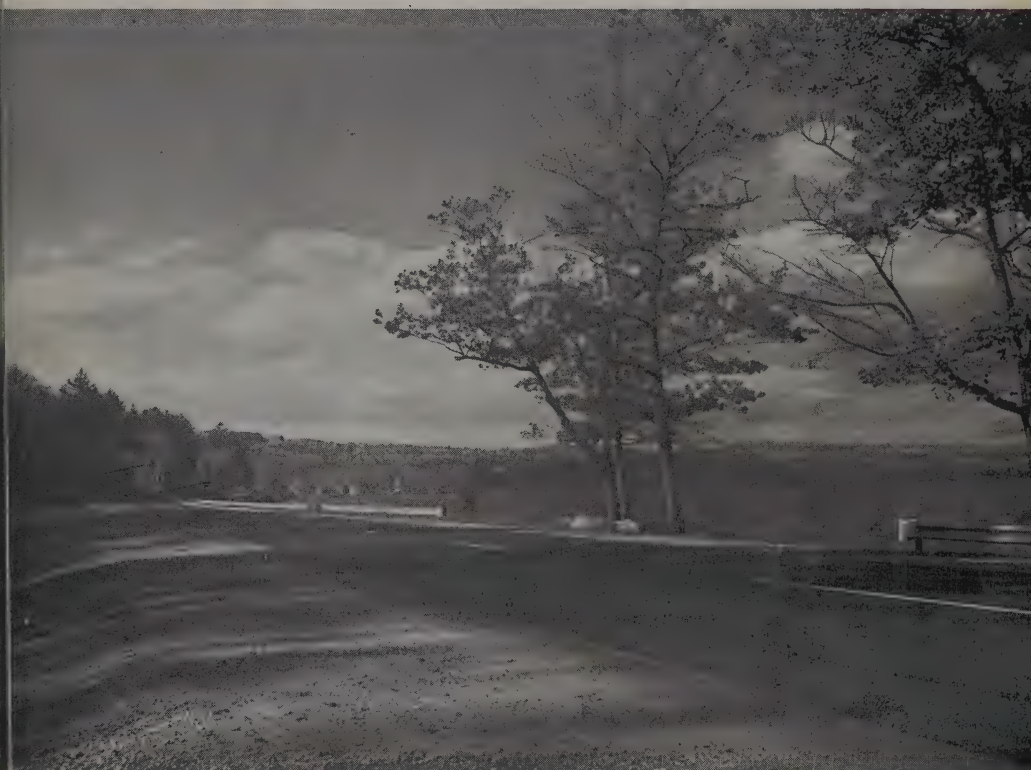

If copies are left at home there may not be a sufficient number at the hall to go around on Town Meeting day, so please bring this copy to the meeting.

Letter of Transmittal

To the Honorable Selectmen and Citizens of the Town of Norway:

It is with pleasure that I present this, my fourth annual report as your Town Manager.

Including in this report are the financial transactions of all town departments along with commentary reports from various departments, and the Auditor's report in full.

Your tax dollar continues to be one of your best investments for better education, better roads, health and welfare, and protection.

Again I wish to express to the Board of Selectmen, all town employees, and the citizens of Norway, my sincere appreciation for their assistance and cooperation.

Respectfully submitted,

DONALD F. McALLISTER
Town Manager

Report of Town Manager

To the Board of Selectmen and Citizens of the Town of Norway:

I herewith submit to you my annual report on the municipal activities of the Town of Norway for the year 1960, it being the eighteenth year under the Selectmen-Town Manager form of government.

GENERAL GOVERNMENT

As required by law, the Auditor's report is published herewith in full. Interested citizens of the Town of Norway may have access to any of our records or reports at any time. Public relations is everything we do or fail to do, which contributes to the general public attitude toward us and our organization. The words "the Town of Norway" are your concern and mine. What we strive for through better public relations is the creation of a town organization which is pleasing to the folks who pay the bills. Here at the town office and throughout our municipal organization it is our desire to help people. Norway is a fine town and we in your municipal organization are always mindful, "The only reason we are here is to help the people of our Town."

SANITARY SEWERS

Removing the solids from our sanitary sewers is still under study. The reports from Wright & Pierce, consulting engineers, have been received and their recommendation is that a treatment plant be constructed. The following is the cost and rate structure:

Basic costs:

Treatment Plant	\$105,000 00
Federal and State Aid	105,000 00

Total	\$210,000 00
-------	--------------

Construction of new sewer lines to treatment plant	135,000 00
--	------------

Total estimated to the Town of Norway	240,000 00
---------------------------------------	------------

Estimated yearly operation expense	19,900 00
------------------------------------	-----------

Estimated cost of users	58,200 00
-------------------------	-----------

Estimated 700 families now served by sewers.

\$58,200.00 divided by 700=\$83.14 per family per year.

The Selectmen are of the opinion that the cost of \$83.14 per year per family is a prohibitive tax to pay for most of us and have looked for other means to lower the cost.

Sewer ponds and the lagoon systems for treatment of sewer solids are working out very successfully in the middle

western part of our Country. Their climate and soil conditions are much the same as ours and the Selectmen have reasons to believe that a Sewer pond or a lagoon system would function satisfactorily for the Town of Norway. The yearly operating cost would be less than \$1,000.00 and the estimated cost to users would be about \$35.00 per family per year.

The Duffill Associates, Inc. of Boston, Massachusetts are engineers with experience in Sewer pond and lagoon systems and they would make a survey of the land available for this purpose for a fee of \$1,000.

MISCELLANEOUS

I would like to recommend that improved street lighting for Main Street be installed. New street signs be erected, a storm sewer for Beal Street and parts of Tucker and Winter Streets be laid.

WINTER HIGHWAYS

Don Hunt and his highway crew have done an excellent job in keeping our streets and roads open and snow removed at intersections, etc. At times they work for 30 hours steady without rest and never once have they complained.

We use about 300 tons of salt and 3000 yards sand on the streets and roads each winter.

BRIDGES

The Greenleaf Avenue Bridge will have to be raised about eighteen inches (18") and the Sodom bridge needs a new wooden plank deck.

SUMMER ROADS

The upper end of the Millettsville road was rebuilt with town funds. The Upton Ridge road and the Pleasant Street jobs were done with Town Road Improvement funds. Pine, Hazen and Fern Streets were rebuilt with parking meter funds as per Articles 47 and 48 in the 1959 Town Warrant.

State Aid money was again held over to 1961 at the request of the State Highway Commission. We will rebuild a section of the Millettsville Road between Stanley Thurston's Farm and Arthur Jackson's.

We applied 35,525 gallons of tar to our highways in 1960. This is money well spent for it will do away with costlier maintenance repairs.

For 1961 Walker Street should be rebuilt and part of the Don Wood Road off Routes 117 and 118. Town Road Improvement fund should be spent on the Sodom Road.

SIDEWALKS

A new sidewalk was built on the south side of Beal Street from Marston Street to Winter, and a new sidewalk was built on Water Street by the W. H. Hinman, Inc. The Town paid for half the cost.

This year 1961, we will do considerable repair work on our present sidewalks.

WELFARE

In 1957 when I took over as Town Manager, we were spending about \$17,000 on Welfare. This past year, 1960 the cost was \$3,215.83. This has been accomplished by working with the State and Federal Agencies and making the able-bodied men work. On one case alone the Town was reimbursed about \$2,000.

SEWERS

The sewer system has given us very little trouble this year. We have cleaned several lines and by using Sanfax, a highly caustic compound, have kept sewer maintenance at a minimum.

The Greenleaf Avenue Sewer was completed late in the Fall of 1960. \$3,500 was appropriated for this sewer, but due to the excessive amount of ledge and rocks, the appropriation was overdrawn \$6,062.86. Total cost of sewer was \$9,562.86. Half of the cost of this sewer will be paid by the abutters.

The construction of this sewer not only eliminates the pump that was so costly to operate (and a health menace) but opens up the Orchard Street district for future sewers.

TOWN DUMP

Charles Dodge has done a good job in managing the Dump. This year, 1961, I would like to purchase a small dozer so that it would be available at all times to Charlie to keep the rubbish pushed back. It will mean a better kept Dump.

PROTECTION

Robert J. Butters, in his first year as Chief of our Fire Department, has done an outstanding job. He instituted a training program for the firemen and has kept all fire equipment in excellent condition. For more information I refer you to Chief Butters' report.

Our small but effective Police Department has, as usual, given a good account of themselves. Firm in enforcing the laws but always ready to lend a helping hand. Over 1300 cars were stopped, 583 warnings were issued and 161 arrests were made in 1960.

PLANNING BOARD

The Norway Planning Board was formed in 1956 and since that time has put in hundreds of hours studying and preparing a Master Plan for the Town of Norway. A Proposed Ordinance was presented to the voters and Master Plan Report number 2 has been printed. Planning and Zoning is confusing to some but it is essential that Norway have both in the interest of "public health, safety, peace, morals, comfort,

convenience and general welfare," and to give us guidance in those activities which affect the physical form of our town.

The Selectmen, as well as I want to compliment the Planning Board for their efforts and cooperation.

EQUIPMENT AND GARAGE ACCOUNT

The new addition to our Town Garage has solved our housing problem for the town equipment. \$16,969.60 was raised to pay for this building but it was built for \$12,801.10.

New equipment purchased in 1960:

1960 Michigan Loader—125A Model

3-5 Ton Essex power roller

1960 Dodge Pickup Truck

For the year 1961 we will have to replace the 1952 G. M. C. truck and the 1951 Galion grader.

Don Hunt and his crew have as usual done all the repair work on our fleet of motor vehicles.

To all Town officials, employees and the citizens of Norway, thank you for your loyalty and cooperation, it has been my privilege to work with you and for you.

Respectfully submitted,

DONALD F. McALLISTER,
Town Manager

Librarian's Report

Norway, Maine

January 1, 1961

To the Trustees of Norway Memorial Library:

I herewith submit my report for the year ending December 31, 1960.

Circulation for 1960—30,523 books.

114 books were borrowed from the State Library.

LIBRARY ACTIVITIES

National Library Week was the high light of the year's activities. A week long program was held which included Old Time Norway Night, the Hi-Li Bowl adapted from the TV College Bowl, a visit from the State Bookmobile, and a story hour for children. These were well attended, and the library is grateful for the excellent publicity given it by the newspapers and radio station and by the merchants who had window displays.

The summer program included six story hours conducted by Mrs. Bradford Towne and a series of hobby displays which included minerals and shells, stamps, and coins, miscellaneous hobbies and models. The reading program for the summer was exceptionally well received. At least sixty children signed up, and more than thirty completed their cards which were to be taken to school at the opening of the school year.

Other exhibits included Lincoln's Birthday with interesting material contributed by local people, Spring Book Festival with award winning children's books, United Nation's Week with a display of United Nation's stamps, National Book Week, the new fall books for children, and Christmas with decorations of greens, Christmas books and cards, and a fire in the fireplace.

During Book Week a contest was held for the children to select a name for Misty's colt. This was a nation-wide con-

test sponsored by the Follett Book Company with a prize of \$1,000 to the winning library. The local winner was awarded a copy of "Misty of Chintoteague" by Marguerite Henry. Several teachers brought their classes to the library during this week and at other times during the year.

The success of these activities is largely due to the trustees and to the many people who contributed time and material to them.

Respectfully submitted,

WINIFRED M. BICKFORD,
Librarian

Annual Report of Public Health Nursing Service

NORWAY—1960

Public health, in simple terms, is the sum total of the health of individuals and families living in a community. An organized program for public health is one that offers those individuals and families every possible chance of living and enjoying life, free from the handicaps of preventable disease and disability. In more formal terms, the objective of a public health program is to bring to all the people the benefit of modern medical and related sciences including the care and rehabilitation of the sick and disabled, the promotion of healthful living, and the prevention and control of disease.

A number of people are involved in the attaining of this objective. All together they make up a "health team". The public health nurse is an essential member of this team. She shares in planning and action with other workers in the fields of health, education, and welfare; with physicians, hospitals, clinics; with school personnel; with citizen groups. One of her important functions is coordination with the others involved to provide public health services to individuals, families, and community. Citizens of the community are also essential members of the health team. Alert to the health needs of their community, taking their share of responsibility to meet these needs, their contribution as health workers is indispensable to the effectiveness of the public health program. A vital, dynamic, working "health team" in the local community strengthens the public health not only of that community, but also of the State and the Nation.

A summary of public health nursing services for the Town of Norway follows:

School Health Services:

Audiometer Tests for Hearing—349

Communicable Disease Control:**Poliomyelitis:**

Firsts—99

Seconds—77

Thirds—71

Fourths—664

The Adult Polio Clinics were sponsored by Circle Seven of the Women's Fellowship of the Second Congregational Church.

Tentative plans are being discussed for a school immunization clinic for Diphtheria, Tetanus and Smallpox in the spring.

There seems to be considerable interest among the parents of infant and pre-school children to have a series of Child Health Conferences. Any group wishing to sponsor these should contact your public health nurse for details.

It has been a privilege working in your town with all community leaders.

Respectfully submitted,

RUTH M. CHOATE, R. N.,
Public Health Nurse

Perambulation of the Town Line Separating Norway, Maine, and West Paris, Maine

Agreeable to Mr. Donald F. McAllister, Norway Town Manager, and Mr. Howard Gurney, West Paris Selectman, we met at 9:00 a. m., December 1, 1960, at the southeasterly corner of Greenwood and the northeasterly corner of Norway on the westerly line of West Paris at a stone monument marked "G-P" standing in the intersection of recognized stone walls marking the boundaries of Greenwood, Norway and West Paris. Just south of the stone monument mentioned is an old white ash tree bearing old scarfs and a marking "A-1910" in the wood. Thence S 4° + or - E following scarfed trees about 40 rods to a stone monument marked "N-P" standing on the southerly side of the old road from the Porter neighborhood or Jabez Buck's place in West Paris to Young Hill in Greenwood; thence S 5° E following recognized wire fence and wall to a stone monument marked "N-W P-S P" (installed in 1960) at intersection of stone walls marking the intersection of the West Paris and South Paris line with the Norway line and the easterly boundary of the Jackson property. Total distance about 1.6 miles.

C. E. DAVIS, C. E.

Perambulation of the Town Line Separating Norway, Maine, and South Paris, Maine

Agreeable to Mr. Donald F. McAllister, Norway Town Manager, and Mr. Percy L. Turner, South Paris Selectman, we met at 9:00 A. M., December 6, 1960, at the S. W. corner of West Paris and the N. W. corner of South Paris on the Norway town line, on the easterly boundary of the Jackson property, at the intersection of two recognized stone walls and marked by a stone monument marked "N.-W. P.-S. P.", said monument installed 12/5/60. Thence by recognized wire fence and wall S 7° + or - E to a stone monument marked "N-P" on the south side of the old Decosta road past the Paine place in Paris; thence following recognized wire fences and walls across open field on Bell place to recognized wire fence and walls to an open marsh, said course varying from S 5° to 4° E, thence across open marsh to Cottage Street and 4 rods south of Cottage Street to a stone monument in a ditch, marked "N-P"; thence N 80°-45' E about 107 rods to the middle of Alpine Street—"Rumford Road"—(a stone monument marked "N-P" stands on this course on the easterly side of the road); thence southerly along the middle of Alpine Street to the intersection of Alpine, Paris and Fair Streets (opposite the northwesterly corner of the Fair Grounds); thence S 24°-30' E two rods to a stone monument marked "N-P"; thence on same course, S 24°-30' E, about 52½ rods to a stone monument marked "N-P" in said Fair Grounds; thence S 43°-40' W about 53 rods to a stone monument marked "N-P"; thence S 45°-15' E about 122 rods to a stone monument marked "N-P" near the Little Androscoggin River; thence on same course, S 45°-15' E, to the middle of said river; thence down the river about 151 rods to the original town line; thence on said original line S 1°-45' E to a stone monument on the easterly bank of said river to a stone monument marked "N-P"; thence on the same course, S 1°-45' E, about 50 rods to a triangular stone monument marked "N-P-O", being the southeasterly corner of Norway on the westerly line of South Paris and the northwesterly corner of the town of Oxford. Total distance 5.7 + or - miles.

C. E. DAVIS, C. E.

Norway Pioneers Forestry Project

Is your woodlot well-managed?

Norway, along with Bridgton, Harrison, and Waterford, has been selected as part of a pilot project, one of three in the East, to study forest productivity. The project is called the FOREST UNIT PRODUCTIVITY PROJECT and is sponsored by the Maine Forest Service in cooperation with other agencies. A committee of community leaders is working on the subjects of town forests, timber stand improvement, tree planting, tree farms, forest protection, forest finance, forest laws, and others in an effort to find better methods and means to step up all phases of forest productivity and the other multiple use values of recreation, wildlife, and water-supply. The Project is designed to be beneficial to your town and to serve as a model guide for other communities in Maine and in other states.

YOUR WOODLOT is an important part of the 23,411 acres of forest land in Norway. How your woodlot and neighboring lots are managed today will determine whether the predicted demand of twice the present consumption of wood will be met in the year 2000. By proper management YOUR WOODLOT can continually produce more and better quality wood and will assist in the payment of taxes, education for your children, and insuring additional income in the retirement years. Weeding, which is the removal of undesirable trees; proper harvest cutting; thinning, to give trees more room to grow; and pruning, to produce quality trees, will pay dividends for YOU, Norway, the State of Maine, and the nation.

The wood industry ranks No. 1 in importance to the Maine economy. It ranks very high in Norway since the 6 wood-using mills employ 515 people and produce nearly \$5,000,000 worth of wood products each year. Gross wages from wood-using mills in the 4-town project area total \$2,250,000 per year. WOOD IS IMPORTANT TO YOUR TOWN.

For additional information or assistance, contact your selectmen or the Maine Forest Service in Augusta, Maine.

AUSTIN H. WILKINS
Forest Commissioner
Maine Forest Service

WAYNE L. JACKSON
Unit Forester
South Paris, Maine

Annual Report of the Health Officer

Free vaccination against small pox was offered the citizens of Norway during the month of May.

The following is a list of communicable diseases reported during the year:

German Measles, 78 cases.

Measles, 30 cases.

Chicken pox, 8 cases.

Mumps, 4 cases.

Streptococcal nasopharyngitis, 2 cases.

Respectfully submitted,

Report of Fire Department

To the Citizens of the Town of Norway, I herewith submit my report for the year 1960.

ALARMS

Bells 6 Stills 50 False Alarms 2

OUT OF TOWN FIRES

Lewiston 1
 Portland Pipe Line 2
 East Stoneham 1
 North Waterford 1
 Oxford 3

FIRE LOSSES

Buildings	\$ 8,000.00
Contents	4,450.00
Total	<u>\$12,450.00</u>

HOSE AND LADDERS USED

1,190' booster hose
4,100' 1½" hose
1,550' 2½" hose
260' ladders

PUMPERS

The truck purchased from the Farrar Motor Company has proven itself very satisfactory. The pumps were all tested this summer and will pump to their rated capacity.

The chassis on Engine Three is not in the best condition. In the near future some steps will have to be taken to repair or replace this piece of equipment.

TRAINING PROGRAM

In the month of June a training program was set up for the members of the department. This training program is sponsored by the State Department of Education of which I am a member.

The instructors of this training program are paid by the State. The only expense the town had was gasoline and oil and a few cans of dry powder for the training of extinguishing oil and gasoline fires.

The two instructors were Lt. Thomas Mower of the Lewiston Fire Department and Lt. Vincent Gibertie of the Auburn Fire Department.

Twenty-five members of the Department received training on pumps, ladder work, breathing equipment, salvage, fire streams and resuscitator.

It is the feeling of your Chief and Engineers and of the members of the Department that it was time well spent.

I would like to thank the Town Manager, the Board of Selectmen, Mrs. Smith and Mrs. Thorp for their full cooperation.

I would also like to thank my two Assistant Chiefs and all members of the fire department for their fine cooperation.

Respectfully submitted,

ROBERT J. BUTTERS
Fire Chief

Attention Veterans

REVISED STATUTES, 1957, CHAPTER 91A SEC. 10 AN ACT RELATING TO EXEMPTIONS FROM TAXATION OF VETERANS

"Sub-Section III. The polls and estate of all persons who by reason of age, infirmity or poverty are in the judgment of the assessors unable to contribute toward the public charges; the estate up to the value of \$3,500 of all persons determined to be blind within the definition provided by sections 298 to 318, inclusive of chapter 25, who are receiving aid under the provisions of said sections; but no property conveyed to any persons for the purpose of obtaining exemption from taxation under this subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance, whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such person taxable in the state." (1953, c. 291, Sec. 1. 1954, c. 92, Sec. 10.)

"The polls of all soldiers, sailors and marines who served in the army or navy of the U. S. in the Philippine Insurrection or any federally recognized war period prior thereto, or who served in World Wars I or II or the Korean Campaign who receive state pension; the polls of all soldiers, sailors or marines who are receiving pension or retirement pay or compensation or vocational training from the United States government on account of disability incurred in or aggravated by service in said wars; and in the estates up to the value of \$3,500 of veterans who served in the armed forces of the United States during any federally recognized war period, including the Korean campaign, who were honorably discharged or honorably separated and retired to the reserve, when they shall have reached the age of 62 years or are receiving any form of pension or compensation from the United States Government for total disability, service connected or non-service connected, as a veteran; and the estates up to the value of \$3,500 of the unmarried widow or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the federal government as the widow or minor child of a veteran: **provided, however, that no person shall qualify for such exemption unless the veteran upon whose record the exemption is claimed was a legal resident of this**

state when he entered the military service of the United States or unless such veteran or his widow has been a legal resident of this state for at least 10 years prior to making the claim for exemption; and provided further that any person hereinbefore enumerated who desires to secure this exemption shall file written proof of entitlement on or before the first day of April with the assessors of the town in which he resides, whereupon the assessors shall grant such exemption to such person while so qualified or until notified of reason or desire for discontinuance; but no property conveyed to any person for the purpose of obtaining exemption from taxation under the subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such persons taxable in the state. — — —" (1947, c. 29. 1951, c. 1957, Sec. 3; c. 160. 1953, c. 265, Sec. 6; c. 291, Sec. 2 1954 c. 92—Sec. 10.)

Civil Defense and Public Safety

The year just past has been fairly quiet in the Civilian Defense setup.

We are having the usual trouble of complacency in the public's mind that the need for Civilian Defense and Public Safety is not urgent.

Now more than ever, with the ever mounting tensions all over the world, is the time for all of us to take heed that at anytime some International, National or Local disaster may be upon us.

Here in Norway, we are trying to hold a nucleus of trained personnel so that in the event of emergency there will be some semblance of order amid the usual stampede of panic, etc.

I wish to thank our Town Manager and Selectmen for their splendid cooperation, also all the Staff, Police, Communications, Feeding Teams and First Aid for a job well done.

Hoping that 1961 is a much better year for all of us.

Respectfully submitted

CARL SANDSTROM

Director of Civil Defense and
Public Safety

DONALD F. McALLISTER,
Treasurer

Report of Sealer of Weights and Measures

To the Selectmen of the Town of Norway, Maine:

I herewith submit my report as Sealer of Weights and Measures for the Town of Norway for 1960.

Number of Scales tested	94
Number of gas pumps tested	41
Number of oil pumps tested	6

Respectfully submitted,
WILLIAM H. CARD
Sealer of Weights and Measures

Town Clerk's Report

DECEMBER 31, 1960

To the Selectmen and Citizens of the Town of Norway:

The following returns of births, marriages and deaths have been made to this office for the year 1960:

BIRTHS

Number of births reported	303
Number of males	149
Number of females	154
Number of births occurring in town	277
Number of births occurring out of town	26
Number from town	68
Number from out of town	209

MARRIAGES

Number of marriages reported	66
Grooms:	
Number of widowers	2
Number of divorced	13
Oldest at marriage	75
Youngest at marriage	16
Brides:	
Number of widows	4
Number of divorced	10
Oldest at marriage	72
Youngest at marriage	15
Average age of groom at date of marriage	26
Average age of bride at date of marriage	23

DEATHS

Number of deaths reported	110
Number in town	89
Number out of town	21
Number of males	61
Number of females	50
Oldest at date of death	95
Youngest at date of death	1 hr. 15 min. (1¼ hr.)
Average of at date of death	68.1

Town Clerk

Report of Norway Planning Board

To the Selectmen and Citizens of the Town of Norway:

The Norway Planning Board is pleased to submit its annual report for the year 1960.

The second phase of our Comprehensive Master Plan Program was completed late in the year, and Master Plan Report Number Two has been submitted to the Selectmen for study. It was hoped the report could be printed for distribution to the taxpayers prior to the 1961 Town Meeting, as was done with Master Plan Report Number One; however, the late completion date prevented this. It is planned to print and distribute the report as early as possible in 1961 at an estimated cost of \$500.

Many recommendations and suggestions are included in the report, and for the details of these we refer you to the report.

At a Special Town Meeting held on January 9, 1961, adjourned from December 12, 1960, because of inclement weather, the Proposed Zoning Ordinance was defeated by 166 to 64. Although four public hearings were previously held to acquaint the voters with the ordinance, it was evident at the Special Town Meeting, that considerable misunderstanding of the proposed law still existed. It was also evident following the meeting that much of the opposition feels some form of zoning is needed. Accordingly, we would recommend further effort to present an acceptable ordinance.

In November, the chairman and two other members attended the Planning and Zoning Symposium conducted at the Annual Meeting of the Maine Municipal Association in Portland. The meetings were very informative and instructive, and it was evident that much is being accomplished throughout the state in planning and zoning fields.

At the 1960 Town Meeting, the 1959 unexpended balance of \$363.91 was reappropriated and an additional \$1000 was raised and appropriated. Our expenditures for 1960 amounted to only \$140.06, and an unexpended balance of \$1227.85 remains. The reason for this balance is that due to the delay in completing the second planning report, the expense of printing and distribution of the report has not yet been incurred. Also, we had anticipated more detailed study and investigation of special projects which time did not permit. The expenses incurred were primarily for printing the Proposed Zoning Ordinance and miscellaneous expenses. Again, we are requesting reappropriation of the unexpended balance for the printing of the second planning report, continued zoning work, and some detailed studies, particularly a capital budget program and parking authority.

We wish to extend our sincere appreciation to the Selectmen and Town Manager for their generous help and cooperation.

Respectfully submitted,

NORWAY PLANNING BOARD

Important

NOTICE TO TAXPAYERS

ALL TAXPAYERS SHOULD READ THE FOLLOWING REQUIREMENTS AND COMPLY WITH THEM:

"Sec. 34, Ch. 91A, Revised Statutes of Maine, 1957. Assessors to give notice to bring in lists of taxable property; if no lists are brought in, no claim for abatement. Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is hereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayers."

Report of Superintending School Committee

To the Citizens of Norway:

The Financial Statement for 1960 has been shown on the preceding pages and clearly indicates the receipts and expenditures. The small unexpended balances are a result of careful planning of the 1960 budget.

This year in our report we believe that we have moral responsibility to discuss briefly the so-called Sinclair Law, the Foundation Program and the possibility of consolidating our school system with a neighboring town. As this report is being prepared, the work of the Citizens Sinclair Study Committee is nearing an end and it is possible that their report and recommendations may become available to the public before the Town Report is published; however, to clarify a few points or questions that many citizens probably have, we would like to give the following summary on the Sinclair Law.

Some three to four years ago a bill known as the Sinclair Bill was presented to the legislature with the result that certain parts of the bill were enacted into law. The State laws governing education are laws that we must live with and abide by until such time as they are changed or amended. The Sinclair Law basically was a money bill—the members of legislature feeling that the State should share a larger portion of the cost of education. The legislature, however, put certain restrictions on or made certain requirements of school systems before they could participate in the increased subsidies. Basically, they require that a Foundation Program be met which principally requires a pupil-teacher ratio of 30-1 in the elementary schools and 25-1 in the secondary schools, that teachers be paid salaries not less than those prescribed by the minimum Teachers State Salary Schedule and that schools be of sufficient size in student population to allow for proper curriculum and quality education. For those small school systems unable to meet the Foundation Program by themselves, the law provides certain ways for them to join together and become known as a school district. Provisions were made for substantial subsidies in any new buildings undertaken by a school district plus additional subsidy for the cost of operating a school district.

Your School Committee has attempted since December, through reports in the local newspaper, to outline the various

facts that all voters should be aware of before attempting to decide how they feel about consolidation. In order for this town to have an accredited school and meet the Foundation Program, considerable capital expenditure is necessary. The law provides for loss of subsidy if the Foundation Program is not met, but at the present time there is no penalty for not being accredited although, in all fairness, we should say that there might be at a later date a penalty through loss of subsidy for not being accredited. It is also possible that graduates from accredited high schools may in the future receive first consideration from colleges. Your School Committee, being involved almost daily with discussions of various matters regarding your school system and its needs, sincerely believes that joining in a school district with the neighboring Town of Paris is the most practical and feasible solution to the problem from an educational viewpoint. The members of the Committee, however, feel that they have a moral responsibility to conduct whatever type of school system you desire so that it will bring the most good to the most number of people at all times.

In the meantime, we must prepare ourselves to continue as in the past until such time as the voters may instruct otherwise. Accordingly, we present the following budget for your approval. In studying the 1961 budget you will note that an overall increase of almost \$25,000 over the previous year has been requested. The principal needs for the increased amount are as follows:

- | | |
|--|----------|
| 1. Increases in salaries in accordance with the Teachers Salary Schedule | \$10,000 |
| 2. An additional teacher, a woman instructor for girls physical education and health | \$ 1,850 |
| 3. Increase in conveyance contracts | \$ 1,800 |
| 4. Needed text books and typewriters | \$ 1,000 |
| 5. Materials available on a 50/50 basis under the National Defense Act | \$ 500 |
| 6. Insurance Policies | \$ 1,600 |
| 7. Repairs (Principal item being need for new heating unit) | \$ 1,300 |
| 8. School Lunch (Increase necessary to pay portion of repairs to Firemen's Hall) | \$ 500 |

9. Loss in subsidy due to State Valuation being increased	\$ 5,000
10. Loss of supplemental subsidy	\$ 4,000
	<hr/>
	\$27,550
Less larger unexpended balance	\$ 2,550
	<hr/>
	\$25,000

The estimated State subsidy is based on receiving 100 cents on the dollar after applying the formula that is used by the State Department of Education. It is possible that the legislature could grant more or could grant less, but since the answer to this probability will not be known until long after Town Meeting, the best calculated risk seems to be to plan on the legislature granting 100 cents on a dollar using the existing foundation formula.

1961 BUDGET

Elementary teachers	\$ 93,929 77
Secondary teachers	72,156 86
Handicapped children	500 00
Janitors	7,600 00

Respectfully submitted,

ROSCOE A. DOWNING, Chairman

GORDON F. GRANT

ELINOR P. RYAN

Superintending School Committee

Report of the Superintendent of Schools

To the Superintending School Committee and the Citizens of Norway:

I herewith submit to you my annual report of the Norway schools for the year ending December 31, 1960.

Schools opened September 6 with a teachers' meeting for all teachers in union number twenty-one. Mr. Maurice Dore replaced Mr. John Theriault who accepted a position in Waterville. Mr. Clifford Jordan did not return, and Mr. Nicholas Clements replaced him as teacher of science. Mrs. June Bachelder transferred from Welchville to grade four, and Mrs. Alice Averill transferred to the Tucker Street Primary School.

ACCREDITATION

There has been a press release in the Advertiser-Democrat of the letter from the State Department of Education relative to accreditation. Dr. Joseph J. Devitt and Mr. Emery S. Dunfee made a re-survey the latter part of December, 1960. The requirements did not change too much from the original requirements. The essential requisites are enumerated as follows:

1. Certified guidance counselor, the pupil-teacher ratio being four hundred to one. With our present enrollment of three hundred fifty-seven in the six-year high school, this would mean nearly a full-time instructor and space for the same.

2. The letter stated that despite the fact that the high school library has excellent reference materials and that the town library is outstanding, a library within the school is necessary for good instruction. The standards for such a library would be a certified librarian one period per day for each one hundred pupils enrolled, a collection of at least ten usable books per pupil, space for storage of these books, and library tables and seating for at least ten per cent of the pupils enrolled. This means additional space which is not at present available.

3. A formal course in health education for all pupils in grades nine through twelve.

4. More typewriting space should be provided, as the present typewriting room is inadequate. More space must be provided for teaching office practice effectively.

5. More laboratory space must be provided, including laboratory tables wired for A. C. Current. Additional storage space to be provided, chemistry

classes limited to twenty-four pupils, and an additional science room provided to teach biology efficiently as the present laboratory is not adequate.

6. Although a few years ago we remodeled the home economics department, the letter pointed out that the requirements outlined by Mrs. Fettinger, state supervisor, should be met before September 1, 1963, for approval of vocational home economics.

All the foregoing items mean that more space is needed. I quote, "The fact of the matter is that Norway High School has had a strong faculty and excellent leadership for many years. A visitor is impressed by the quality of the work that has been and is being accomplished under difficult circumstances. Almost all of the barriers to state accreditation are caused by the lack of space which prevents a very good program from being a superior one."

These reports are on file in the office and are available to any citizen who wishes to read them. In conclusion on the subject of accreditation, may I state that it is not at this time mandatory. However, there is a possibility that your high school should be accredited if its graduates are not to be discriminated against in the future from entering institutions of higher education.

REPAIRS

The school buildings are in excellent repair with the exception of the high school. The paint on the walls is peeling off in patches, especially in the lower corridor. It is the universal opinion of all experts consulted that the walls were not allowed a long enough period in which to cure before being painted. This resulted in a chalking condition which causes the paint to peel. The answer to the problem seems to be to remove all the old paint, wash the walls to neutralize the chalk condition and size them before painting. This is an expensive operation from the experience we had on one panel in the corridor on which cost data were kept. This, however, is the cheapest method if the test panel proves to be satisfactory.

The repairs needed for the year 1961 include replacement of the stoker which is practically worn out. We have had two breakdowns since cold weather commenced. We shall be lucky if we do not have more before the close of the year.

The next in importance will be the decorating program started in the high school building.

SCHOOL LUNCH

For the last few years in my report I have written about the inadequacies of the school lunch program. The chief problem seems to be the lack of space and proper equipment. The best we could do with the present facilities was to get a temporary license to serve meals. In addition to this, a com-

mittee from the firemen held a meeting with Mr. Downing and me and frankly stated that they thought the town should provide the school children with an approved cafeteria. It seems to be problematical whether we shall be able to have the lunch program after the present school year.

MILK PROGRAM

We are serving milk to all school children who wish it in all grades. In the elementary schools this is dispensed directly to the children in their classrooms. In the high school it is dispensed from a vending machine. The only comment I would like to make is that most children drink chocolate milk instead of plain milk which would be better for them from a health viewpoint.

HIGH SCHOOL

The enrollment in the high school this fall in grades seven to twelve is as follows: grade seven 67, grade eight 72, grade nine 81, grade ten 60, grade eleven 66, grade twelve 48. The number of drop-outs is twenty-two, the number entering after the start of school is four, making a net enrollment of three hundred seventy-six in the six-year high school at the time of writing this report. Of this registration, there are sixty-five tuition pupils as follows: Waterford 28, Oxford 14, Otisfield 13, Harrison 8, and Hebron 2, making a net enrollment in grades seven to twelve, of three hundred eleven pupils from Norway.

The new teachers are adjusting themselves to the regular routine of the school, and the faculty has taken on its shoulders many of the minor duties that the principal would ordinarily assume. I would like to say that Mr. Roberts has been a fine leader during the interim between the death of Mr. Rowe and the time when the new principal assumes his duties.

The sudden death of Mr. Rowe was a great shock to me, the faculty, the student body, and his townsmen. He was a friend to his teachers and students. His devotion to his work and school was well known, and Norway High School was ever uppermost in his mind. I greatly admired and respected Mr. Rowe and enjoyed working so closely with him. I am sure that the citizens will remember him as an excellent teacher and a friend, one to whom they could come with their problems.

In selecting Mr. Rowe's successor, the school committee spent many long hours in analyzing the papers of prospective candidates, interviewing them, weighing their merits and experience. On January 7, 1961, the committee met at 9:00 A. M. for the purpose of holding final interviews with the seven candidates selected for appearance before them. By late afternoon they voted to elect Mr. Robert S. Spear, principal of Winterport High School. Mr. Spear comes to us with an en-

viable record as an administrator. I believe he will be an able successor to Mr. Rowe and will maintain the high standards of our high school.

CONCLUSION

I would like to express my appreciation to the members of the superintending school committee, the teachers, the town officers, and other personnel for their kind cooperation through the year. It has been a pleasure to be associated with them.

Respectfully submitted,
LESTER B. HARRIMAN
Superintendent of Schools

Report of the High School Principal

To the Superintendent of Schools, the Superintending School Committee, and the Citizens of Norway:

I herewith submit for your consideration a report of the progress of Norway High School for the past year.

Forty-five seniors graduated in June, 1960. Of this group, seven are in college, one in x-ray technician school, and nine in the armed forces. Generally speaking, the others are employed in various types of endeavor in the immediate vicinity.

Enrollment as of September 8, 1960, was two hundred fifty-one. Drop-outs because of work or marriage, transfers to other schools, and new enrollments make the figure as of January 25, 1961, two hundred thirty-six. This compares favorably with the enrollment of the past few years.

Because of the resignations of Mr. Jordan and Mr. Theriault, Mr. Maurice Dore and Mr. Nicholas Clements were hired as replacements. Both are recent graduates of the University of Maine and are working well into the school system.

Members of the faculty, the student body, and citizens of Norway and surrounding communities were deeply saddened by the sudden and untimely death of our esteemed principal, Mr. Guy E. Rowe, on November 27, 1960. Despite this tragic loss, those who were concerned have attempted to carry on in the best tradition of Norway High School. All activities of former years are being conducted, and each teacher is carrying out his responsibilities in connection with these activities.

May I take the opportunity at this time to express my appreciation to the members of the school committee, Mr. Harriman, members of the faculty, and the students for their cooperation and loyalty.

Respectfully submitted
JOHN F. ROBERTS
Acting Principal

Report of the Elementary Principal

To the Superintendent of Schools, the Superintending School Committee, and the Citizens of Norway:

School opened in September, 1960, with approximately the same conditions prevailing as in the previous year. Our enrollment on January 16, 1961, was 464, and the average class membership was 33.15 in comparison to last year's average membership of 33.

In September, 1960, forty-five sub-primary and first grade pupils reported at the Norway Lake School. The pupils who rode on Eddie Snow's bus were transferred to the Upper and Lower Primaries. The number of sub-primary and first grade pupils which he carried equalized the enrollment in the primary schools.

We are continuing the same procedures in reading in the fifth and sixth grades as were in practice last year. This group of pupils is divided into four performance groups. This assures each pupil of the opportunity to participate with other pupils who have a similar reading level. If we had more available space and more teaching personnel, I would recommend smaller groups where still more effective teaching and learning could take place.

In our reading program we have introduced three reading laboratories which are used in grades four, five, and an advanced group of fifth and sixth grade pupils. These laboratories furnish an individualized developmental reading program, and they are supplemental to the required basic reading curriculum.

A problem of continuing concern in the teaching profession is that of adjusting instruction to the varied abilities and maturity of pupils in the average classroom. Have we neglected the pupil of above average ability or the pupil who requires more time than the average? There is a considerable range of ability in a classroom of thirty-five pupils. This year we are trying to consider more efficiently all abilities by permitting each pupil to progress at his or her own rate in arithmetic in grade five. It is a controlled situation, and special emphasis is placed upon accuracy in computation as well as mastery of new skills. It is a flexible program and readily adapts to the learning needs of pupils within a classroom.

We were very pleased to have the opportunity to begin an in-service training program for teachers in our union. The particular problems of communities vary, and a program which gives specific services to teachers is very satisfactory. Our workshop was held in March and was in the field of reading. We are planning to establish a program of this kind which will keep us informed of some of the newer procedures and practices.

We have added an opaque projector to our audio-visual program and a set of twenty-five science books to our library. These were bought with matching funds through the National Defense Act.

I would like to add in closing that the school year has been a very successful and pleasant one with excellent cooperation from teachers and parents. If you as parents do not understand some procedure or policy in your school, please feel free to inquire about it. We again urge you to visit your school and note your child's progress within the classroom.

Respectfully submitted,

WINONA Y. PALMER
Supervising Principal

STATE OF MAINE

AuditAugusta

February 7, 1961

Board of Selectmen

Norway,

Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Norway for the fiscal year ended December 31, 1960.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and was conducted by Auditor S. M. Emery of the State Department of Audit.

The audit analysis was on a basis consistent with that of the preceding year, and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

MICHAEL A. NAPOLITANO,
State Auditor

MAN:dt

Comments

TOWN OF NORWAY

JANUARY 1, 1960 TO DECEMBER 31, 1960

An audit of the financial records of the Town of Norway has been completed for the fiscal year ended December 31, 1960. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and other municipal officials.

The fiscal year's operations showed a gain of \$27,494.52 which was accounted for as follows:

Departmental Balances Lapsed	\$14,097 41
Actual Income Over Estimate	13,397 11
	<hr/>
Gain for Year	\$27,494 52

The unexpended departmental balances were noted particularly in the town poor and overlay accounts. The major overdrafts occurred in the abatement and town road improvement accounts.

The actual income received was \$34,397.11, as compared with an estimate of \$21,000.00 for the year. The additional income was lapsed to surplus.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general fund cash balance of \$44,825.49 was verified by reconciliation of a statement furnished by the Norway National Bank, Norway, Maine.

Accounts receivable amounted to \$622.44 which included for the most part sidewalk assessments and reimbursable expenditures made for State and other municipalities' welfare cases.

Taxes receivable totaling \$8,410.87 consisted principally of unpaid current year accounts.

Tax liens and tax acquired property amounted to \$1,006.29 and \$202.27 respectively.

Unpaid sewer assessments totaled \$3,065.83 and are summarized as follows:

Spring Street and Dean Avenue Sewers	\$2,510 70
Lower Main Street Sewer	555 13
	<hr/>
Total	\$3,065 83

RESERVES . . . The departmental accounts showed a net unexpended balance of \$20,702.61 representing various operating account balances and overdrafts that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an unexpended balance of \$712.55, as compared with an overdraft of \$1,674.54 in the preceding year.

SURPLUS . . . The unappropriated surplus amounted to \$36,635.57, an increase of \$5,038.25 for the year. This change was occasioned by the net unexpended departmental balance lapsed, the excess of actual income over estimate and the payment of a short term loan, less authorized appropriations to reduce the tax levy and to the Stephens Memorial Hospital.

DEBT FUND . . . The debt fund, incorporated in the balance sheet as a separate fund, reflects an outstanding Opera House note of \$10,000.00 and garage construction notes of \$7,801.10. These obligations mature during the ensuing ten years.

WORKING CAPITAL FUND . . . The cash balance of the working capital fund totaling \$2,509.71 was verified by reconciliation of a statement furnished by the Norway National Bank, Norway, Maine.

Current operations showed an increase of expenditures over receipts of \$178.39. Receipts totaling \$54,706.47 were derived principally from departmental use of equipment and a temporary loan which was paid during the year. Expenditures totaled \$54,884.86 of which maintenance expense and the purchase of new equipment were the major items.

RESERVE AND TRUST FUNDS . . . The capital reserve fund, which was established for the purchase of land and/or new school buildings, amounted to \$5,414.84 and is on deposit in the Norway National Bank, Norway, Maine.

The total amount of trust fund principals was \$3,782.00 and unexpended income amounted to \$3,983.67. These funds are on deposit in the Norway Savings Bank and the Norway National Bank. The increase in unexpended income was occasioned by the income from the Sanborn Fund.

DEPARTMENTAL ACCOUNTS . . . The departmental operating accounts showed an increase of \$372.43 in funds raised by taxation. Larger appropriations for the overlay and unclassified accounts, less smaller appropriations for protection, health and sanitation, and charities were the principal factors contributing to the increase.

The departmental balances carried forward to the ensuing year decreased \$5,620.86, as compared with the balances at the start of the year. The change appeared principally in the sewer construction and highway accounts.

GENERAL . . . The townspeople authorized the appropriation of \$25,000.00 from surplus and the application of estimated income to reduce the 1960 tax levy. The issuance of garage construction notes also was authorized.

SCOPE OF AUDIT

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

The cash accounts were verified by reconciliation of statements furnished by the depository or by direct confirmation. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

Debt, working capital, capital reserve and trust fund transactions were examined and balances were verified by direct bank confirmation.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Excise tax collections were verified with the copies of the receipts retained by the collector. Education account balances were checked with the Superintendent of Schools. Surety bond coverage was reviewed.

In our opinion, subject to the foregoing comments, the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1960, and the results of its operations for the year then ended.

KEEP MAINE GREEN

"Make sure YOU are the one
To keep Maine Green in '61"

Warrant for 1961 Town Meeting

State of Maine

County of Oxford, ss.

To Robert C. Sallies, a citizen of the Town of Norway,
GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Norway, in said County, qualified by law to vote in town affairs, to meet at the Norway Fire Station, in said town on (Monday) the 6th day of March, A. D. 1961, at 11:45 o'clock in the forenoon then and there to act on Articles numbered 1 and 2; and, to notify and warn said voters to meet at the Norway Opera House in said town, on (Monday) the 6th day of March, A. D. 1961, at 7:30 o'clock in the afternoon, then and there to act on Articles 3 through to 66; all of said Articles being set out below, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To elect all necessary town officers as are required to be elected by Secret Ballot, (R. S. C. 90-A S 37). The polls for voting on Article 2 will be opened at twelve o'clock noon (12:00) March 6th, 1961, and will close at seven o'clock (7:00) in the evening.

Art. 3. To see if the Town will vote to accept the report of the Town Officials.

Art. 4. To see if the Town will vote to continue the Estimated Income Account, and to see if the Town will vote to appropriate to this account the following estimated 1961 income from the following sources.

- A. Excise Taxes.
- B. Traffic violation fines.
- C. Bank Stock, Telephone, Telegraph, and Railroad taxes.
- D. Licenses, Dog tax refund.
- E. To reappropriate \$25,000. from the unappropriated Surplus Account for the purpose of reducing the 1961 tax rate. (The total estimated income is to be deducted from the total 1961 appropriations before calculating the 1961 tax rate.)

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 5. To see what compensation each member of the Board of Selectmen shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$200.00 EACH MEMBER.

Art. 6. To see what compensation each member of the Board of Assessors shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$1,500. TO BE DIVIDED AMONG MEMBERS.

Art. 7. To see what compensation the Town Clerk shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$250.00.

Art. 8. To see what compensation members of the Superintending School Committee shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$200.00 EACH MEMBER.

Art. 9. To see what disposition the Town will make of the income for the year 1960 from the Fred W. and Laura A. Sanborn Trust Fund, received from the Norway National Bank, Trustee, in the amount of \$1,327.17.
(The amount on deposit in Norway National Bank Book 977, by Town vote, for year 1959 including Bank Interest of \$35.35, is \$1,301.10.)

Art. 10. To see what sums of money the Town will vote to raise and appropriate for administration for the ensuing year.

1. Town Officers' Salaries.

BUDGET COMMITTEE RECOMMENDS \$10,350.00.

2. Superintendent of Schools Salary.

BUDGET COMMITTEE RECOMMENDS \$4,100.00.

3. Town Office Expense.

BUDGET COMMITTEE RECOMMENDS \$6,500.00.

Art. 11. To see what compensation the Fire Chief shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$500.00.

Art. 12. To see what sum of money the Town will vote to raise and appropriate to defray the expenses of the Fire Chief for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$300.00.

Art. 13. To see what compensation the 1st and 2nd Engineers of the Fire Department shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$300. EACH ENGINEER.

Art. 14. To see what compensation members of the Fire Department shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$1.50 PER HOUR PER MEMBER FOR TIME SERVED.

Art. 15. To see what sums of money the Town will vote to raise and appropriate for the following Protection items:

1. Fire Department.

BUDGET COMMITTEE RECOMMENDS \$7,700.

2. Police Department.

BUDGET COMMITTEE RECOMMENDS \$9,800.

3. Workmen's Compensation Insurance.

BUDGET COMMITTEE RECOMMENDS \$1,450.

4. Sanborn Shoe Pumper.

BUDGET COMMITTEE RECOMMENDS \$100.

BUDGET COMMITTEE RECOMMENDS \$1,500.

6. Civil Defense and Salary of Director.

BUDGET COMMITTEE RECOMMENDS \$800.

7. Hydrant Rentals.

BUDGET COMMITTEE RECOMMENDS \$3,100.

A. To see if the town will vote to install (15) 11000 Lumen lights and (6) 21000 Lumen lights on Main Street to replace the present (21) 6000 Lumen lights. Also to replace (8) 1000 Lumen lights on Water Street with (8) 6000 Lumen lights.

BUDGET COMMITTEE SUGGESTS WE SO DO.

B. To see what sum of money the Town will vote to raise and appropriate for street lighting for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$6,400.

Art. 16. To see if the Town will vote to establish an equipment account with the unexpended balance in the Fire Department Appropriation, starting in 1961. The unexpended funds to be deposited in an interest bearing account.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 17. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Fire Station Building for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$2,300.

Art. 18. To see what sum of money the Town will vote to raise and appropriate to take care of the cost of operation of Traffic and control lights for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$350.

Art. 19. To see if the Town will vote to reappropriate to the Maine Group Insurance Account the 1960 unexpended balance of \$686.93 and to raise and appropriate an additional \$400.

BUDGET COMMITTEE RECOMMENDS \$400.

Art. 20. To see if the Town will vote to reappropriate to the Planning and Zoning Board the 1960 unexpended balance of \$1,227.85.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 21. To see if the Town will vote to raise and appropriate \$900. to install two Fire Alarm Boxes on Lower Main Street, one by the Ledgewood Motel and one by the residence of Ina Bradbury.

BUDGET COMMITTEE RECOMMENDS \$900.

Art. 22. To see if the Town will vote to reappropriate to the Extension and Maintenance of the Storm Sewer System Account the unexpended balance of \$6,071.72 and raise and appropriate an additional \$1,500.

BUDGET COMMITTEE RECOMMENDS \$1,500.

Art. 23. To see if the Town will vote to install a Storm Sewer on Beal Street (from Marston to Paris Street, a part of Tucker Street and part of Winter Street). Estimated cost \$5,500.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 24. To see if the Town will vote to use the money now in the Storm Sewer Account to pay for Article 23.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 25. To see if the Town will vote to raise and appropriate the sum of \$1,000. to make a survey of the Town dump land and the land adjacent to it for the possible use of a sewerage pond or lagoons. This survey will be made in conjunction with South Paris to determine a method of sewage disposal.

BUDGET COMMITTEE RECOMMENDS \$1,000.

Art. 26. To see if the Town will vote to instruct the Superintending School Committee to appoint one or more School physicians.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 27. To see if the Town will vote to raise and appropriate \$400. for a Medical Clinic for school children for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$400.

Art. 28. To see if the Town will vote to transfer to the support of the Elementary and Secondary Schools the unexpended balance of \$432.81 in the Agriculture Account.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 29. To see what sums of money the Town will vote to raise and appropriate for support of Elementary and Secondary Schools, including conveyance of scholars, fuel, textbooks, supplies, and equipment for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$140,500.00.

Art. 30. To see what sum of money the Town will vote to raise and appropriate for the Home Economics Course for

the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$2,750.00.

Art. 31. To see what sum of money the Town will vote to raise and appropriate for the Industrial Arts Course for ensuing year.

BUDGET COMMITTEE RECOMMENDS \$1,050.00.

Art. 32. To see what sum of money the Town will vote to raise and appropriate for school insurance premiums for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$3,400.00.

Art. 33. To see what sum of money the Town will vote to raise and appropriate for repair of school buildings for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$6,500.00.

Art. 34. To see what sum of money the Town will vote to raise and appropriate toward the support of the Hot Lunch Program for school children for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$800.00.

Art. 35. To see if the Town will vote to install an 8" Main and Hydrant on the High School grounds.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 36. To see if the Town will vote to raise and appropriate \$1,700. to pay for Article 35.

BUDGET COMMITTEE RECOMMENDS \$1,700.00.

Art. 37. To see if the Town will vote to authorize the School Committee to appoint a three-man building committee to work with the School Committee for the purpose of studying and making recommendations to a future Town Meeting on the necessary building additions required for the High School to become accredited and meet the necessary foundation program outlined by the law, providing that the voters decide against the forming of a School District.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 38. To see what sum of money the Town will vote to raise and appropriate for expenses of the above committee.

BUDGET COMMITTEE RECOMMENDS \$500.00.

Art. 39. To see what sum of money the Town will vote to raise and appropriate for the following unclassified items:

1. Social Security.

BUDGET COMMITTEE RECOMMENDS \$2,500.

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance of Town Meeting.

If copies are left at home there may not be a sufficient number at the hall to go around on Town Meeting day, so please bring this copy to the meeting.

Letter of Transmittal

To the Honorable Selectmen and Citizens of the Town of Norway:

It is with pleasure that I present this, my fifth annual report as your Town Manager.

Including in this report are the financial transactions of all town departments along with commentary reports from various departments, and the Auditor's report in full.

I wish to express my sincere appreciation to the Board of Selectmen, all town employees, and the citizens of Norway for their assistance and cooperation.

Respectfully submitted,

DONALD F. McALLISTER
Town Manager

Assessors, Town of Norway

Report of Town Manager

To the Board of Selectmen and Citizens of the town of Norway:

I herewith submit to you my annual report on the municipal activities of the Town of Norway for the year 1961, it being the nineteenth year under the Selectmen-Town Manager form of government.

GENERAL GOVERNMENT

This report covers all accounts under the control of the Selectmen and Town Manager, and the Auditor's report in full. Interested citizens may have access to any of our records or reports at any time.

In the Fall of 1960 the Town brought suit against Koppers Co., Inc. for an overcharge on tar and in August 1961 was awarded a judgement of \$698.31, (net after attorney's fee).

This year we have had all our parking meters reconditioned at the factory, and this is the chief reason for the large expenditure in the Parking Meter Account.

The program of re-running our Town lines was completed in 1961. It is the first time in over 50 years that the lines have been re-run.

Through the courtesy of Alfred Snow and Sons, they have made available a Public Boat Landing on Lake Pennessewassee. It is located near their Marina show room.

SUMMER ROADS

Much has been accomplished this past year in our street and road program. Skillins Avenue, Stevens Street, Walker Avenue and Hayden Avenue were rebuilt and tarred. Town Road Improvement funds were spent on the Sodom Road, Don Wood Road and upper Pleasant Street. The Sodom bridge deck was replaced with new planks and new steel I beams were placed under the Greenleaf Avenue bridge and a new deck laid. 36,500 gallons of tar was used on our highways in 1961.

For 1962, Sanborn Street and Dean Avenue should be rebuilt and Town Road Improvement funds spent on the Doughty road.

WINTER HIGHWAYS

As usual, Don Hunt and his crew have taken good care of our streets and highways. Snow removal is expensive but as long as the taxpayer is willing to pay the bills, we will do everything possible to make our highways safe and convenient within the limits of our ability.

SIDEWALKS

Blue Rock Quarry was engaged to repair the sidewalks on Main Street. We shall continue to repair the sidewalks on other streets in 1962.

HEALTH AND WELFARE

Much of my time is spent on the Health and Welfare Program. I have managed to keep the cost to the town at a minimum by supplementing work to the able, and getting State Aid for the aged and disabled.

The Federal Surplus Food Program has been a factor in keeping costs down. In December, 1961 we had 80 families, representing 324 people, receiving surplus foods.

SANITARY SEWERS

The Water Improvement Board has tentatively approved the use of the lagoon system for treatment of sewer solids. This is going to be an expensive installation for the Town and several meetings will be held this year to acquaint the citizens with full details. A Special Town Meeting may be called for the purpose of applying for State and Federal Funds.

SEWERS

The Sanitary Sewer system has given us very little trouble this year. We are called upon to clear obstructions at times, but for the most part the caustic compound that we use keeps the Mains open and free flowing.

DUMP

This year we purchased a small used dozer to keep the rubbish pushed back. It has worked very well and makes for a better and neater dump.

PROTECTION

Fire Department personnel, under the direction of Chief Butters, continues to function well and the Chief enjoys the fine spirit of cooperation shown by his men.

Our Police Department has given a good account of themselves. Often their work goes unmentioned, while some other department gets the credit. The Police Department issued 487 warnings, stopped 865 cars for defects (lights, brakes, etc.) and made 88 arrests.

PLANNING BOARD

The Planning Board has been inactive for most part during 1961. I have high hopes that it will be reactivated in 1962. We had two resignations from the Board, Mr. James Phillips and Mr. Roy Strout. New appointments for replacing them will be made by the Selectmen in 1962.

EQUIPMENT AND GARAGE ACCOUNT

Our highway equipment is being kept in top condition by Don Hunt and his crew. Our largest expense this past year was for a complete overhaul of the 1954 Allis Chalmers HD-9 Bulldozer, \$4,955.53.

New equipment purchased in 1961:

1961 Galion Grader (Model T500)

1961 G. M. C. Truck (Model V5005)

1957 John Deere Crawler type tractor (second hand)

For the year 1962 we will have to replace the 1953 G. M. C. truck.

To all Town officials, employees and citizens, I thank you for your loyalty and cooperation. Norway is a nice town and I shall do everything in my power to keep it that way.

Respectfully submitted,

DONALD F. McALLISTER,
Town Manager

Librarian's Report

Norway, Maine
January 1, 1962

To the Trustees of Norway Memorial Library:

I herewith submit my report for the year ending December 31, 1961:

BOOK REPORT

Number of Volumes:

Special programs	7 66	
Total		\$ 77 51
Paid Treasurer	\$514 54	
Cash on Hand January 1, 1962	9 55	
Total		\$601 60

LIBRARY ACTIVITIES

During the early spring, the book cases in the upstairs stackroom were extended to the ceiling. This added nearly 120 feet of extra shelf space and made it possible to rearrange all the books upstairs. This involved moving more than 13,000 books.

The celebration of National Library Week in April was the largest outside activity. The theme of the celebration in Maine was "Richer by Asia". The response to the request for Asian articles was generous and the library resembled an Oriental museum. Dr. Shas Chang Lee, visiting Professor of Oriental Studies at Bates College was the speaker at the opening night.

Other features of the celebration were the Hi-Li Bowl for High School students and a Story Hour and party for children. The winning team of the Hi-Li Bowl selected a book which they presented to the school library. The children's party featured two Oriental musical selections, stories of Japan, China and India, Asian games and refreshments. Daily broadcasts on WKTQ added to the knowledge of Asia and its customs. The prize for the best example of Haiku poetry went to Mrs. Mearle Brown.

Summer story hours were well attended and more than fifty children registered for the reading program.

C. A. Stephens' Night was held to gather more knowledge of our famous author. Some headway was made and the subject will be continued later.

Book Week celebration exceeded all expectations. All teachers in the Elementary School took advantage of the opportunity to bring their classes to the library. Instruction was given in the use of the library, new readers registered and stories were told for each grade. The circulation for the week was 1,015 books.

All these outside activities are made possible by the cooperation of the Library trustees, the citizens of the town, the local press and radio station, which I gratefully acknowledge.

Respectfully submitted,

WINIFRED M. BICKFORD
Librarian

Report of Sealer of Weights and Measures

To the Selectmen of the Town of Norway, Maine:

I herewith submit my report as Sealer of Weights and Measures for the Town of Norway for 1961.

Number of scales tested	99
Number of gas pumps tested	39
Number of oil pumps tested	6
Number of yard sticks tested	5

Respectfully submitted,

WILLIAM H. CARD,
Sealer of Weights and Measures

Perambulation of the Town Line Separating the Towns of Norway, Maine, and Oxford, Maine, in Oxford County

Agreeable to Mr. Donald F. McAllister, Norway Town Manager, and Mr. Thomas Clifford, Oxford Town Manager, we met at 9:00 a. m., June 21, 1961, at the stone monument set at the southeast corner of Norway and the most northerly corner of Oxford in the South Paris town line. Said stone monument, which sets about 350 feet northeasterly from the Little Androscoggin River, is inscribed N-O-P. Thence from said stone monument South 62° West (magnetic) to and across the Little Androscoggin River to a stone monument, inscribed N-O, on the east side of State Route # 26; thence across State Route # 26 to a broken off stone monument on the westerly side of said State Route #26; thence on same course to a stone monument, inscribed N-O, set on the northerly side of Kahkonen Road; thence continuing to the west slope of Horse Hill, meeting a stone wall and continuing by said wall to and across the discontinued part of the "Back Side Pikes Hill Road" to a large boulder with a directional arrow chiseled on it; thence continuing South 62° West to the intersection of the Oxford-Otisfield town and county line with the Norway town line, which point is marked with a stone monument, inscribed N-O-O. Total distance of described line about 3.1 (three and one-tenth) miles.

CHARLES E. DAVIS, C. E.
Registered Engineer

Perambulation of the Town Line Separating the Towns of Norway, Maine, in Oxford County, and Otisfield, Maine, and Harrison, Maine, in Cumberland County

Agreeable to Mr. Donald F. McAllister, Norway Town Manager, and Mr. Richard Bean, Chairman Otisfield Selectmen, we met at 9:00 a. m., June 29, 1961, at the stone monument at the northwest corner of the town of Oxford and the northeast corner of the town of Otisfield, marked N-O-O, and which is the intersection of the Oxford and Otisfield town and county line with the Norway town line, and which stone sets about .1 (one-tenth) of a mile northerly of Lombard Brook.

Thence South 69° West (magnetic) about .2 (two-tenths) of a mile, crossing Lombard Brook, to a stone monument, inscribed N-O, set on the south side of the old county road running easterly from the so-called Gore Road; thence on same course about .5 (five-tenths) of a mile, following a wire fence and stone wall to a stone monument, inscribed N-O, set on the west side of the Gore Road; thence South $72^{\circ} - 30'$ West, about .25 (twenty-five hundredths) of a mile across a field and through woods to a stone monument, inscribed N-O, set on the west side of State Route #117 near a culvert; thence South $70^{\circ} +$ or $-$ West, nearly parallel with State Route #117 about .4 (four-tenths) of a mile to a stone monument, inscribed N-O, set on the north side of State Route #117; thence North 16° West about .45 (forty-five hundredths) of a mile to a stone monument, inscribed N-O; thence South $75^{\circ} +$ West about .88 (eighty-eight hundredths) of a mile to a stone monument, inscribed N-O, set in the northerly bank of the Crooked River, and thence to the middle of said river, which is the intersection of the Norway and Otisfield town line with the Harrison town line. Total distance about 2.7 (two and seven-tenths) miles.

Thence northwesterly by the course of the Crooked River about $1\frac{3}{4}$ (one and three-quarters) miles to a stone monument, marked H-W-N, set on the northerly bank of the Crooked River, marking the intersection of the Harrison and Waterford County and Town line with the Norway Town line.

CHARLES E. DAVIS, C. E.
Registered Engineer

Town Clerk's Report

DECEMBER 31, 1961

To the Selectmen and Citizens of the Town of Norway:

The following returns of births, marriages and deaths have been made to this office for the year 1961:

BIRTHS

Number of births reported	297
Number of males	154
Number of females	143
Number of birth occurring in town	271

Dinsmore, Regnall S.	74	Norway	May 12, 1960

Respectfully submitted,

ELIZABETH B. SMITH,
Town Clerk

Important

NOTICE TO TAXPAYERS

ALL TAXPAYERS SHOULD READ THE FOLLOWING
REQUIREMENTS AND COMPLY WITH THEM:

"Sec. 34, Ch. 91A, Revised Statutes of Maine, 1957. Assessors to give notice to bring in lists of taxable property; if no lists are brought in, no claim for abatement. Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is hereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayers."

The assessors hereby give notice that they will be in session at the Town Office on April 2, 1962 from 9:00 A. M. to 5:00 P. M. for the purpose above stated.

Annual Report of Public Health Nursing Service

NORWAY—1961

The general purpose of public health nursing is to help people and the community as a whole to achieve and maintain optimal health. Your public health nurse carries out this purpose by giving preventive, therapeutic, and rehabilitative services to individuals and families in their homes; through health services in schools; and through organized community programs for prevention of illness and promotion of health.

A summary of public health nursing services given in the town of Norway during the year 1961 follows:

During the year there have been eighty-one visits made to your town to sixty-seven individual families to discuss any health problems, to offer suggestions, to encourage parents to provide good nutrition, medical and dental care, and to inform them of communicable disease protection. The age groups visited at home were infants 4, preschool 29, adults twenty-two. Types of cases visited were Hard of Hearing, Communicable Diseases, Cardiac, Mental Health, Diabetic, Cancer, Crippled Children, and Visual Defects.

School Health Services:

Health counseling, referral for evaluation and treatment of physical, mental and emotional health problems, and liaison between school and home are important functions of your public health nurse in the school health service program.

There have been sixty-one visits to your school, seventeen cases referred by teachers, and one hundred and forty home visits were made.

In August the hearing of twenty-four school children was rechecked with the audiometer. Three were found to still have some hearing loss, the others were improved or within normal limits. There have been twelve referred to the Hard of Hearing Clinic by their family doctors, eight have had surgery and two may have hearing aids later. These were found as a result of audiometer testing in the fall of 1960 and referred to their family doctor for examination.

Hearing tests will be done in the Sub-Primary and Grade I sometime in the early spring when the audiometer will be available. Clinic cases and any students in other grades who are referred by their family doctor or teacher for some particular reason will be rechecked.

Though the cooperation of the Town Manager, the health officer and school personnel, a very successful immunization clinic was held. Because of the many absentees, due to communicable diseases, a third immunization clinic was held June 29th at the office of the health officer. It was most gratifying to have forty children attend, and many were accompanied by their parents. Smallpox vaccination was omitted because of chicken pox in the area.

School Immunizations:

Total Attendance—1071

Diphtheria-Tetanus Series completed—496

Diphtheria-Tetanus Boosters—52

Poliomyelitis (3 inoculations)—9

Boosters—44

The total Poliomyelitis inoculations were small because of the many previous clinics which have kept the children well immunized. Now that Poliomyelitis boosters are recommended every two years, children should continue their immunizations to get the maximum protection.

At this time, I wish to express sincere thanks to the school physician, town officials, school personnel, volunteers and parents who have made the health work in your community possible. Without this cooperation these services could not be given.

Respectfully submitted,

RUTH M. CHOATE, R. N.,

Public Health Nurse

Annual Report of the Health Officer

The Town of Norway gave over one thousand Diphtheria-Tetanus injections in the schools in April, 1961.

Vaccinations against smallpox were not offered in May because of the epidemic of chickenpox that was prevalent at that time.

The following diseases were reported during the year:

Chicken pox, 63 cases.

German Measles, 3 cases.

Measles, 6 cases.

Bacterial Meningitis, 1 case.

Respectfully submitted,

ROLAND L. McCORMACK, M. D.

Attention Veterans

REVISED STATUTES, 1957, CHAPTER 91A SEC. 10 AN ACT RELATING TO EXEMPTIONS FROM TAXATION OF VETERANS

"Sub-Section III. The polls and estate of all persons who by reason of age, infirmity or poverty are in the judgment of the assessors unable to contribute toward the public charges; the estate up to the value of \$3,500 of all persons determined to be blind within the definition provided by sections 293 to 318, inclusive of chapter 25, who are receiving aid under the provisions of said sections; but no property conveyed to any persons for the purpose of obtaining exemption from taxation under this subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance, whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such person taxable in the state." (1953, c. 291, Sec. 1. 1954, c. 92, Sec. 10.)

"The polls of all soldiers, sailors and marines who served in the army or navy of the U. S. in the Philippine Insurrection or any federally recognized war period prior thereto, or who served in World Wars I or II or the Korean Campaign who receive state pension; the polls of all soldiers, sailors or marines who are receiving pension or retirement pay or compensation or vocational training from the United States government on account of disability incurred in or aggravated by service in said wars; and in the estates up to the value of \$3,500 of veterans who served in the armed forces of the United States during any federally recognized war period, including the Korean campaign, who were honorably discharged or honorably separated and retired to the reserve, when they shall have reached the age of 62 years or are receiving any form of pension or compensation from the United States Government for total disability, service connected or non-service connected, as a veteran; and the estates up to the value of \$3,500 of the unmarried widow or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the federal government as the widow or minor child of a veteran: provided, however, that no person shall qualify for such exemption unless the veteran upon whose record the exemption is claimed was a legal resident of this

state when he entered the military service of the United States or unless such veteran or his widow has been a legal resident of this state for at least 10 years prior to making the claim for exemption; and provided further that any person hereinbefore enumerated who desires to secure this exemption shall file written proof of entitlement on or before the first day of April with the assessors of the town in which he resides, whereupon the assessors shall grant such exemption to such person while so qualified or until notified of reason or desire for discontinuance; but no property conveyed to any person for the purpose of obtaining exemption from taxation under the subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such persons taxable in the state.—R. S." (1947, c. 29. 1951, c. 1957, Sec. 3; c. 160. 1953, c. 265, Sec. 6; c. 291, Sec. 2; 1954 c. 92—Sec. 10; 1959 c. 91A, Sec. 10.) as amended.

Report of Treasurer of Norway Memorial Library

Norway, Maine

January 2, 1962

To the Trustees of Norway Memorial Library:

I submit below my report as Treasurer for the year of 1961.

Receipts

The cost of installing additional shelves, long overdue, in the stack room, and the movable step ladder caused an overdraft. There are no unpaid bills in the Treasurer's hands.

Respectfully submitted,

FRED E. SMITH, Treasurer

Report of Fire Chief

To the citizens of the Town of Norway, I herewith submit my report for the year 1961:

ALARMS

5 Bells
1 False
36 Stills
10 Car Fires
2 Forest Fires

OUT OF TOWN FIRES

Oxford—4
North Waterford—1
South Paris—2

HOSE AND LADDERS USED

2,250 ft. Booster Hose
3,600 ft. 1½ inch Hose
10,550 ft. 2½ inch Hose
344 feet Ladders

During the year 1961 the motor of Engine 3 was reconditioned. Although this is a 1941 Buffalo, the engineers, due to the condition of the pump, felt that it would give a few more useful years of service.

This year a training program was taken by the department sponsored by the State Forestry Department. Mr. Gordon Eastman of Lovell, State Forest Fire Warden instructed these classes. The classes covered uses of all types of hand tools, new methods and correct procedure in extinguishing and controlling forest fires.

At this time I would like to thank the town manager, board of selectmen, Mrs. Smith, Mrs. Thorp, Don Hunt and my two assistant chiefs for their full co-operation.

Respectfully submitted,

ROBERT BUTTERS, Chief

STATE OF MAINE

AuditAugusta

February 2, 1962

Board of Selectmen

Norway,

Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Norway for the fiscal year ended December 31, 1961.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting. The audit analysis was on a basis consistent with that of the preceding year, and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections incorporated in this report, subject to the accompanying comments, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

MICHAEL A. NAPOLITANO,
State Auditor

MAN:dt

Comments

TOWN OF NORWAY

JANUARY 1, 1961 TO DECEMBER 31, 1961

An audit of the financial records of the Town of Norway has been completed for the fiscal year ended December 31, 1961. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The operations for the year showed a gain of \$19,372.10 which was accounted for as follows:

Departmental Balances Lapsed	\$ 9,020 03
Actual Income Over Estimate	10,352 07
Gain for Year	\$19,372 10

The unexpended departmental balances were noted particularly in the planning board, maintenance of sewers, town poor and overlay accounts. The major overdraft occurred in the winter maintenance account.

The actual income received was \$37,352.07, as compared with an estimate of \$27,000.00 for the year. The additional income was lapsed to surplus.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general fund cash balance of \$10,873.64 was on deposit in the Norway National Bank, Norway, Maine at December 31, 1961.

Accounts receivable of \$15,323.55 included for the most part town road improvement funds due from the State of Maine and reimbursable expenditures made for State and other municipalities' welfare cases.

Taxes receivable totaling \$15,580.82 consisted principally of unpaid current year accounts.

Tax liens and tax acquired property amounted to \$1,215.16 and \$323.98 respectively.

Unpaid sewer assessments totaled \$2,326.61 and are summarized as follows:

Spring Street and Dean Avenue Sewers	\$2,131 15
Lower Main Street Sewer	195 46
Total	\$2,326 61

RESERVES . . . The departmental accounts showed a net unexpended balance of \$11,717.73 consisting of various operating account balances and overdrafts that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an unexpended balance of \$2,470.31, as compared with a balance of \$712.55 in the preceding year.

SURPLUS . . . The unappropriated surplus amounted to \$31,387.93, a decrease of \$5,247.64 for the year. This change was occasioned principally by an authorized transfer to reduce the tax levy, less the net unexpended departmental balance lapsed and the excess of actual income over estimate.

DEBT FUND . . . The debt fund, incorporated in the balance sheet as a separate fund, reflects an outstanding Opera House note of \$9,000.00 and a garage construction note of \$1,816.30. These obligations mature during the ensuing nine years.

WORKING CAPITAL FUND . . . The cash balance of \$2,696.35 in the working capital fund was on deposit in the Norway National Bank, Norway, Maine.

A note payable of \$10,000.00 was due the Norway National Bank at the close of the year. This note matures in 1962 and represents the balance of notes issued in the amount of \$21,000.00 for the purchase of new equipment.

Current operations showed an increase of receipts over expenditures of \$186.64. Receipts totaling \$72,594.76 were derived principally from departmental use of equipment, the issuance of short term notes and a temporary loan which was paid during the year. Expenditures totaled \$72,408.12 of which maintenance expense, purchase of new equipment and partial payment of notes were the major items.

RESERVES AND TRUST FUNDS . . . The capital reserve fund, which was established for the purchase of land and/or new school buildings, amounted to \$5,579.12 and was on deposit in the Norway National Bank, Norway, Maine at December 31, 1961.

The total amount of trust fund principals was \$3,782.00 and unexpended income amounted to \$5,214.64. These funds were on deposit in the Norway Savings Bank and the Norway National Bank.

DEPARTMENTAL ACCOUNTS . . . The departmental operating accounts showed an increase of \$14,797.87 in funds raised by taxation, as compared with the preceding year. Larger assessments for highways, education and protection accounts, less smaller appropriations for the overlay and unclassified accounts were the principal factors contributing to the increase.

The departmental balances carried forward to the ensuing year decreased by \$8,984.88, as compared with balances at the start of the year. The change occurred principally in the highway and education accounts.

GENERAL . . . The townspeople authorized the transfer from surplus and the application of estimated income to reduce the 1961 tax levy.

The purchase of new highway equipment and the issuance of notes to finance same were made only on authority of the municipal officers.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Verifications were utilized, on a test basis, to determine the accuracy of recorded assets and liabilities.

Excise tax collections were verified by examination of copies of receipts retained by the collector. Trust fund transactions were reviewed and investments verified. Surety bond coverage was examined.

In our opinion, subject to the foregoing comments, the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1961, and the results of its operations for the year then ended.

Warrant for 1962 Town Meeting

State of Maine

County of Oxford, ss.

To Benjamin Tucker, Jr., a citizen of the Town of Norway,

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Norway, qualified to vote in town affairs, to assemble at the Norway Fire Station, in said town on (Monday) the 5th day of March, A. D. 1962 at 11:45 o'clock in the forenoon then and there to act on Articles numbered 1 and 2; and to notify and warn said voters to meet at the Norway Opera House in said town, on (Monday) the 5th day of March, A. D. 1962, at 7:30 o'clock in the afternoon, then and there to act on Articles 3 through 45; all of said Articles being set out below, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To elect all necessary town officers as are required to be elected by Secret Ballot, (R. S. C. 90-A S 37). The polls for voting on Article 2 will be opened at twelve o'clock noon (12:00) March 5th, 1962, and will close at seven o'clock (7:00) in the evening.

Art. 3. To see if the Town will vote to accept the report of the Town Officials.

Art. 4. To see if the Town will vote to continue the Estimated Income Account, and to see if the Town will vote to appropriate to this account the following estimated 1962 income from the following sources:

- A. Excise Taxes.
- B. Traffic violation fines.
- C. Bank Stock, Telephone, Telegraph, and Railroad Taxes.
- D. Licenses, Dog Tax Refund.
- E. To reappropriate \$20,000. from the unappropriated Surplus Account for the purpose of reducing the 1962 tax rate. (The total estimated income is to be deducted from the total 1962 appropriations before calculating the 1962 tax rate.)

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 5. To see what compensation each member of the Board of Selectmen shall receive for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$200.00 EACH MEMBER.

Art. 6. To see what compensation each member of the Board of Assessors shall receive for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$1,500. TO BE DIVIDED AMONG MEMBERS.

Art. 7. To see what compensation the Town Clerk shall receive for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$250.00.

Art. 8. To see what disposition the Town will vote to make of the 1961 income from the Fred W. and Laura A. Sanborn Trust Fund, \$1,354.62.

BUDGET COMMITTEE RECOMMENDS THAT THE 1961 INCOME BE ADDED TO THE AMOUNT ALREADY ON DEPOSIT AND LEFT TO ACCUMULATE. (Norway National Bank, Savings Book #977) Balance Dec. 31, 1960, \$2,628.27, Interest, \$76.35, 1961 Income \$1,354.62, Total \$4,059.24.

Art. 9. To see what sums of money the Town will vote to raise and appropriate for administration for the ensuing year.

1. Town Officers' Salaries

BUDGET COMMITTEE RECOMMENDS \$10,350.00.

2. Town Office Expense

BUDGET COMMITTEE RECOMMENDS \$6,500.00.

Art. 10. To see what compensation the Fire Chief shall receive for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$500.00, AND \$1.50 PER HOUR WHILE FIGHTING FIRES.

Art. 11. To see what sum of money the Town will vote to defray the expenses of the Fire Chief for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$300.00.

Art. 12. To see what compensation the 1st and 2nd Engineers of the Fire Department shall receive for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$300.00 EACH ENGINEER AND \$1.50 PER HOUR WHILE FIGHTING FIRES.

Art. 13. To see what compensation members of the Fire Department shall receive for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$1.50 PER HOUR
PER MEMBER FOR TIME SERVED.

Art. 14. To see what sums of money the Town will vote to raise and appropriate for the following Protection items:

1. Fire Department
BUDGET COMMITTEE RECOMMENDS \$8,100.00.
2. Police Department
BUDGET COMMITTEE RECOMMENDS \$9,800.00.
3. Street Lights
BUDGET COMMITTEE RECOMMENDS \$6,700.00
4. Workmen's Compensation Insurance
BUDGET COMMITTEE RECOMMENDS \$1,000.00.
5. Sanborn Shoe Shop Pumper
BUDGET COMMITTEE RECOMMENDS \$100.00.
6. 1½" Fire Hose (1000')
BUDGET COMMITTEE RECOMMENDS \$1,500.00.
7. Civil Defense and Salary of Director
BUDGET COMMITTEE RECOMMENDS \$300.00.
8. Hydrant Rentals
BUDGET COMMITTEE RECOMMENDS \$3,100.00.

Art. 15. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Fire Station Building for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$2,700.00.

Art. 16. To see what sum of money the inhabitants will vote to raise and appropriate for a two-way radio communication hook-up for the Fire Department and Highway Department.
BUDGET COMMITTEE RECOMMENDS THIS ARTICLE
BE PRESENTED TO TOWN MEETING WITHOUT REC
OMMENDATION.

Art. 17. To see if the Town will vote to reappropriate to the Maine Group Insurance Account the 1961 unexpended balance of \$619.98 and to raise and appropriate an additional \$500.
BUDGET COMMITTEE RECOMMENDS \$500.00.

Art. 18. To see what sum of money the Town will vote to raise and appropriate to take care of the cost of operation of traffic and control lights for the ensuing year.
BUDGET COMMITTEE RECOMMENDS \$400.00.

Art. 19. To clarify the status of the Equipment Account:

To see if the Town will vote to authorize the Selectmen and Town Treasurer to buy equipment and supplies for the Highway Department and to issue notes when necessary to pay for said Equipment. Notes are not to be issued for more than one year's duration and to be paid from the Equipment Account.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 20. To see what sum of money the inhabitants of the Town will vote to raise and appropriate for a recreational program for the ensuing year.

1. Summer Playgrounds
2. Winter Activities

Art. 21. To see if the Town will vote to raise \$281.43 as a deferred appropriation and to reappropriate the \$1000. now in the Sewer Survey Account to replace the amounts spent in 1960-1961 on the Greenleaf Avenue Sewer.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 22. To see if the Town will vote to raise and appropriate \$740.50 to pay the Town's share of the abutter's assessment for the Greenleaf Avenue Sewer. (Rustfield Cemetery).

BUDGET COMMITTEE RECOMMENDS \$740.50.

Art. 23. To see if the Town will vote to raise \$3,568.34 as a Deferred Appropriation to replace the amounts spent in the 1961 Town Road Improvement Account.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 24. To see if the Town will vote to raise and appropriate \$1,000.00 to install three (3) Fire Alarm Boxes, Dean Avenue, Nevers Avenue, and replace Box 37.

BUDGET COMMITTEE RECOMMENDS \$1,000.00.

Art. 25. To see if the Town will vote to reappropriate to the Extension and Maintenance of the Storm Sewer System Account the unexpended balance of \$5,811.56 and raise and appropriate an additional \$1,500.

BUDGET COMMITTEE RECOMMENDS \$1,500.00.

Art. 26. To see what sum of money the Town will vote to raise and appropriate for the following unclassified items:

1. Social Security
BUDGET COMMITTEE RECOMMENDS \$2,500.00.
2. Advertising Maine
BUDGET COMMITTEE RECOMMENDS \$250.00.
3. Contingent Fund
BUDGET COMMITTEE RECOMMENDS \$3,200.00.
4. Insurance
BUDGET COMMITTEE RECOMMENDS \$1,800.00.
5. Memorial Day Expenses
BUDGET COMMITTEE RECOMMENDS \$300.00.
6. Christmas Lights
BUDGET COMMITTEE RECOMMENDS \$500.00.

Art. 27. To see what sums of money the Town will vote to raise and appropriate for Health and Sanitation for the ensuing year.

1. State Health Nurse
BUDGET COMMITTEE RECOMMENDS \$200.00.
2. Sewer Maintenance
BUDGET COMMITTEE RECOMMENDS \$3,000.00.
3. Dump
BUDGET COMMITTEE RECOMMENDS \$3,000.00.

Art. 28. To see what sums of money the Town will vote to raise and appropriate for Highways and Public Works.

1. Summer Maintenance and Bridges
BUDGET COMMITTEE RECOMMENDS \$23,000.00
2. Winter Maintenance
BUDGET COMMITTEE RECOMMENDS \$25,000.00.
3. Building and Rebuilding
BUDGET COMMITTEE RECOMMENDS \$13,500.00.
4. Tarring and Retarring
BUDGET COMMITTEE RECOMMENDS \$10,000.00.
5. Sidewalks
BUDGET COMMITTEE RECOMMENDS \$1,000.00.
6. Bushes
BUDGET COMMITTEE RECOMMENDS \$2,000.00.
7. Town Road Improvement
BUDGET COMMITTEE RECOMMENDS \$3,000.00.

Art. 29. To see what sums of money the Town will vote to raise and appropriate for Welfare for the ensuing year.

1. Town Poor
BUDGET COMMITTEE RECOMMENDS \$6,000.00.
2. Aid to Dependent Children
BUDGET COMMITTEE RECOMMENDS \$3,600.00.

Art. 30. To see what sum of money the Town will vote to raise and appropriate for the support and maintenance of Norway Memorial Library for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$5,300.00.

Art. 31. To see what sum of money the Town will vote to raise and appropriate for the care of cemeteries for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$1,200.00.

Art. 32. To see what sum of money the Town will vote to raise and appropriate for the care of Shade Trees and extermination of Dutch Elm Disease for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$2,500.00.

Art. 33. To see what sum of money the Town will vote to raise and appropriate for Election expenses for the ensuing year.

BUDGET COMMITTEE RECOMMENDS \$600.00.

Art. 34. To see what sum of money the Town will vote to raise and appropriate for payment of interest and notes for the ensuing year.

1. Interest

BUDGET COMMITTEE RECOMMENDS \$2,000.00.

2. Payment on Town Garage Note due September 1, 1962 (final payment \$1,816.30)

BUDGET COMMITTEE RECOMMENDS \$1,816.30.

Art. 35. To see what sum of money the inhabitants will vote to raise and appropriate for the support of School Administrative District No. 17.

Art. 36. To see if the Town will vote to instruct the Selectmen to appoint a Committee of ten (10) citizens to study the State Valuation as it applies to the Town of Norway.

BUDGET COMMITTEE SUGGESTS THAT THE COMMITTEE BE COMPRISED OF THE ASSESSORS (5), TOWN MANAGER AND FOUR (4) TAXPAYERS.

Art. 37. To see if the Town will vote to dissolve the Reserve Fund of \$5,579.12 set up in 1958 for the purchase of land and/or new school buildings.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 38. To see if the Town will vote to apply the Reserve Fund of \$5,579.12 in Article 37 to reduce the appropriation to the School Administrative District No. 17.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 39. To see if the inhabitants of the Town will vote to purchase and erect one of the following monuments:

- A. Monument with bronze plaque, eagle dedicatory heading and names of all who served in World War II and Korean War—\$4,100.
- B. Monument with bronze plaque, eagle dedicatory heading and names of those who lost their lives in World War II or Korean War—\$2,600.
- C. Monument with bronze plaque, eagle dedicatory heading for both wars—\$2,100.

BUDGET COMMITTEE RECOMMENDS THIS ARTICLE BE PRESENTED TO TOWN MEETING WITHOUT RECOMMENDATION.

Art. 40. To see if the Town will vote to purchase bonds required of the Treasurer, Tax Collector, Town Clerk, Day Police Officer, and Office Clerk.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 41. To see if the Town will vote to allow the Board of Selectmen to appoint a Budget Committee of not more than 50 members to serve for one year without pay.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 42. To see if the Town will vote to authorize the Selectmen to sell and dispose of tax titles held by the Town on such terms as they deem advisable and to execute quitclaim deed for such property.

BUDGET COMMITTEE RECOMMENDS WE SO VOTE.

Art. 43. To see if the Town will vote to fix a date when taxes for 1961 shall become payable to the Collector.

BUDGET COMMITTEE RECOMMENDS November 1, 1962.

Art. 44. To see if the Town will vote to charge interest and at what rate and to fix a date when interest shall commence on all taxes remaining unpaid December 31, 1962.

BUDGET COMMITTEE RECOMMENDS THAT INTEREST OF 6% BE CHARGED FROM NOVEMBER 1, 1962, ON ALL TAXES REMAINING UNPAID DECEMBER 31, 1962.

Art. 45. To transact any other business that may lawfully come before said meeting.

The Registrar gives notice that she will be at the Norway Fire Station, Monday, March 5th, 1962, at 10:00 A. M. for the purpose of receiving names and correcting the list of voters.

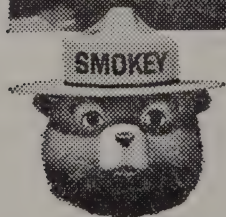

Given under our hands at Norway, Maine, this 7th day of February, 1962.

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance of Town Meeting.

If copies are left at home there may not be a sufficient number at the hall to go around on Town Meeting day, so please bring this copy to the meeting.

To the Honorable Selectmen and Citizens of the Town of Norway:

It is with pleasure I present this, my sixth annual report as your Town Manager.

This report is for the year ending December 31, 1962, and is compiled in accordance with the requirements of Chapter 90 A, Section 40, Sub. I thru VII, also Chapter 90 A, Sec. 26 and Sub. V.

I am grateful for the cooperation which I have received from the Board of Selectmen, all town employees and to the citizens of Norway for their continued support in town affairs.

Respectfully submitted,

DONALD F. McALLISTER
Town Manager

 Assessors, Town of Norway

Report of Town Manager

1962

To the Board of Selectmen and Citizens of the town of Norway:

I herewith submit to you my annual report on the municipal activities of the Town of Norway for the year 1962, it being the twentieth year under the Selectmen-Town Manager form of government.

GENERAL GOVERNMENT

This report covers all accounts under the control of the Selectmen and Town Manager and audited by the State Department of Audit. The Auditor's report is published in full herewith. The Selectmen held 31 meetings in 1962 and nearly all had 100% attendance record. Chairman, Robert Orre has missed only one meeting in nine years. Lewis Richardson, Paul Nevers, William Meserve and Ralph Hascall all have impressive attendance records covering from two—eight years. This is a fine record and I appreciate their cooperation.

Money made available at last town meeting for two-way radios was used for this purpose. We purchased 13 Motorola Radios and they were installed in the Fire Department Trucks and the Highway Department Vehicles. This communication system is doing much in helping these two departments to perform a better service to our community.

SUMMER ROADS

In 1962 the Sodom road was surfaced, graveled and tarred from the Hospital road to the top of Sand Pond Hill. The Dyer Road was rebuilt from the Harrison Road to the Hospital Road and will be tarred next year. We also rebuilt a section of Pleasant Street extension which leaves about .4 of a mile to complete this project. When completed it will be an improved road to the Crockett Ridge section of Norway. Many of our streets received a new coating of tar as well as some of our rural roads. State Aid money was spent on rebuilding a section of the Millettville road.

Due to heavy rains late in the summer and fall, we spent a lot of time grading our graveled roads and replacing culverts. One of the big items in road-building is gravel. Gravel deposits usually are a long distance away from our road projects and as a result contribute substantially to the increased cost of road building. For 1963 Town Road Improvement money should be spent on the Doughty road. Rebuilding Funds should be used to rebuild Sanborn Street and Dean Avenue.

SANITARY SEWERS

The Selectmen and Town Manager have had several meetings with the Water Improvement Board regarding a system

for treatment of sewer solids. It is the Water Improvement Board's suggestion that the Town start on this project as soon as possible so as to take advantage of the State Aid Federal funds that are available now.

The present sanitary sewer, especially on lower Main Street is greatly overloaded. The engineering firm of Wright & Pierce recommends that a new 18" line be laid from Danforth Street to the outfalls. The present line could be left intact and could be used in the future for surface drainage.

PROTECTION

The Fire Department trucks, pumpers and equipment are kept in excellent condition under the guidance of Chief Butters. For more information see the Fire Chief's report.

POLICE DEPARTMENT

Our police department continues to receive full cooperation from the Sheriff's Department and State Police. The following is a summary of the reports on file at the town office.

Investigations	556
Accidents	53
Doors left open	44
Windows left open	3
Dog Complaints	43
Cars Tagged	759
Cars Stopped	265
Warnings Issued	193
Arrests	27
Meters Repaired	37

WINTER HIGHWAYS

It is our aim to keep our highways plowed and sanded so as to enable the workers to reach their places of employment on time. We spend a large amount of our winter appropriation money on snow removal from our streets. Many of the streets are narrow and snow removal from the sides of these streets are a must if we are to avoid accidents. The highway crew work long hours after each storm and I know their work is appreciated by all our citizens.

SIDEWALKS

The \$1,000.00 appropriated for sidewalks in 1962 was spent on Deering and Cottage Streets. We will continue our program of rebuilding sidewalks within the town in 1963.

HEALTH AND WELFARE

In 1962 we furnished aid to 39 Town Poor, 22 cases from Other Towns and 21 State cases. Norway has five cases at the present time that need weekly help. This is one department where a decrease in appropriations has been noted for the past five years. In 1957 the town spent over \$17,000.00 and our total cost of operating this department in 1962 was \$4,443.69.

We continue to receive excellent cooperation from the various State Health and Welfare Departments.

STORM SEWER

In 1962 a storm sewer was installed on Tucker, Beal and Winter Streets and connected to the existing storm sewer on Paris Street. Palmer Construction Company laid this sewer.

SHADE TREES

In 1962 we planted forty Red Crimson maple trees on the following streets: Edgewood Lane, Pearl Street, Beal Street and Fair Street. The town office received numerous compliments on this project.

In 1962 we scouted the shade trees within the town. Samples of the bark was sent to Augusta for analysis and the tests showed that we had twelve elm trees with Dutch Elm disease. These trees were cut down in the fall and hauled to the dump to be burned.

STATE VALUATION COMMITTEE

Under Article 36 in last year's warrant, a committee of ten were appointed to study the state valuation as it applies to the Town of Norway. The Committee included the five selectmen, the town manager, John P. Cullinan, Gordon D. Powers, Winfield O. Partridge and Charles F. Cummings. Several meetings were held, the last one with Mr. Edward Birkenwald, Director Property Tax Division at Augusta. As a result of this meeting the State reduced the Town of Norway's valuation \$200,000.; from \$7,500,000. to \$7,300,000. This reduction was beneficial as it increased the State subsidies to the School District. It also benefited the Norway taxpayers as it lowered our share of the cost of the School District. It is my recommendation that a like committee be appointed in 1964, the year that the next State Board of Equalization is in session.

EQUIPMENT AND GARAGE ACCOUNT

Within this town report you will find pictures of the equipment and vehicles that the town owns. You will note that we replaced two trucks this year. One a 1962, Model 6000 G. M. C. with four-wheel drive, the other a Model 5005, G. M. C. dump truck. The Model 6000 was equipped with a new Frink V plow and wings. This truck has caused us a lot of trouble, and the factory is replacing the Nepco unit with a completely new unit and we hope it will solve our troubles. The rest of our equipment is in good repair except the 1956 F. W. D. truck which will have to be replaced in 1963.

To all Town officials, employees and citizens, I thank you for your loyalty and cooperation. I will continue to serve you to the best of my ability.

Respectfully submitted,

DONALD F. McALLISTER,

Town Manager

1962 GMC TRUCK—4-wheel drive, Snowplow, Cost \$18,387.50

1956 F. W. D. TRUCK—4-wheel drive, Snowplow, Cost \$14,850

Total		\$556 38

ACTIVITIES

Two major events this year were National Library Week and the Spring Round Table meeting.

National Library Week takes place the second week in April and is observed throughout the nation to make the public more

aware of the resources of their local libraries. This year because of the recent drive for books for Finland, the library chose to honor our citizens of Finnish descent. The open house on Monday evening was well attended and most enjoyable, and we are most grateful to all who contributed to its success. During the week a contest was sponsored for the best essay on "What the Library Means to Me", and a story hour was held on Saturday which continued the theme of Finland.

In May the district meeting of the Librarians' Round Table, which is sponsored by the State Library, was held in Norway. This was an all day meeting with talks on reference and children's books and a general discussion of the survey which has been made of Maine libraries. Since that time the librarian and trustees have attended a dinner meeting in Auburn for further discussion of the same subjects. The purpose of these meetings have been to attempt to set an adequate standard for libraries throughout the state, to improve the service to the public, and to develop cooperation between libraries.

The third big event was National Book Week in November when the teachers bring the children to the Library in classes to acquaint them with the use of the library. Each afternoon two groups came for an hour or longer and were instructed in the history and use of the library. Before leaving they were told a story.

A summer reading program was fairly successful.

Several interesting displays were set up during the year. One of the most interesting was a collection of playing cards by Mrs. Joseph Bailey of South Paris.

In presenting this, my twenty-fifth annual report, I would like to mention some of the changes I have noticed during this time. No longer is the library principally a source of reading. To be sure the number of fiction circulated is still larger than non-fiction, but the ratio is changing every year. Twenty-five years ago we had little call for books beyond high school level. Today with teachers taking extension courses and college students getting home more often, we are including more advanced material. The total circulation of books is generally considered as the measure of the library's activities. This is no longer true, for the reference side of the work is becoming the measure of its usefulness. It is not uncommon for a student to require fifteen or twenty magazines from the files for a single reference problem and not at all unusual to see every table occupied by people doing reference work. This is the true worth of your library when people realize it is THEIR library to be used to further their education, to help them lay a cement walk, to refinish furniture, sail a boat or any one of hundreds of other problems, then it is truly serving the people.

Respectfully submitted,

WINIFRED M. BICKFORD
Librarian

Report of Treasurer of Norway Memorial Library

Norway, Maine

January 2, 1963

To the Trustees of Norway Memorial Library:

I submit below my report as Treasurer for the year of 1962.

Receipts	
Voted at the Annual Meeting	\$5,300 00

State Library Meeting attendance	12 00
M. M. Murphy, programs	7 70
Librarian's attendance at Trustee's meetings	3 00
Flowers for Z. L. Merchant urns	5 15
Maine State Library Ass'n., dues	4 00
Four unclassified items	9 00

Total \$7,474 81

During the year two bequests have been received. Both are unrestricted and will be invested and the income added to the annual income each year.

They are

\$1,000 bequeathed by Miss Beatrice Stone of Norway
\$1,000 bequeathed by Mrs. Lucia Trowbridge Carroll of Norway

In addition, a fund set up to construct a suitable fence around the Library lot now amounts to \$216.39.

The State of Maine stipend will not be paid in future years, because of the size of the amount voted by the Town.

There are no unpaid bills in the hands of the Treasurer.

Respectfully submitted,

FRED E. SMITH, Treasurer

Report of Sealer of Weights and Measures

Norway, Me., Dec. 31, 1962

To the Selectmen of Norway:

I herewith submit my report as Sealer of Weights and Measures for the Town of Norway for 1962.

1960 MICHIGAN LOADER, COST \$20,555

1961 GALION GRADER WITH SNOW WING, COST \$23,000

Important

NOTICE TO TAXPAYERS

ALL TAXPAYERS SHOULD READ THE FOLLOWING
REQUIREMENTS AND COMPLY WITH THEM:

"Sec. 34, Ch. 91A, Revised Statutes of Maine, 1957. Assessors to give notice to bring in lists of taxable property; if no lists are brought in, no claim for abatement. Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is hereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayers."

The assessors hereby give notice that they will be in session at the Town Office on April 1, 1963 from 9:30 A. M. to 5:00 P. M. for the purpose above stated.

Report of Norway Recreation Department

In the first year of operation the Norway Playground filled a need in the overall life of the town. A play area, well equipped and supervised, gave the youngsters of the town and their summer guests the opportunity to play safely and, if they chose, with organization. Many parents felt relieved to know that they could leave their youngsters and go to do things which had to be done.

Over four hundred youngsters made use of the playground facilities at some time during the summer period. Many came only occasionally, others regularly, and it would be difficult to estimate daily attendance, but a fair estimate would be around sixty-five daily.

Poor weather, which made a sustained program a difficulty, a lack of adequate area for ball games were drawbacks. With the ball fields available, after fill is put in, a considerable number of boys and girls in the age group between 9 and 12 years would be more regular in attendance. Leagues, supervised but not too rigidly organized, could be formed and would provide a fine recreational outlet during the day.

Regularly scheduled events such as treasure hunts, shows and contests were well attended and should be used more frequently. A clay-topped basketball court would be very useful and shade around the quiet activity area and sand boxes is a must.

Equipment which could be used to good advantage would be a castle or jungle gym and a merry-go-round. A wading pool would be valuable.

There is ample athletic equipment on hand. Only additional quiet games and puzzles need be added. There is a considerable amount of newsprint paper which was given by the Advertiser-Democrat for coloring and drawing.

Respectfully submitted,

JAMES A. BEAUDRY

Annual Report of Public Health Nursing Service

FOR THE YEAR ENDING DECEMBER 31, 1962

Your public health nurse is a member of the staff of the Department of Health and Welfare, Division of Public Health Nursing. The nurse renders what is termed a generalized service. This means that she gives service to people in their homes, in schools, and in the community.

At present, statistics show that seventeen million people over sixty-five years of age have chronic illnesses. Because of this, much emphasis is now placed on the problem of care and rehabilitation of the chronically ill and aged in the home. These individuals require a long period of care under medical supervision and assistance in achieving a higher level of self-care and independence. Your public health nurse, as a member of the medical team of professional workers, will be glad to assist these people and their families.

Many home visits were made on behalf of school children as followups of referrals made by school personnel or because of clinic recommendations. There are twenty-nine children registered with the state services such as Cardiac, Hard of Hearing, Mental Health, and Orthopedic Clinics, and The Division of Eye Care and Special Services. One of these children benefits by the use of special large type books identical to those used by the class. A number of children were referred to Hard of Hearing Clinic as a result of findings from audiometer tests and physical examinations by the family physician. Five children have had surgery to help them with their hearing problem.

Following is a statistical report on some of the school services:

Number of Immunization Clinics	4
Attendance	505
Completed Diphtheria—Tetanus (combined)	367
Smallpox Vaccinations	371
Audiometer Tests	183

Appreciation is expressed to all persons in the community who have assisted in any way with this program.

Respectfully submitted,

RUTH M. CHOATE, R. N.
Public Health Nurse

Annual Report of the Health Officer

During the month of May, free vaccinations against small-pox were offered the citizens of Norway. A total of 371 vaccinations were given in school clinics and 27 vaccinations were given in my office.

A total of 627 Diphtheria-Tetanus immunizations were given to children in two school clinics.

The following communicable diseases were reported during the year:

- Measles, 39 cases
- German measles, 2 cases
- Mumps, 7 cases
- Infectious Hepatitis, 11 cases
- Chicken pox, 5 cases
- Bacterial meningitis, 1 case
- Impetigo, 2 cases

Respectfully submitted,

ROLAND L. McCORMACK, M. D.

Attention Veterans

REVISED STATUTES, 1957, CHAPTER 91A SEC. 10 AN ACT RELATING TO EXEMPTIONS FROM TAXATION OF VETERANS

"Sub-Section III. The polls and estate of all persons who by reason of age, infirmity or proverty are in the judgment of the assessors unable to contribute toward the public charges; the estate up to the value of \$3,500 of all persons determined to be blind within the definition provided by sections 298 to 318, inclusive of chapter 25, who are receiving aid under the provisions of said sections; but no property conveyed to any persons for the purpose of obtaining exemption from taxation under this subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance, whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such person taxable in the state." (1953, c. 291, Sec. 1. 1954, c. 92, Sec. 10.)

"The polls of all soldiers, sailors and marines who served in the army or navy of the U. S. in the Philippine Insurrection or any federally recognized war period prior thereto, or who served in World Wars I or II or the Korean Campaign who receive state pension; the polls of all soldiers, sailors or marines who are receiving pension or retirement pay or compensation or vocational training from the United States government on account of disability incurred in or aggravated by service in said wars; and in the estates up to the value of \$3,500 of veterans who served in the armed forces of the United States during any federally recognized war period, including the Korean campaign, who were honorably discharged or honorably separated and retired to the reserve, when they shall have reached the age of 62 years or are receiving any form of pension or compensation from the United States Government for total disability, service connected or non-service connected, as a veteran; and the estates up to the value of \$3,500 of the unmarried widow or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the federal government as the widow or minor child of a veteran: **provided, however, that no person shall qualify for such exemption unless the veteran upon whose record the exemption is claimed was a legal resident of this state when he entered the military service of the United States or unless such veteran or his widow has been a legal resident of this state for at least 10 years prior to making the claim for exemption; and provided further that any person hereinbefore enumerated who desires to secure this exemption shall file written proof of entitlement on or before the first day of April with the assessors of the town in which he resides, whereupon the assessors shall grant such exemption to such person while so qualified or until notified of reason or desire for discontinuance; but no property conveyed to any person for the purpose of obtaining exemption from taxation under the subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such persons taxable in the state.—R. S." (1947, c. 29. 1951, c. 1957, Sec. 3; c. 160. 1953, c. 265, Sec. 6; c. 291, Sec. 2; 1954 c. 92—Sec. 10; 1959 c. 91A, Sec. 10.) as amended.**

Report of Fire Chief

To the citizens of the Town of Norway, I herewith submit my report for the year 1962:

ALARMS

Bell Alarms—3
False Alarms—1
Chimney—13
Flooded Oil Burners—4
Cars—2
Still Alarms—20
Lost Persons—1
Drownings—1

OUT OF TOWN FIRES

Paris—3
Auburn—3
Mechanic Falls—1
Oxford—1

FOREST FIRES

Norway—6
Mechanic Falls—1
Otisfield—1
Harrison—1

HOSE AND LADDERS USED

Booster Hose—1750 ft.
1½ inch Hose—4100 ft.
2½ inch Hose—9500 ft.
Ladders—495 ft.

During 1962 all pumps were tested for their rated capacity and found to be in satisfactory condition.

On November 19, after answering a false alarm, the ladder truck was parked in front of the station and was run into by a car. The 55' Bangor ladder and (1) 28' and (1) 24' truss wall ladders were damaged. The 55' and 24' ladders were damaged beyond repair. The cost to replace these two ladders and repair the 28' ladder was approximately \$1,000.00. As of this date the insurance company has not adjusted this claim.

The two-way radio system was installed in November. Fire department and highway department's reception throughout the town and rural area has proven very satisfactory.

At this time I would like to thank the members of the department, the town manager, board of selectmen, Mrs. Smith, Mrs. Thorp, Don Hunt and my two assistant chiefs for their full cooperation.

Respectfully submitted,

ROBERT BUTTERS, Chief

Civil Defense and Public Safety

The year has been busy getting the Civil Defense setup up to date, getting the reports in and setting up a new control center.

Here in Norway we are holding a nucleus of trained personnel together and have a much improved radio communication system, a very good Police Reserve and are in hopes to continue to improve over all in 1963.

I wish to thank our Town Manager, Selectmen, also the Staff, Police, our new Chief of Communications, Feeding Teams and First Aid for their cooperation.

Hoping that in the year of 1963 we advance as much as in 1962.

Respectfully submitted,

ROYCE B. GORDON

Director of Civil Defense and
Public Safety

STATE OF MAINE

AuditAugusta

January 29, 1963

Board of Selectmen

Norway,

Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, as amended, an audit has been conducted of the financial records of the Town of Norway for the fiscal year ended December 31, 1962.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1962, and the results of its operations for the year then ended.

Respectfully submitted,

MICHAEL A. NAPOLITANO

State Auditor

MAN:lf

Comments

TOWN OF NORWAY

JANUARY 1, 1962 TO DECEMBER 31, 1962

An audit of the financial records of the Town of Norway has been completed for the fiscal year ended December 31, 1962. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The operations for the year showed a gain of \$19,380.32, which was accounted for as follows:

Departmental Balances Lapsed	\$10,954 05
Actual Income Over Estimate	8,426 27
Gain For Year	\$19,380 32

The unexpended departmental balances were noted particularly in the building and rebuilding streets, town poor, interest and overlay accounts. The major overdrafts occurred in the winter maintenance and abatement accounts.

The actual income received was \$33,426.27, as compared with an estimate of \$25,000.00 for the year. The additional income was lapsed to surplus.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general fund cash balance of \$29,821.02 was on deposit in the Norway National Bank, Norway, Maine at December 31, 1962.

Accounts receivable of \$1,604.47 included for the most part reimbursable expenditures made for State and other municipalities' welfare cases.

Taxes receivable totaling \$14,490.61 consisted principally of unpaid current year accounts.

Tax liens and tax acquired property amounted to \$1,990.34 and \$336.11 respectively.

Unpaid sewer assessments totaled \$5,115.22 and are summarized as follows:

Spring Street and Dean Avenue	\$1,435 32
Lower Main Street	195 46
Greenleaf Avenue	3,484 44
Total	\$5,115 22

LIABILITIES, RESERVES AND SURPLUS . . . The departmental accounts showed an unexpended balance of \$18,806.78, representing various operating account balances that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an unexpended balance of \$4,306.40, as compared with a balance of \$2,470.31 in the preceding year.

The unappropriated surplus amounted to \$30,167.48, a decrease of \$1,220.45 for the year. This change was occasioned principally by an authorized transfer to reduce the tax levy, less the net unexpended departmental balance lapsed and the excess of actual income over estimate.

DEBT FUND . . . The debt fund, incorporated in the balance sheet as a separate fund, reflects an outstanding Opera House note of \$8,000.00. This obligation matures during the ensuing eight years.

WORKING CAPITAL FUND . . . The cash balance of \$775.83 in the working capital fund was on deposit in the Norway National Bank, Norway, Maine at December 31, 1962.

A note of \$9,500.00 issued in the current year to finance equipment purchases, is due the Norway National Bank in August, 1963 with interest at 2%.

Current operations showed an increase of expenditures over receipts of \$1,920.52. Receipts totaling \$55,232.53 were derived principally from departmental use of equipment and issuance of short term notes. Expenditures totaled \$57,153.05, of which maintenance expense, purchase of new equipment and payment of notes were the major items.

RESERVE AND TRUST FUNDS . . . The capital reserve fund established for fire equipment replacement amounted to \$405.32 and was on deposit in the Norway Savings Bank at December 31, 1962.

In accordance with a vote of the townspeople, the land and/or new school building reserve fund was dissolved and the fund balance of \$5,629.69 was used to reduce the tax levy as pertained to the assessment made by School Administrative District #17.

The total amount of trust fund principals was \$8,782.00 and unexpended income amounted to \$6,745.54. These funds are on deposit in the Norway Savings Bank and Norway National Bank.

DEPARTMENTAL ACCOUNTS . . . The departmental operating accounts showed an increase of \$43,227.62 in funds raised by taxation, as compared with the preceding year. Larger appropriations for education, protection and overlay were the major factors contributing to the increase.

The departmental balances carried forward increased by \$7,089.05, as compared with balances at the start of the year. This change was reflected principally in the protection, health and sanitation, and highways and bridges accounts.

GENERAL . . . The townspeople authorized the transfer from surplus and the application of estimated income to reduce the tax levy. Authority also was granted to purchase new highway equipment and to issue notes to finance same.

SCOPE OF AUDIT

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

Excise tax collections were verified by examination of copies of the receipts retained by the collector. Trust fund transactions were reviewed and investments verified. Surety bond coverage was examined.

Warrant for 1963 Town Meeting

State of Maine

County of Oxford, ss.

To Benjamin Tucker, Jr., a citizen of the Town of Norway,

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Norway, qualified to vote in town affairs, to assemble at the Norway Fire Station, in said town on (Monday) the 4th day of March, A. D. 1963 at 11:45 o'clock in the forenoon then and there to act on Articles numbered 1 and 2; and to notify and warn said voters to meet at the Norway Opera House in said town, on (Monday) the 4th day of March, A. D. 1963, at 7:30 o'clock in the afternoon, then and there to act on Articles 3 through 44; all said Articles being set out below, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To elect all necessary town officers as are required to be elected by Secret Ballot, (R. S. C. 90A S37). The polls for voting on Article 2 will be opened at twelve o'clock noon (12:00) March 4th, 1963, and will close at seven o'clock (7:00) in the evening.

Art. 3. To see if the Town will vote to accept the report of the Town Officials.

Art. 4. To see if the Town will vote to continue the Estimated Income Account, and to see if the Town will vote to appropriate to this account the following estimated 1963 income from the following sources:

- A. Excise Taxes.
- B. Traffic Violation fines.
- C. Bank Stock, Telephone, Telegraph, and Railroad Taxes.
- D. Licenses, Dog Tax Refund.
- E. To reappropriate \$15,000. from the unappropriated Surplus Account for the purpose of reducing the 1963 tax rate. (The total estimated income is to be deducted from the 1963 appropriations before calculating the 1963 tax rate.)

Budget Committee Recommends We So Vote.

Art. 5. To see what compensation each member of the Board of Selectmen shall receive for the ensuing year.

Budget Committee Recommends \$200.00 Each Member.

Art. 6. To see what compensation members of the Board of Assessors shall receive for the ensuing year.

Budget Committee Recommends \$1,500. To Be Divided Among Members.

Art. 7. To see what compensation the Town Clerk shall receive for the ensuing year.

Budget Committee Recommends \$250.00.

Art. 8. To see what disposition the town will vote to make of the income now on deposit from the Fred W. and Laura A. Sanborn Trust Fund, \$1,418.00.

Budget Committee Recommends That The 1962 Income Be Added To The Amount Already On Deposit And Left To Accumulate. (Norway National Bank, Savings Book #977) Balance, December 31, 1961, \$4,059.00, Interest \$144.28, 1962 Income \$1,418.00, Total \$5,621.52.

Art. 9. To see what disposition the Town will vote to make of the income now on deposit from the Herbert Denison Cole Trust Fund. Interest earned 1962 was \$12.50, now on deposit in the Norway National Bank, Savings Book #7471.

Budget Committee Recommends That The 1962 Interest Be Added To The Amount On Deposit.

Art. 10. To see what sums of money the Town will vote to raise and appropriate for Administration for the ensuing year.

1. Town Officers' Salaries

1962 Raised \$10,350.

1963 Budget Com. Rec. \$10,350Appropriated

2. Town Office Expense

1962 Raised \$6,500.

1963 Budget Com. Rec. \$7,000Appropriated

Art. 11. To see what compensation the Fire Chief shall receive for the ensuing year.

Budget Committee Recommends \$500. and \$1.50 per hour While Fighting Fires.

Art. 12. To see what sum of money the town will vote to defray the expenses of the Fire Chief for the ensuing year.

Budget Committee Recommends \$300.

Art. 13. To see what compensation the 1st and 2nd Engineers of the Fire Department shall receive for the ensuing year.

Budget Committee Recommends \$300. Each Engineer and \$1.50 per hour While Fighting Fires.

Art. 14. To see what compensation members of the Fire Department shall receive for the ensuing year.

Budget Committee Recommends \$1.50 per hour Per Member For Time Served.

Art. 15. To see what sums of money the Town will vote to raise and appropriate for the following Protection items:

1. Fire Department

1962 Raised \$8,100.

Budget Com. Rec. \$1,600Appropriated

Art. 35. To see what sum of money the Town will vote to raise and appropriate for payment of interest for the ensuing year.

1962 Raised \$2,000

1963 Budget Com. Rec. \$1,500Appropriated

Art. 36. To see if the Town will vote to raise and appropriate \$1,000 for the purpose of microfilming the Town Records.

Budget Committee Recommends this article be presented to Town Meeting without recommendation.

Art. 37. To see if the Town will vote to authorize the Board of Selectmen on behalf of the inhabitants of the Town to purchase from Central Maine Power Company for the sum of Twelve Hundred Dollars (\$1,200) the land formerly known as the "Carding Mill Lot" upon which the northeasterly end of Norway Village Improvement Association dam is now located. Purchase shall include a quit-claim by Central Maine Power Company of any rights it may have in said dam and release all of its claims for non-reimbursement and erroneous assessment of taxes against said dam and property, but shall not include ownership of water and riparian rights in Pennessseewassee Stream.

Budget Committee Recommends that the Town purchase this property.

Art. 38. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1,200) for the purchase of the "Carding Mill Lot" as set forth in the preceding Article.

Art. 38A. Or, to see if the Town will vote to transfer the sum of \$1,200 from the town-owned property account to pay for Article 37.

Budget Committee Recommends we transfer the sum of \$1,200 from the town-owned property account to pay for Article 37.

Art. 39. To see if the Town will vote to purchase bonds required of the Treasurer, Tax Collector, Town Clerk, Day Police Officer, and Office Clerk.

Budget Committee Recommends we so vote.

Art. 40. To see if the Town will vote to allow the Board of Selectmen to appoint a Budget Committee of not more than 50 members to serve for one year without pay.

Budget Committee Recommends we so vote.

Art. 41. To see if the Town will vote to authorize the Selectmen to sell and dispose of tax titles held by the Town on such terms as they deem advisable and to execute quit-claim deeds for such property.

Budget Committee Recommends we so vote.

Art. 42. To see if the Town will vote to fix a date when taxes for 1963 shall become payable to the Collector.

Budget Committee Recommends November 1, 1963.

Art. 43. To see if the Town will vote to charge interest and at what rate and to fix a date when interest shall commence on all taxes remaining unpaid December 31, 1963.

Budget Committee Recommends that interest of 6% be charged from November 1, 1963, on all taxes remaining unpaid December 31, 1963.

Art. 44. To transact any other business that may lawfully come before said meeting.

Notice is hereby given that the Registrar of Voters will be in session at the Norway Town Office on February 25th, 26th, 27th, and 28th, between the hours of 8:00 A. M. and 5:00 P. M., for the purpose of revising the list of voters and accepting new registrations.

Given under our hands at Norway, Maine this 5th day of February, 1963.

Dog Owners Attention

Chapter 100, Section 10, Revised Statutes of 1954 "On or before the 1st day of April of each year the owner or keeper of any dog 6 months old or over shall apply to the city or town clerk either orally or in writing for a license for each dog owned or kept by him. Such application shall state the breed, sex, color, and markings of such dogs".

Apply to the Town Clerk on or before April 1st for your dog license. See that your dog wears a collar and a license tag attached to it.

Avoid paying the Constable's fee of \$2.00 by being prompt in licensing your dog.

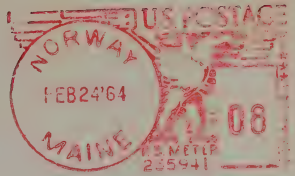

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance of Town Meeting.

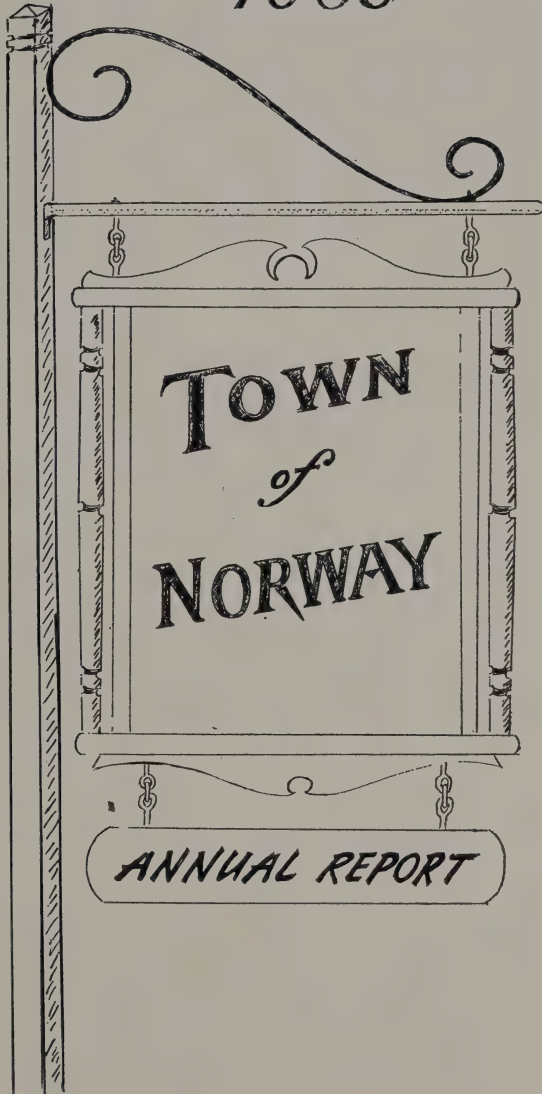

If copies are left at home there may not be a sufficient number at the hall to go around on Town Meeting day, so please bring this copy to the meeting.

Letter of Transmittal

To the Honorable Selectmen and Citizens of the Town of Norway:

It is with pleasure I present this, my seventh annual report as your Town Manager.

This report is for the year ending December 31, 1963, and is compiled in accordance with the requirements of Chapter 90 A, Section 40, Sub. I thru VII, also Chapter 90 A, Sec. 26 and Sub. V.

I am grateful for the cooperation which I have received from the Board of Selectmen, all town employees, State Agencies and to the citizens of Norway for their continued support in town affairs

Respectfully submitted,

DONALD F. McALLISTER

Town Manager

 Assessors, Town of Norway

Report of Town Manager

1963

To the Board of Selectmen and Citizens of the town of Norway:

I herewith submit to you my annual report on the municipal activities of the Town of Norway for the year 1963, it being the twenty-first year under the Selectmen-Town Manager form of government.

GENERAL GOVERNMENT

This report covers all accounts under the control of the Selectmen and Town Manager, plus department reports from the Town Clerk, Trustees-Norway Library, Fire Chief, Civil Defense, State Health & Welfare Department, the Health Officer and Sealer of Weights & Measures. Our books are audited by the State Department of Audit and the 1963 Auditors report is published in full herewith.

The Selectmen continue to give me their full support and all continue to have impressive attendance records.

There were two special town meetings called; in August, the municipal officers asked the inhabitants of the town to give them permission to file an application for Federal and State Aid funds for construction of a sewerage treatment plant. This request was voted down. The second special meeting was held for the purpose of financing a new heating system for the Opera House and transferring funds from the surplus account to the snow-removal account. Both articles were approved and voted favorably upon.

PUBLIC WORKS PROGRAM

The Public Works Department had a very busy and productive 1963. State Aid money was used on the Crockett Ridge causeway. This road was widened about 10' for a distance of about 340'. Many favorable comments were received on the project.

Town Road Improvement money was used to complete the Pleasant Street project started three years ago. We also used Town Road Improvement funds supplemented by town funds to rebuild a section of road at Yagger and the Doughty road by the Country Club.

Carter Street was extended about 300' with water and sanitary sewer pipes laid. One new house has been built on this location.

Spring cleanup of streets and sidewalks started late in March with part of the regular crew plus five temporary men, and was completed the first of May. During this period, Don Hunt and helpers graded all the country roads and put them into condition for summer travel. The fall clean-up was slow but we managed to collect most of the fallen leaves before the first snowfall.

All catchbasins were cleaned once and those at the foot of Pikes Hill were cleaned several times. For the most part two men and a truck were used on an average of three days per week patching streets and roads.

The usual tar surface treatment program was late in starting but we did apply over 40,000 gallons of tar.

Twenty red crimson maple trees were planted to replace maple or elm trees taken down. The elm shade trees were sprayed to combat the elm leaf beetle. We had nine infected elms, but these were taken down and properly disposed of.

The maple trees are now becoming a problem. It is thought that salt from the highways is finding its way to the roots of the maple trees and is slowly killing them.

Grass cutting and trimming along Main Street and Witherell Park was carried out and our cemeteries were well taken care of throughout the summer and fall.

The town acquired a new Warsaw snow-blower early in January, 1963. It is a good piece of equipment to have; it not only picks up snow on the street but was used several times out in the country to remove drifts.

Snow removal was an expensive operation in 1963. Week end storms kept our crews and equipment in operation night and day. This is one municipal service that the public expects and our highway crews can be loudly commended for their efficiency.

WELFARE

In 1963 the town furnished aid to 89 families, representing 221 people. Norway's case load was 39 families representing 64 people. Many of the cases had financial aid only once or twice. The winter months show the greatest load. Two burials were arranged. People over 65 should investigate the hospital aid that is available under the Kerr-Mills act, known to us as the "Medical Aid for the Aged" (M A A). The various State Health and Welfare Departments continue to give this office excellent cooperation.

POLICE

There has been one change in our police personnel; Raymond H. Judkins replaced Albert Flanders who resigned. Raymond is a young man and is taking his work seriously and with the help and guidance of officers, Guilford and Patton, will make a valuable addition to our police force. Royce Gordon has been appointed a police officer and works vacations and when needed.

The following is a summary of the police reports on file at the town office:

Investigations	609
Accidents	62
Doors left open	31
Windows	8
Dog Complaints	69
Cars tagged	852
Cars stopped	793
Warnings issued	429
Arrests	53
Meters repaired	49
Miscellaneous complaints	108

ACTIVITIES

Early in the year, Governor Reed called a State Conference for Library Trustees, for the purpose of discussing common problems and pooling ideas for improving library services. As an outgrowth of this conference, Mr. Elliot Cummings, one of

the discussion leaders, was elected president of the First Trustees Section of the Maine Library Association.

The theme of National Library Week in April was "Know Your Community". Open House was observed with a timely lecture demonstration on the forthcoming total eclipse of the sun. Throughout the week there were daily radio broadcasts. On the final day, the young people had a varied program of music, magic and puppetry, with a story by Mrs. Bickford, concluding the week's activities.

A Finnish art exhibit, set up by Donald McAllister, created much interest. This unique display was the work of 10-17 year old Finnish students.

In September, Mrs. Winifred M. Bickford retired as librarian after more than 25 years of faithful, dedicated service. She became substitute and assistant librarian upon the appointment of Mrs. Helen E. Brown as head librarian.

The librarian and several trustees attended the district meeting of the Librarian's Round Table at Bath in the spring; and also the State Library Association meeting at Sebasco Estates in September. Not only do the meetings unite those of common interests but the exchange of ideas is beneficial to all.

In November, three State Extension librarians conducted a "weeding clinic" in our library to which approximately 25 librarians from surrounding towns were invited. Instruction was given in what and how to discard outworn, obsolete books in order to make more room for current material. It proved to be a very worthwhile session.

National Children's Book Week was observed in November when the teachers brought the children in classes to the Library to acquaint them with the history and use of the library. Each group was told a story.

A highlight of the year was the 25th anniversary celebration of the library on December 8th, when townspeople, former trustees and members of the Maine State Library staff gathered for a program and coffee hour. The featured speaker was Faunce Pendexter whose subject was "The Library in Today's World".

Although the library furnishes recreational reading for our many patrons, it continues to grow as an educational institution. In ordering books to expand the collection, much consideration is given to the needs of the students, as well as adults taking extension courses. The reference work in the library today is increasing at a rapid rate.

As I begin my fifth month as librarian, I wish to take this opportunity to thank the former librarian, Mrs. Bickford, for her valuable assistance; also the trustees for their helpful suggestions from time to time.

Respectfully submitted,
HELEN E. BROWN
Librarian

Report of Treasurer of Norway Memorial Library

Norway, Maine, January 2, 1964

Report of Sealer of Weights and Measures

Norway, Maine
Dec. 31, 1963

To the Selectmen of Norway:

I herewith submit my report as Sealer of Weights and Measures for the Town of Norway for 1963.

Number of scales tested	82
Number of gas pumps tested	36
Number of oil pumps tested	5
Number of yard measures	9

Respectfully submitted,

WILLIAM H. CARD,
Sealer of Weights and Measures

Town Clerk's Report

December 31, 1963

To the Selectmen and Citizens of the Town of Norway:

The following returns of births, marriages and deaths have been made to this office for the year 1963:

BIRTHS

Number of births recorded	285
Number of males	149
Number of females	140
Number of births occurring in town	266
Number of births occurring out of town	23
Number from town	57
Number from out of town	209

MARRIAGES

Number of marriages recorded	64
Marriages licenses issued	51
Grooms:	
Number of widowers	5
Number of divorced	15
Oldest at marriage	69
Youngest at marriage	17
Brides:	
Number of widows	3
Number of divorced	14
Oldest at marriage	57
Youngest at marriage	15
Average age of groom at date of marriage	28
Average age of bride at date of marriage	25

DEATHS

Number of deaths recorded	94
Number in town	78
Number out of town	16
Number of males	57
Number of females	37
Youngest at date of death	1 hr. 31 min. (or 1½ hrs.)
Oldest at date of death	99
Average age at date of death	68

Under the Revised Statutes of 1954, Chapter 25, Sec. 397A, an itemized list of births, marriages and deaths cannot be published in the town report.

Respectfully submitted,

ELIZABETH B. SMITH

Town Clerk

Important

NOTICE TO TAXPAYERS

ALL TAXPAYERS SHOULD READ THE FOLLOWING REQUIREMENTS AND COMPLY WITH THEM:

"Sec. 34, Ch. 91A, Revised Statutes of Maine, 1957. Assessors to give notice to bring in lists of taxable property; if no lists are brought in, no claim for abatement. Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is hereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayers."

The assessors hereby give notice that they will be in session at the Town Office on April 1, 1963 from 9:30 A. M. to 5:00 P. M. for the purpose above stated.

Report of Norway Recreation Department

The Norway Recreation Department playground opened June 24, 1963 and closed August 16, 1963. One hundred-two youngsters, ages 5-13 were registered during the eight week period with an average attendance of 29.

It was determined that family vacations and 90+ temperatures had a definite effect on attendance. However only four days were lost due to storm.

Awnings were purchased by the town to provide shade area on hot days.

Highlights of the summer were a pet show, a track meet, drawings and sketches for an art exhibit, and a cookout supper.

The general program was planned around group games and contests with quiet activities during the hottest periods of each day. Clay was hauled in to provide a permanent basketball area. A jumping pit was dug and filled with sawdust and shavings.

All permanent equipment is in excellent condition and appears to weather well.

The fire department was responsible for the grading of a new ball field in one corner of the land. Bushes and grass were mowed by the town crew.

Recommendations are to continue the work on the basketball court and ball field as time and money permit. It is suggested that a planning board from the firemen be organized to determine a long range program for this area. In this way, over a period of years, one of the finest playgrounds anywhere can result.

Materials for arts and crafts should be purchased prior June 1st each year.

The director wishes to express thanks to Town Manager McAllister, the town crew, and parents for the confidence and cooperation extended. Special thanks is extended to Mrs. Laura Johnson, assistant director, and Mrs. Wesley Brown, who contributed a "helping hand" to make a successful program.

Respectfully submitted,

ARTHUR N. GOUIN, JR.

Director

Annual Report of Public Health Nursing Service

FOR THE YEAR ENDING, DECEMBER 31, 1963

Public health nursing aims to help individuals and families to realize their full potential for healthful living and independence. Its services are primarily family-centered with emphasis on prevention of disease, promotion of health, and rehabilitation.

Home visits have been made to individuals because of various needs. Some of the needs with which we were concerned were dental problems; ear, eye and throat conditions; heart disease; mental retardation; tuberculosis; rheumatic fever; cystic fibrosis; orthopedic conditions and emotional problems. Families have been assisted to obtain medical care through state clinics and town services on recommendations of their family physicians. Some of these children were sent to Boston clinics when special services were necessary.

Conferences have been held with doctors and school personnel regarding students who are under the supervision of the state clinics. In cooperation with the health officer and school personnel the regular school immunization clinics were held in the spring with an attendance of seven hundred and twelve students. Completed immunizations were as follows:

Immunizing Agent:	Numbers
Diphtheria-tetanus toxoid (in combination)	250
Salk poliomyelitis vaccine	665
Smallpox vaccine	123

It has been a pleasure working with all those who gave so generously of their time and services.

RUTH M. CHOATE, R. N.

Public Health Nurse

Annual Report of the Health Officer

In April three clinics were held for the purpose of giving Small Pox vaccinations to the school children of Norway.

In April and May, Polio clinics were held for the school children.

In May, two clinics were held for Diphtheria and Tetanus immunizations.

The following communicable diseases were reported during the year:

- Mumps, 69 cases
- Infectious Hepatitis, 17 cases
- German measles, 3 cases
- Streptococcal nasopharyngitis, 3 cases
- Chicken Pox, 5 cases
- Pertusis, 5 cases

Respectfully submitted,

ROLAND L. McCORMACK, M. D.

Attention Veterans

REVISED STATUTES, 1957, CHAPTER 91A SEC. 10 AN ACT RELATING TO EXEMPTIONS FROM TAXATION OF VETERANS

"Sub-Section III. The polls and estate of all persons who by reason of age, infirmity or poverty are in the judgment of the assessors unable to contribute toward the public charges; the estate up to the value of \$3,500 of all persons determined to be blind within the definition provided by sections 298 to 318, inclusive of chapter 25, who are receiving aid under the provisions of said sections; but no property conveyed to any persons for the purpose of obtaining exemption from taxation under this subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance, whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than

one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such person taxable in the state." (1953, c. 291, Sec. 1. 1954, c. 92, Sec. 10.)

"The polls of all soldiers, sailors and marines who served in the army or navy of the U. S. in the Philippine Insurrection or any federally recognized war period prior thereto, or who served in World Wars I or II or the Korean Campaign who receive state pension; the polls of all soldiers, sailors or marines who are receiving pension or retirement pay or compensation or vocational training from the United States government on account of disability incurred in or aggravated by service in said wars; and in the estates up to the value of \$3,500 of veterans who served in the armed forces of the United States during any federally recognized war period, including the Korean campaign, who were honorably discharged or honorably separated and retired to the reserve, when they shall have reached the age of 62 years or are receiving any form of pension or compensation from the United States Government for total disability, service connected or non-service connected, as a veteran; and the estates up to the value of \$3,500 of the unmarried widow or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the federal government as the widow or minor child of a veteran: **provided, however, that no person shall qualify for such exemption unless the veteran upon whose record the exemption is claimed was a legal resident of this state when he entered the military service of the United States or unless such veteran or his widow has been a legal resident of this state for at least 10 years prior to making the claim for exemption; and provided further that any person hereinbefore enumerated who desires to secure this exemption shall file written proof of entitlement on or before the first day of April with the assessors of the town in which he resides, whereupon the assessors shall grant such exemption to such person while so qualified or until notified of reason or desire for discontinuance; but no property conveyed to any person for the purpose of obtaining exemption from taxation under the subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such persons taxable in the state.—R. S."** (1947, c. 29. 1951, c. 1957, Sec. 3; c. 160. 1953, c. 265, Sec. 6; c. 291, Sec. 2; 1954 c. 92—Sec. 10; 1959 c. 91A, Sec. 10.) as amended.

Report of Fire Chief

To the citizens of the Town of Norway, I herewith submit my report for the year 1963.

--------------	---

HOSE AND LADDERS USED

Booster Hose	2,355 ft.
1½ inch Hose	2,800 ft.
2½ inch Hose	8,050 ft.
Ladders	393 ft.

During 1963 a training program sponsored by the Fire Service Training of the Department of Education was held. Ventilation, use of salvage covers, hose lays and ladder evolutions were studied. The engineers feel that this program has helped a great deal in improving the department.

During the dry season, a ban was put on all outdoor fires in the town of Norway. During this ban a patrol was set up to watch for fires out in the country. The CD police with their 2-way radios and members of the fire department patrolled each night from 6:30 until a heavy dew fell. These men worked at no expense to the town, and I wish to thank them for their interest and cooperation.

The two-way radio system has been a great help this past year in calling for additional equipment, plus use in checking for smoke when people are burning without permits. This is the second year for the two-way radio system in the fire department and as yet we have not spent any money for maintenance.

At this time I would like to thank the members of the fire department, the town manager, board of selectmen, Mrs. Smith, Mrs. Thorp, Donald Hunt and my two assistant chiefs for their full cooperation.

Respectfully submitted,

ROBERT BUTTERS, Chief

Fire Department

The fire chief, Robert Butters had a busy but successful year. He filled various speaking engagements, including visits to the schools to speak on fire prevention.

All fire department trucks, pumpers and equipment are in excellent condition.

A 1956 Chevrolet Chief's car has been added to the Fire Department. The car was from Civil Defense surplus and was painted and repaired at the expense of the Fire Department.

For detailed information see the Fire Chief's report.

The town fleet and equipment is in good condition. We will have to replace one truck in 1964, and overhaul the engine on our Michigan loader. Visitors are always welcome, either at the town office or garage.

The Maine Municipal Association notified us in November that the Town of Norway had been presented the Award of Excellence in its population class by the Association's Annual Municipal Report Competition.

To all town officials, employees and citizens, it's been a pleasure to work with you and for you. I like the attitudes that you live and work by, that is, let me do for Norway rather than—what can Norway do for me.

Respectfully submitted,

DONALD F. McALLISTER

Town Manager

Civil Defense and Public Safety

To the Selectmen and Citizens of the Town of Norway, I herewith submit my report for the year 1963.

The year has been busy, keeping all reports up to date. The control center has been painted out and remodeled for more efficient operation.

The Civil Defense Police attended two police schools this year. The Chief of C. D. Police Leon Abbot resigned his position, due to personal business pressure, and was replaced by Artland Rogers, Assistant Chief of C. D. Police. Chief Rogers appointed Loren Fournier his assistant. We have 10 C. D. Police with radio-equipped cars in Norway C. D. at the present time.

John Morgan, Chief of Communications for Norway C. D., has all communications working at top efficiency and has erected the antenna on the Opera House, so that our Control Center has a very efficient communications network.

I wish to thank the Town Manager, Don McAllister, the Selectmen, and all of the members of C. D. in Norway, for their hard work and cooperation through the year of 1963.

Hoping that in the year of 1964, we will advance as much as in 1963.

Respectfully,

ROYCE B. GORDON

Director of Civil Defense and
Public Safety

STATE OF MAINE

Audit

Augusta

January 17, 1964

Board of Selectmen

Norway,

Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, as amended, an audit has been conducted of the financial records of the Town of Norway for the fiscal year ended December 31, 1963.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1963, and the results of its operations for the year then ended.

Respectfully submitted,

MICHAEL A. NAPOJITANO

State Auditor

MAN:dt

Comments

TOWN OF NORWAY

JANUARY 1, 1963 TO DECEMBER 31, 1963

An audit has been completed of the financial records of the Town of Norway for the fiscal year ended December 31, 1963. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The operations for the year showed a gain of \$19,895.40, which was accounted for as follows:

Departmental Balances Lapsed	\$11,445 70
Actual Income Over Estimate	8,449 70
Gain For Year	\$19,895 40

The unexpended departmental balances were noted particularly in the protection and overlay accounts.

The actual income received was \$38,449.70, as compared with an estimate of \$30,000.00 for the year. The additional income was lapsed to surplus.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general fund cash balance of \$11,883.06 was on deposit in the Norway National Bank, Norway, Maine at December 31, 1963.

Accounts receivable of \$11,865.02 included for the most part monies due from the State for town road improvement, state aid road construction and reimbursable welfare cases.

Taxes receivable totaling \$13,622.34 consisted principally of unpaid current year accounts. Tax liens and tax acquired property amounted to \$5,362.44 and \$845.74 respectively.

Unpaid sewer assessments totaled \$4,305.31 and are summarized as follows:

Spring Street and Dean Avenue	\$1,013 01
Lower Main Street	183 75
Greenleaf Avenue	3,108 55
Total	\$4,305 31

LIABILITIES, RESERVES AND SURPLUS . . . The departmental accounts showed a net unexpended balance of \$14,355.00, representing various operating account balances that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an unexpended balance of \$5,356.00, as compared with a balance of \$4,306.40 in the preceding year.

The unappropriated surplus amounted to \$23,166.91, a decrease of \$2,000.57 for the year. This change was occasioned principally by authorized transfers to the winter maintenance account and for the reduction of the tax levy, less the net unexpended departmental balance lapsed and the excess of actual income over estimate.

DEBT FUND . . . The debt fund, incorporated in the balance sheet as a separate fund, reflects an outstanding Opera House note of \$7,000.00. This obligation matures during the ensuing seven years.

WORKING CAPITAL FUND . . . The cash balance of \$2,999.46 in the working capital fund was on deposit in the Norway National Bank, Norway, Maine at December 31, 1963.

A note of \$5,000.00, issued in the current year to finance purchase of new equipment, is due the Norway National Bank in February 1964 with interest at 2%.

Current operations showed an increase of receipts over expenditures of \$2,223.63. Receipts totaling \$50,500.00 were derived principally from departmental use of equipment and issuance of a short term note. Expenditures totaled \$48,276.37 of which maintenance expense, purchase of new equipment and payment of notes were the major items.

RESERVE AND TRUST FUNDS . . . The capital reserve fund established for fire equipment replacement amounted to \$421.68 and was on deposit in the Norway Savings Bank at December 31, 1963.

The total amount of trust fund principals was \$8,882.00 and unexpended income amounted to \$8,992.08. These funds are on deposit in the Norway Savings Bank and the Norway National Bank.

DEPARTMENTAL ACCOUNTS . . . The departmental operating accounts showed a decrease of \$14,918.68 in funds raised by taxation, as compared with the preceding year. A smaller appropriation for School Administrative District #17 was the major factor contributing to the decrease.

The departmental balances carried forward decreased by \$4,451.78, as compared with balances at the start of the year. This change was reflected principally in the protection, unclassified and highway accounts.

GENERAL . . . The townspeople authorized the transfer from surplus and the application of estimated income to reduce the tax levy. Authority was also granted, at a special town meeting, to transfer \$7,000.00 from surplus to winter maintenance. The purchase of a new snow blower was authorized by the selectmen.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

Excise tax collections were verified by examination of copies of receipts retained by the collector. Trust fund transactions were reviewed and investments verified. Surety bond coverage was examined.

Warrant for 1964 Town Meeting

State of Maine

County of Oxford, ss.

To Benjamin Tucker, Jr., a citizen of the Town of Norway,

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Norway, qualified to vote in town affairs, to assemble at the Norway Fire Station, in said town on (Monday) the 2nd day of March, A. D., 1964 at 9:45 o'clock in the forenoon then and there to act on Articles numbered 1, 2 and Referendum Articles 2-A, 2-B, and 2-C; and to notify and warn said voters to meet at the Norway Opera House in said town, on (Monday) the 2nd day of March, A. D., 1964 at 7:30 o'clock in the afternoon, then and there to act on Articles 3 through 45; all said Articles being set out below to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To elect all necessary town officers as are required to be elected by Secret Ballot, (R. S., C. 90A, S37). The polls for voting on Articles 2, 2-A, 2-B, 2-C will be opened at nine forty-five A. M. (9:45 A. M.) March 2nd, 1964, and will close at seven o'clock (7:00 P. M.).

Art. 2-A. To see if the Town will vote to authorize the Selectmen, acting through the Town Manager, to make application to the Federal Government, for a grant to be made by the United States to aid in defraying the cost of construction of sewerage works for the Town of Norway, and accept and disburse such funds as may be granted.

Art. 2-B. To see if the Town will vote to authorize the Selectmen, acting through the Town Manager to make application to the State of Maine, for a grant to be made by the State of Maine to aid in defraying the cost of construction for sewerage works for the Town of Norway, and accept and disburse such funds as may be granted.

Art. 2-C. To see if the Town will vote to authorize the Treasurer and a majority of the Selectmen on behalf of the Town of Norway to issue revenue bonds as defined by State Law, these revenue bonds on maturity shall be paid for by the users of the sewer system as provided R. S., C90-A, Sec. 15A thru 15P, for a principal sum not to exceed \$405,000.00, to pay for the remaining costs of the sewerage project, as approved by State and/or Federal Agencies, over and above the amount of any State and/or Federal Grants, and to pay the total costs of all sections of the proposed sewerage project not eligible for State or Federal Aid, and to authorize the Selectmen, act-

ing through the Town Manager, to disburse these funds as may be necessary to complete the entire proposed sewerage project, and to take all necessary and expedient steps in the issuance of such securities as the need for funds arises.

Art. 3. To see if the Town will vote to accept the report of the Town Officials.

Art. 4. To see if the Town will vote to continue the Estimated Income Account, and to see if the Town will vote to appropriate to this account the following estimated 1964 income from the following sources:

- A. Excise Taxes.
- B. Traffic violation fines.
- C. Bank Stock, Telephone, Telegraph and Railroad Taxes.
- D. Licenses, Dog tax refund.
- E. To reappropriate \$15,000. from the unappropriated Surplus Account for the purpose of reducing the 1964 tax rate. (The total estimated income is to be deducted from the 1964 appropriations before calculating the 1964 tax rate.)

Budget Committee Recommends We So Vote.

Art. 5. To see what compensation each member of the Board of Selectmen shall receive for the ensuing year

Budget Committee Recommends \$200.00 Each Member.

Art. 6. To see what compensation the Board of Assessors shall receive for the ensuing year.

Budget Committee Recommends \$1,500. To Be Divided Among Members.

Art. 7. To see what compensation the Town Clerk shall receive for the ensuing year.

Budget Committee Recommends \$250.00.

Art. 8. To see what disposition the Town will vote to make of the income now on deposit from the Fred W. and Laura S. Sanborn Trust Fund. December 31, 1962, balance \$5,621.52, 1963 Income \$1,497.21, Interest \$209.12. Balance, December 31, 1963, \$7,327.85 now on deposit in the Norway National Bank, Savings Book #977.

Budget Committee Recommends That The 1963 Income Be Added To The Amount Already On Deposit And Left To Accumulate.

Art. 9. To see what disposition the Town will vote to make of the income now on deposit from the Herbert Denison Cole Trust Fund. Interest earned 1963 was \$206.53, Balance December 31, 1962, \$5,012.50 Balance, December 31, 1963, \$5,219.03.

Budget Committee Recommends That The 1963 Income Be Added To The Amount Already On Deposit And Left To Accumulate.

Art. 10. To see what sums of money the Town will vote to raise and appropriate for administration for the ensuing year.

1. Town Officers' Salaries

1963 Raised \$10,350.

1964 Budget Committee Recommends \$10,350.

2. Town Office Expense

Budget Committee Recommends November 1, 1964.

Art. 43. To see if the Town will vote to charge interest and at what rate and to fix a date when interest shall commence on all taxes remaining unpaid December 31st., 1964.

Budget Committee Recommends That Interest Of 6% Be Charged From November 1, 1964, On All Taxes Remaining Unpaid December 31, 1964.

Art. 44. Shall the following ordinance be enacted:
Budget Committee Recommends We So Vote.

ORDINANCE CODE OF THE TOWN OF NORWAY

Section 1 An ordinance to provide for safety and public welfare through the regulation, alteration, relocation and replacement of Oil Burners, Electrical Installation and Fire Prevention Codes for the Town of Norway.

Oil Burner and Electrical Inspectors appointed for three year terms by the Selectmen. Fire Chief to act as Fire Inspector.

Section 2 Right of Entry. The Oil Burner and Electrical Inspectors as well as the Chief of the Fire Department, in the performance of their duties, may enter any building for the purpose of making the inspection required under this ordinance.

Section 3 Permit. Before the installation, alteration, repair or replacement of any electrical appliance, wiring, installation of motors and oil burners, the owner or contractor shall obtain from the inspectors a permit covering such proposed work.

Section 4 Heat Producing Appliances, Heating, Ventilating, Air Conditioning, Blower and Exhaust Systems.

Installation standards. Heat producing appliances and systems (including incinerators) shall be installed in accordance with standard practices for safe installation and use without danger of overheating combustible material or construction. Ventilating, air conditioning, blower and exhaust systems shall be installed in accordance with standard practice for safe installation and use with all features presenting a possibility of starting or spreading a fire safeguarded to a reasonable degree. Installation of such appliances and systems in accordance with the "Code for Heat Producing Appliances, Heating, Ventilating, Air Conditioning, Blower and Exhaust Systems" recommended by the National Board of Fire Underwriters and State of Maine Oil Burner Men's Licensing Board shall be deemed to be the standard practice for safe installation and use.

Section 5 Fee: The fee shall be \$2.00 for an Oil Burner Inspection.

Section 6 Electrical Installation. All electrical wiring, apparatus, or appliances for furnishing light, heat, or power shall be in strict conformity with the Statutes of the State of Maine and in conformity with approved methods of construction for safety to life and property. (The regulations in the National Electrical Code, as approved by the National Board of Fire Underwriters shall be prima facie evidence of such approved methods.)

Section 7 Electrical Permit Fees. Electrical permit fees, listed below, collected will be accounted for by the Electrical Inspector in a monthly recapitulation of the collections submitted to the Town. Fees collected by the Electrical Inspector will be the full recompense for his services and material incident to his appointment as Electrical Inspector of the Town of Norway.

Electrical Fees:

Fixtures and/or outlets 1-24	\$1.50
25-50 fixtures or outlets	2.00

Over 50 fixtures or outlets each additional	.10
Meter relocation or addition	1.00
Range and appliance wiring to 3KW	1.00
Over 3KW to 8KW	1.50
Over 8KW each KW or fraction	.10
Motor installation to 10 HP	.75
Over 10 HP to 25 HP	1.00
Over 25 HP to 100 HP	2.00
Over 100 HP	3.00
Signs and outline wiring 1800W or less	.75
Over 1800W	1.00
Temporary Construction Service	
10KW or less	.75
Over 10KW	1.00

Section 8 Fire Prevention Code.

Intent of Code. It is the intent of this code to prescribe regulations consistent with nationally recognized good practice for the safeguarding to a reasonable degree of life and property from the hazards of fire and explosion arising from the storage, handling and use of hazardous substances, materials and devices, and from conditions hazardous to life or property in the use or occupancy of buildings or premises. Compliance with standards of the National Board of Fire Underwriters or other approved nationally recognized safety standards shall be deemed to be prima facie evidence of compliance with this intent.

Section 9 Application of Code. The provisions of this code shall apply equally to new and existing conditions except that existing conditions not in strict compliance with the terms of this code shall be permitted to continue where the exceptions do not constitute a distinct hazard to life or property in the opinion of the Chief of the Fire Department.

Nothing contained in this code shall be construed as applying to the transportation of any article or thing shipped under the jurisdiction of and in compliance with the regulations prescribed by the Interstate Commerce Commission, nor as applying to the military forces of the United States.

Section 10 Supplementary Requirements. All matters within the intent of this code not covered in detail by this code shall comply with nationally recognized good practice. Compliance with the Fire Prevention Code recommended by the National Board of Fire Underwriters shall be deemed to be prima facie evidence of compliance with nationally recognized good practice.

Section 11 Inspections of Building and Premises. It shall be the duty of the Chief of the Fire Department to inspect, or cause to be inspected, by the Fire Department officers or members, all buildings and premises, except the interiors of dwell-

ings, as often as may be necessary for the purpose of ascertaining and causing to be corrected any conditions liable to cause fire, endanger life from fire, of any violations of the provisions or intent of this code and of any other ordinance affecting the fire hazard.

Section 12 Orders to Eliminate Dangerous or Hazardous Conditions.

Whenever any of the officers, members or inspectors of the Fire Department as mentioned in Section 11 shall find in any building or upon any premises dangerous or hazardous conditions or materials as follows, he or they shall order such dangerous conditions or materials to be removed or remedied in such manner as may be specified by the Chief of the Fire Department.

a. Dangerous or unlawful amounts of combustible or explosive or otherwise hazardous materials;

b. Hazardous conditions arising from defective or improperly installed equipment for handling or using combustible or explosive or otherwise hazardous materials;

c. Dangerous accumulations of rubbish, waste paper, boxes, shavings or other highly flammable materials;

d. Accumulations of dust or waste material in air conditioning or ventilating systems or of grease in kitchen or other exhaust ducts;

e. Obstructions to or on fire escapes, stairs, passageways, doors or windows, liable to interfere with the operations of the Fire Department or egress of occupants in case of fire;

f. Any building or other structure which, for want of repairs, lack of sufficient fire escapes or other exit facilities, automatic or other fire alarm apparatus or fire extinguishing equipment, or by reason of age or dilapidated condition, or from any other cause, creates a hazardous condition.

Section 13 Service of Orders. The service of orders for the correction of violations of this code shall be made upon the owner, occupant or other person responsible for the conditions, either by delivering a copy of same to such person or by delivering the same to and leaving it with any person in charge of the premises, or in case no such person is found upon the premises, by affixing a copy thereof in a conspicuous place on the door to the entrance of the said premises. Whenever it may be necessary to serve such an order upon the owner of premises such order may be served either by delivering to and leaving with the said person a copy of the said order, or, if such owner is absent from the jurisdiction of the officer making the order, by sending such copy by registered mail to the owner's last known post office address.

Section 14 Appeal. In case of refusal to issue a permit or amendment thereof, appeal shall lie from the decision of the Inspector to the Municipal Officers. The Municipal Offi-

cers may affirm or reverse the decision of the inspector as to interpretation of the provision of this Code. In specific cases wherein the enforcement of this Code would involve practical difficulty or unnecessary hardship and wherein desirable relief may be granted without substantially departing from the intent and purposes of this Code, but not otherwise, the Municipal Officers may, by a two-thirds vote of their membership, permit exceptions to and variations from the provisions of this Code.

The Selectmen with the advice of the Inspectors, the Fire Department shall have authority to regulate the cost of inspections and permits under this Code; to regulate standards of design and construction materials so that the requirements of the Code will conform to the statutes of the State of Maine, and may conform to the State Building Code and to the several codes relating hereto as approved and published by the National Board of Fire Underwriters.

Section 15 Violations. Any construction or work performed in violation of the foregoing provisions of this ordinance shall be considered a nuisance.

Note: 1954 R. S., C. 90-A, sec. 3, IV, E, 1, "Any building, structure, trailer parking facility or equipment existing in violation of an ordinance authorized by this subsection is a nuisance."

Penalty: Any person found guilty of violating any provisions of this ordinance shall be subject to a fine of not less than \$5.00 or more than \$100.00 for each offense. Each day in which a violation is proved to exist shall constitute a separate offense under this section.

Art. 45. To transact any other business that may lawfully come before said meeting.

Notice is hereby given that the Registrar of Voters will be in session at the Norway Town Office on February 24th, 25th, and 26th, between the hours of 8:00 A. M. and 5:00 P. M. for the purpose of revising the list of voters and accepting new registrations.

Given under our hands at Norway, Maine this 5th day of February, 1964.

Dog Owners Attention

Chapter 100, Sections 9 and 10, Revised Statutes of 1954 and as amended, Revised Statutes of 1963, "On or before the 1st day of April of each year the owner or keeper of any dog 4 months old or over shall apply to the city or town clerk either orally or in writing for a license for each dog owned or kept by him. Such application shall state the breed, sex, color, and markings of such dogs".

Apply to the Town Clerk on or before April 1st for your dog license. See that your dog wears a collar and a license tag attached to it.

Avoid paying the Constable's fee of \$2.00 by being prompt in licensing your dog.

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance of Town Meeting.

If copies are left at home there may not be a sufficient number at the hall to go around on Town Meeting day, so please bring this copy to the meeting.

—Norway Post Office.

Norway Firemen

Meetings held on first Monday of every month—7:00 P. M.
—Firemen's Hall.

A Centennial Memorial To The Norway Soldiers Who Served Their Country During The Civil War

When the Confederate States of America fired on Fort Sumter on April 12, 1861, Norway was a prosperous and growing Town of 1982 inhabitants.

Norway sent down to the war more than a third of its adult male population. Maine furnished thirty-two regiments for the war and the commanding officer of three of them came from Norway.

5 Lieutenants

10 Captains

44 different commissions in all

Norway had one Brigadier-General, two brevet Brigadier Generals, one brevet Major General, three Colonels, one Chaplain, one Assistant Surgeon and one Regimental Quartermaster.

No citizen of Norway enlisted either in the Cavalry or Light Artillery. All but two enlisted in the Infantry. The two mentioned enlisted in Heavy Artillery.

One of the very first soldiers to give his life in the Civil War was Sumner Henry Needham. He was born in Norway, moved to Lowell, Massachusetts. He was a member of the 6th Massachusetts Regiment. He was killed by a mob as the regiment was passing through Baltimore.

Forty-four gave their lives for the cause. Ten of them fell in battle, and seven more died from wounds received in action. Twenty-seven died from diseases incident to military life.

NORWAY CIVIL WAR ROSTER

Charles R. Atwood, Co B, 32nd Regt. (Killed at Petersburg, July 30, 1864)

George L. Beal, Co G, 1st Regt. Colonel of Co G, in the 10th Maine Regt.

Benjamin F. Whitcomb, Co F, 14th Maine (Died in service)
Orrington Wilkins, Co G, 14th Maine
Levi A. Whitcomb, Co F, 17th Maine (enlisted on quota for Paris). Reported missing following the battle of Chancellorsville
Samuel S. Yates, Co G, 10th Maine. Served as wagoner
Charles A. Young, Co H, 23rd Maine

Captain Cobb's Company of Volunteer Militia

The company was enlisted for sixty days, it was mustered April 27th, 1864 and discharged 9 July 1864.

Sylvanus Cobb Jr., Claudius M. Favor, Henry Tucker, James M. Favor, Arthur E. Denison, George A. Cole, Wallace Foster, Benjamin G Barrows, James G. B. Bradbury, Charles B. Cummings, James C. Drew, William D. Earle

Charles J. Edgecomb, William E. Frost, Edwin Fisher, Atwood Gammon, Abram Green, Andrew P. Greenleaf, Joseph F. Herrick, George F. Howe, Frank H. Hamlin, Levi E. Holden, George F. Leonard, William F. Merrill, William A Merrill, Hiram Merrill

Charles F. Millett, Charles M. Mallett, Benjamin H. Noble, Edwin J. Newhall, Charles S. Penley, Isaiah V. Penley, Scott Partridge, Frank H. Reed, Oliver Shackley, Edward F. Stevens, Clarence M. Smith, John Tucker, and Rodolphus Young.

Norway Men In Service Out Of State

E. Wright Bisbee was promoted to Capt. of his company in a Massachusetts regiment.

Aaron W. Brown served in a Massachusetts regiment and died at Falmouth, Virginia.

William A. Evans of the 28th Massachusetts was killed at Spottsylvania.

Stidman Bennett, Wagoner in 1st Massachusetts Regt., died at Mt Pleasant Hospital.

James L. Merrill, Sergeant in the U. S. Signal Corps. Died at Norfolk, Virginia.

Other Norway men who served in Massachusetts regiments were Henry O Beal, Henry T. Merrill, James Merrill, Joseph H. Newhall, Charles E. Newhall, and Charles A. Smith.

Stephen C. Yeaton served in the 54th Massachusetts Regiment.

Daniel S. Morse enlisted in the regular army and Daniel Latham, George F. Latham, and J. C. Davis served in the United States Navy.

Service History of Maine Volunteers

First Maine Regiment of Volunteers

Company G: Used to defend Washington, D. C. during the First Battle of Bull Run

Fifth Maine Regiment of Volunteers

Company G (This was one of the regiments in The Army of the Potomac). Mustered into service 4 June 1861.

First Battle of Bull Run, Peninsular Campaign, Antietam, Fredericksburg, Chancellorsville, Gettysburg, Wilderness, Cold Harbor, North Anna River.

Ninth Maine Regiment of Volunteers

Mustered into service 21 September 1861.

Service was mostly given in the south.

South Carolina, Battle of Cold Harbor, Petersburg.

Thirteenth Maine Regiment of Volunteers

One Norway officer, Colonel Henry Rust Jr. was the commanding officer.

Tenth Maine Regiment of Volunteers

Most of the men whose duty terminated in the First Maine enlisted to serve in this new regiment.

Sent to guard and inspect railroad cars and lines on the Baltimore and Ohio Railroad. Reconnaissance duties

Luray Court House, Sandy Hook, Flint Hill, Warrenton, Battle of Cedar Mountain, Second Battle of Bull Run, Antietam, Guard duty at Maryland Heights.

Mustered out of service 8 May 1863.

Fourteenth Maine Regiment of Volunteers

Company G. Mustered into service in December 1861 for three years.

Battle of Baton Rouge, Siege of Port Hudson.

Returned to Washington, D. C. to join Sheridan and his troops on the famous "excursions" into the Shenandoah Valley to meet General William T. Sherman.

Battles: Opequan and Cedar Creek

Mustered out of service 28 August 1865

Seventeenth Maine Regiment of Maine Volunteers

Companies F and C. Mustered into service 18 August 1862.

Battle of Fredericksburg, Chancellorsville, Gettysburg (Second days Battle), Wapping Heights (in pursuit of General Robert E. Lee), Locust Grove, Mene Run

These battles and campaigns were carried on in connection with the Third Army Corps. The Third and Second Army Corps were then consolidated, to be known as the Second Army Corps.

Wilderness, North Anna River, Petersburg, Spottsylvania Court House, Cold Harbor, Richmond

The Seventeenth Maine then returned to Washington, D. C., for the Grand Review at the end of the war.

Eighteenth Maine Regiment of Volunteers (Became the First Maine Heavy Artillery)

Defense of Washington

Spottsylvania Court House

After Spottsylvania Court House the Regiment became part of the Second Army Corps.

Twenty-Third Maine Regiment of Volunteers, William A. Virgin, Commanding Officer

Company H. Mustered into service 29 September 1862

Duty: Guard the crossings of the Potomac.

Engaged in no major skirmishes.

Missed involvement in Battle of Gettysburg, because their enlistments were up on the 27th of June.

Twenty-ninth Maine Regiment of Volunteers

Company G. The commanding officer of the 29th Regiment was General George L. Beal.

Sabine Cross Roads, Battle of Fisher's Hill,

Battle of Cedar Creek, Battle of Opequan

Regiment took part in the final Grand Review.

Later ordered to the south to assist in administration of military government and Freedmans Bureau. General Beal was military governor of the South Carolina Military District.

Thirtieth Maine Regiment of Maine Volunteers

Red River Campaign

Regiment served mostly in the south.

After the war the Thirtieth Maine was on duty in Georgia until 20 August 1865 when it was ordered home to be mustered out of service.

Most of the men re-enlisted from the 13th Maine Regiment of Maine Volunteers.

Thirty-second Maine Regiment of Maine Volunteers

Mustered into service in February 1864.

This was the last regiment raised for service in Maine.

Most Norway men served in Company B.

The regiment was held in reserve during the Battle of the Wilderness and Cold Harbor.

Because of the large numbers of casualties suffered at Fort Hell (Battle of Petersburg) the Thirty-second was consolidated with the Thirty-first Maine regiment.

Company B, Thirty-first Regiment took part in the capture of Petersburg and took pursuit of the Rebel Army.

Mustered out of service 15 July 1865.

Assessors, Town of Norway

Report of Town Manager

NORWAY, MAINE

1964

To the Board of Selectmen and Citizens of the town of Norway:

I herewith submit to you my annual report on the municipal activities of the Town of Norway for the year 1964, it being the twenty-second under the Selectmen-Town Manager form of government.

GENERAL GOVERNMENT

We were able to carry out the municipal program approved at our Town Meeting and finished the year with an unappropriated surplus of \$38,139.00 compared to \$28,166.91 for the year ending December 31, 1963.

You will note in the Auditor's report an overdraft of \$8,000.51 on the Pike's Hill rebuilding project. This was caused by two wash-outs, due to heavy thunder storms.

The only taxes unpaid are the current 1964 taxes.

PUBLIC WORKS PROGRAM

Our highway crew, as usual, had a busy summer and fall, starting with spring cleanup of streets and sidewalks and grading our country roads. Our first project was Pike's Hill, which was rebuilt, street widened, underground storm sewers and paved ditch-lines installed. This was an expensive project due to steepness of the hill—plus the two washouts. Most of the residents who live in this area are very satisfied with the results. In connection with this work, we installed 1,250 feet of sewer pipe, and manholes so that the residents of Highland Avenue could connect on to our sanitary sewer system.

Town Road Improvement money and town funds were spent on the Doughty Road, where one mile of road was rebuilt. This completes this road which began on the Harrison Road and ended at Route 118 to the Norway Country Club. We also used Town Road Improvement funds on two other roads, the Harlan Whitman road, 1,800 feet and the Jack Heath road (Chapel District), 1,800 feet.

State Aid money was spent on the Crockett Ridge causeway. This road was widened and built to grade, 18' tarred sur-

face with 6' shoulders. A public boat-launching site was started on this causeway and will be completed in 1965.

45,800 gallons of tar and asphalt were applied to town streets and highways. Greenleaf Avenue, Horne, Radcliffe, Orchard, Bridge and Lynn Streets were completely resurfaced.

The usual Summer Maintenance work of patching streets and highways, cleaning catch basins and rodding sanitary sewers was carried out.

We continued our planting of Shade Trees within the town, having planted 20 sugar maple trees. On our annual fall scouting for Dutch Elm Disease we found thirty-nine trees infected. These trees will have to be removed before April 15, 1965. 30% of the cost of removing these trees will be absorbed by the State.

Main Street and other street intersections were lined out in heavy yellow traffic paint. Crosswalks and Stop lines were conspicuously painted.

Snow removal was kept within our budget and about 200 tons of salt was on hand December 31, 1964, which should reflect in our 1965 Winter Maintenance Account.

WELFARE

This department, in which a lot of time has to be spent, (investigations and home calls) was kept well within our budget. The A. D. C. account will be decreased \$600. for our 1965 budget. There are several programs under study for the unfortunate—Mental Health, Juvenile Delinquents and Senior Citizens and President Johnson's anti-poverty bill. These programs should be in operation by Fall of 1965.

SEWER

Our sewer project is moving along on schedule and bids should be in and read before our 1965 Town Meeting. This will be an aerated lagoon and whereas it does not meet with everyone's approval, the Selectmen and myself are of the firm opinion it will operate at a high degree of efficiency and the most economical system for maintenance and costs to the users.

TOWN EQUIPMENT

The Town equipment is in good condition. We bought one new dump truck in 1964 and we will replace a 1959 GMC with a like unit in 1965.

To all my associates, employees and citizens, I do appreciate your fine spirit of cooperation and with your help we will make Norway a model town of which we can all be proud.

Respectfully submitted,

DONALD F. McALLISTER,

Town Manager

ACTIVITIES

One of the first projects of the year was the formation of a volunteer book mending group which was conducted by Mrs. H. Knox Bickford. Several members of the Browning Reading Club met at the Library for four work sessions. This was a helpful service to the library and will again be undertaken this year.

The library is honored by the appointment of Mrs. William

W. Gallagher to a two-year term as Maine representative to the American Library Trustees Association's Membership Committee.

In the spring, the library cooperated with the Elementary School in presenting Books on Exhibit. 345 children's books, representing 50 publishers were on display at the library for four days during which time children, teachers and parents could examine the books. This free service is used nationally by school systems and libraries to inform the public of the best new books being published.

National Library Week was observed in April with a varied program. Patricio Guerrero Briones, sponsored exchange student from Chile ushered in the week with a talk on his native country. Many lovely artifacts, borrowed from interested residents, made an unusual display. Each afternoon there was a different program in the library. Two girls from the Oxford Hills Home Economics Department demonstrated sewing techniques. Another day there was a display of beautiful ceramics, the work of several local women who explained their art to many appreciative visitors. One afternoon a number of boys from the Industrial Arts Department of the Oxford Hills High School brought in their wood products for display. On the last afternoon rug hooking and braiding were demonstrated and several rugs were exhibited. Many library books covering the various subjects were circulated during this week. The week's activities were concluded with a story hour by Mrs. Bradford Towne in the downstairs auditorium.

The librarian and several trustees attended the annual meeting of the Maine Library Association at Poland Spring in June. Later in the year they attended the State Library Round Table at the Wiscasset Public Library. These annual events give specialized help to librarians and trustees. Discussion of common problems and exchange of ideas are always beneficial.

In May, Mrs. H. Knox Bickford retired as substitute and assistant librarian. Kathryn Fournier was appointed part-time assistant and Mrs. Lowell D. Henley, substitute.

Seven Story Hours were given through the summer by four different persons, and one puppet show by Michael Hatch.

Children's Book Week was celebrated in November with 13 divisions from the Elementary School visiting the library. The new children's books were discussed briefly, instruction in the use of the library was given and each group was told a story. Also, time was given to register future borrowers.

I am grateful to all who helped me in any way this past year. It is a pleasure and privilege to serve the citizens of this town and the surrounding area. Whether you are a member or not, the library invites you to come in, at your leisure, and get acquainted with the library's facilities and the limitless opportunities it has to offer.

Respectfully submitted,

HELEN E. BROWN
Librarian

Report of Treasurer of Norway Memorial Library

Norway, Maine, January 2, 1965

To the Trustees of Norway Memorial Library:

I submit below my report as Treasurer for the year 1964.

Number of Scales tested	82
Number of Gas Pumps tested	38
Number of Oil Pumps tested	7
Number of Yard Measures	4
Number of Measuregraphs	2

Respectfully submitted,

WILLIAM H. CARD

Sealer of Weights and Measures

Important

NOTICE TO TAXPAYERS

ALL TAXPAYERS SHOULD READ THE FOLLOWING REQUIREMENTS AND COMPLY WITH THEM:

"Sec. 34, Ch. 91A, Revised Statutes of Maine, 1957. Assessors to give notice to bring in lists of taxable property; if no lists are brought in, no claim for abatement. Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is hereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayers."

The assessors hereby give notice that they will be in session at the Town Office on April 1, 1965 from 9:30 A. M. to 5:00 P. M. for the purpose above stated.

Civil Defense and Public Safety

To the Selectmen and Citizens of the Town of Norway, I herewith submit my report for the year 1964.

The year has been busy keeping all reports up to date, as there has been an increase in the paper work of Civil Defense over the year 1963.

The Civil Defense Police unit attended Police Schools, and is at present having weekly study periods at the meetings. The Civil Defense Chief, Artland Rogers, has done a fine job in 1964. I wish to thank him at this time for a job well done.

Norway Civil Defense has ten (10) Radio Equipped Cars which were put to good use last summer assisting the Fire Department in Fire Patrol through the dry season, giving the town extra protection at that time.

John Morgan, Chief of Communications in Norway Civil Defense, has all radios working well and I wish to thank him for a job well done.

The police who needed new uniforms received them. New police manuals were purchased for the police this year.

Men from Norway Civil Defense attended a Light Rescue School which ran for eight (8) weeks at Oxford County Civil Defense and Public Safety Building.

I wish to thank Town Manager Donald McAllister, the Selectmen, and all members of the Norway Civil Defense for their hard work through the year of 1964.

Hope the year of 1965 will be bigger and better.

Respectfully submitted,

ROYCE B. GORDON

Director of Civil Defense and
Public Safety

Annual Report of Public Health Nursing Services

FOR THE YEAR ENDING DECEMBER 31, 1964

Your public health nurse in co-operation with a physician works with families at home, at school, at work and in other service settings. She is also responsible to help organize and carry on programs for the detection of family or community health needs, the correction of defects, and the promotion of maximum community health.

There is at present a great need, not only county wide but nation wide, for mental health facilities to help troubled individuals of all ages. Our State has established fifteen regional committees to gather information on a local level as to the needs of each town. It is hoped that all citizens will assist your town officials in this extremely important survey.

Nursing services are available to people of all ages. One hundred and sixty-eight home visits were made to individuals and families in your community to give assistance on health and closely related problems. A good many children in Norway are registered in one or another of the State sponsored clinics, such as Crippled Children, Cardiac, Hard of Hearing and Mental Health. Some of these visits were made to interpret clinic recommendations and help the family to carry them out. The child who develops good health and emotional habits early in life, grows to become a better adjusted individual in adult life. Discipline, early training in self-care and successful performance of simple tasks all help the child as he grows and develops to take his place constructively in family life and society.

The immunizations given to three hundred and fifty-five children are shown in the following table.

THE TOTAL NUMBER OF COMPLETED
IMMUNIZATIONS GIVEN TO CHILDREN IN NORWAY
DURING THE YEAR 1964

Completed Immunizations	Number
Diphtheria	288
Poliomyelitis	104
Smallpox	92
Tetanus	283

A vision testing program for three year old children was initiated this year by the Department of Health and Welfare, Division of Maternal and Child Health. Kits were sent out to all parents with instructions to check the child's vision. Your public health nurse assisted the parents of these children and did retests when needed. Many vision problems may be detected at age three and treatment then might prevent partial or total loss of vision.

Thank you for your continued support of the public health nursing service. It is greatly appreciated.

Respectfully submitted,

RUTH M. CHOATE, R. N.

Public Health Nurse

Dr. Walter G. Dixon was appointed to fill the unexpired term of Dr. Roland L. McCormack, as Health Officer, to 1966.

Police Chief's Report

Adelbert Guilford receiving Chief of Police Badge
From Town Manager Donald F. McAllister

The Norway Police Department is comprised of Charles E. Patton, Raymond H. Judkins and Chief Adelbert Guilford, with Royce B. Gordon as a spare police officer.

During 1964 the following activity reports were filed:

Investigations and Complaints	473
Accident Reports	45
Doors found opened	30
Windows found opened	10
Cars tagged	1138
Verbal Warnings	457
Written Warnings	339
Arrests	113
Work with other Departments	47
Time spent in Court	hrs. 112
Gasolene used	gals. 5395
Cats, Dogs, Lost Children, etc.	89

I wish to thank the Sheriff's Department and State Police for their cooperation.

In 1965 there will be two replacements on our police force and finger printing equipment will be installed.

Respectfully submitted,
ADELBERT GUILFORD, Chief

Fire Chief's Report

To the Selectmen and Citizens of the Town of Norway, I herewith submit my report for the year 1964.

Bell Alarms	5
Chimney	13
Flooded oil burners	3
Grass fires	3
Forest fires	1
Car fires	5

OUT OF TOWN FIRES

South Paris	3
Bolsters Mills	1
Oxford	5

HOSE AND LADDERS USED

Booster hose	1825 ft.
1½ inch hose	5150 ft.
2½ inch hose	3150 ft.
Ladders	556 ft.

During my five years as your Fire Chief, I have strived constantly to give the citizens of the Town of Norway adequate fire protection. We have had training programs for our firemen on how to fight fires, salvage and rescue operations and maintenance of equipment.

This year we dug three water-holes in the rural area of the town, one at Norway Center with a capacity of 20,000 gallons, one on the Greenwood Road, near Ernest Watson's home with a capacity of 10,000 gallons and the third at Noble's Corner with a capacity of 22,500 gallons. During the summer all these hydrants were tested and they have a capacity of 500 gallons per minute.

This year, I am asking for an additional \$1,000. to install three more of these ponds. One on the back side of Pike Hill, one at the Chapel District and one in the Millettville area.

The Dry Hydrant installed at Norway Lake this past year brought many favorable comments. This hydrant with a capacity of about 1000 gallons per minute gives the "Frost Corner" citizens fire protection for the first time, especially in the wintertime.

You will notice in the town warrant an article to set up a reserve fund for the purchase of a new Fire Truck and Pump-er. The old 1941 Buffalo has "had it." It is no longer a dependable piece of equipment and preparation should be made to replace it. It is my belief, if we set aside \$5,000. per year for the next four or five years, the new fire truck would not put too much of a strain on the annual budget.

In 1965 we are planning to have the National Board of Fire Underwriters make a survey of our Fire Protection equipment; with the new water system installed and fire alarm systems up to standard we should be able to get a reduction in insurance rates for the town of Norway.

I would like to thank the members of the department, the Town Manager, Selectmen, Don Hunt, my two assistant chiefs and Mrs. Smith and Mrs. Thorp for their cooperation.

Respectfully submitted,

ROBERT J. BUTTERS, Chief

Attention Veterans

REVISED STATUTES, 1957, CHAPTER 91A SEC. 10 AN ACT RELATING TO EXEMPTIONS FROM TAXATION OF VETERANS

"Sub-Section III. The polls and estate of all persons who by reason of age, infirmity or proverty are in the judgment of the assessors unable to contribute toward the public charges; the estate up to the value of \$3,500 of all persons determined to be blind within the definition provided by sections 298 to 318, inclusive of chapter 25, who are receiving aid under the provisions of said sections; but no property conveyed to any persons for the purpose of obtaining exemption from taxation under this subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance, whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than

one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such person taxable in the state." (1953, c. 291, Sec. 1. 1954, c. 92, Sec. 10.)

"The polls of all soldiers, sailors and marines who served in the army or navy of the U. S. in the Philippine Insurrection or any federally recognized war period prior thereto, or who served in World Wars I or II or the Korean Campaign who receive state pension; the polls of all soldiers, sailors or marines who are receiving pension or retirement pay or compensation or vocational training from the United States government on account of disability incurred in or aggravated by service in said wars; and in the estates up to the value of \$3,500 of veterans who served in the armed forces of the United States during any federally recognized war period, including the Korean campaign, who were honorably discharged or honorably separated and retired to the reserve, when they shall have reached the age of 62 years or are receiving any form of pension or compensation from the United States Government for total disability, service connected or non-service connected, as a veteran; and the estates up to the value of \$3,500 of the unremarried widow or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the federal government as the widow or minor child of a veteran: **provided, however, that no person shall qualify for such exemption unless the veteran upon whose record the exemption is claimed was a legal resident of this state when he entered the military service of the United States or unless such veteran or his widow has been a legal resident of this state for at least 10 years prior to making the claim for exemption; and provided further that any person hereinbefore enumerated who desires to secure this exemption shall file written proof of entitlement on or before the first day of April with the assessors of the town in which he resides, whereupon the assessors shall grant such exemption to such person while so qualified or until notified of reason or desire for discontinuance; but no property conveyed to any person for the purpose of obtaining exemption from taxation under the subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such persons taxable in the state.—R. S."** (1947, c. 29. 1951, c. 1957, Sec. 3; c. 160. 1953, c. 265, Sec. 6; c. 291, Sec. 2; 1954 c. 92—Sec. 10; 1959 c. 91A, Sec. 10.) as amended.

"Keep Maine Green Alive For 1965"

KEEP MAINE GREEN

STATE OF MAINE

AuditAugusta

January 22, 1965

Board of Selectmen

Norway,

Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Of 1964, an audit has been conducted of the financial records of the Town of Norway for the fiscal year ended December 31, 1964.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1964, and the results of its operations for the year then ended.

Respectfully submitted,

ARMAND G. SANSOUCY

State Auditor

Comments

TOWN OF NORWAY

JANUARY 1, 1964 TO DECEMBER 31, 1964

An audit has been completed of the financial records of the Town of Norway for the fiscal year ended December 31, 1964. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The operations for the year showed a gain of \$15,177.46, which was accounted for as follows:

Departmental Balances Lapsed (net)	\$16,289 17
Actual Income Over Estimated	8,888 29
Gain For Year	\$25,177 46

The unexpended departmental balances were noted particularly in the highway, welfare, interest and overlay accounts.

The actual income received was \$33,888.29, as compared with an estimate of \$30,000.00 for the year. The additional income was lapsed to surplus.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS....The general fund cash balance of \$6,558.25 and the sewer project cash balance of \$231.99 were on deposit in the Norway National Bank, Norway, Maine at December 31, 1964.

Accounts receivable of \$12,160.09 included for the most part monies due from the State for highway purposes.

Taxes receivable totaling \$10,378.64 represented unpaid current year accounts. Tax liens and tax acquired property amounted to \$2,807.05 and \$3,249.46 respectively.

Unpaid sewer assessments totaled \$3,831.90 and are summarized as follows:

Spring Street and Dean Avenue	\$ 913 75
Lower Main Street	183 75
Greenleaf Avenue	2,734 40
Total	\$3,831 90

LIABILITIES, RESERVES AND SURPLUS....The departmental accounts showed a net overdraft of \$2,889.25 representing various operating account overdrafts and unexpended balances that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an unexpended balance of \$3,732.64 as compared with a balance of \$5,356.00 in the preceding year.

The unappropriated surplus amounted to \$38,139.00, an increase of \$9,972.09 for the year. This change was occasioned principally by the net unexpended departmental balance lapsed and the excess of actual income over estimated, less an authorized transfer to reduce the tax levy.

DEBT FUND....The debt fund, incorporated in the balance sheet as a separate fund, reflects outstanding Opera House notes of \$30,000.00 and Sewer Project notes of \$34,400.00. These obligations mature during the next twelve years.

WORKING CAPITAL FUND....The cash balance of \$5,264.61 in the working capital fund was on deposit in the Norway National Bank, Norway, Maine at December 31, 1964.

A note of \$3,500.00 issued in the current year to finance purchase of new equipment is due the Norway National Bank in May, 1965 with interest at 2%.

Current operations showed an increase of receipts over expenditures of \$2,265.15. Receipts totaling \$44,767.09 were derived principally from departmental use of equipment and issuance of a short term note.

Expenditures totaled \$42,501.94, of which maintenance expense, purchase of new equipment and payment of notes were the major items.

RESERVE AND TRUST FUNDS....The capital reserve fund established for fire equipment replacement amounted to \$667.83 and was on deposit in the Norway Savings Bank at December 31, 1964.

The total amount of trust fund principals was \$8,882.00 and unexpended income was \$11,043.63. These funds are on deposit in the Norway Savings Bank and the Norway National Bank.

DEPARTMENTAL ACCOUNTS....The departmental operating accounts showed an increase of \$14,934.05 in funds raised by taxation, as compared with the preceding year. A larger appropriation for School Administrative District No. 17 was the major factor contributing to the increase.

The departmental balances carried forward decreased by \$17,244.25, as compared with balances at the start of the year. This change was reflected principally in the highway accounts.

GENERAL....The townspeople authorized the transfer from surplus and the application of estimated income to reduce the tax levy. The purchases of a new truck and a snow blower were authorized by the selectmen.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

Excise tax collections were checked by examination of copies of receipts retained by the collector. Trust fund transactions were reviewed and investments verified. Surety bond coverage was examined.

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance of Town Meeting.

If copies are left at home there may not be a sufficient number at the hall to go around on Town Meeting day, so please bring this copy to the meeting.
